

Bigger, Stronger, More Durable Than Ever Before

For months, we have worked to make Goodyear Tires for passenger cars even better. We have increased the size of our clincher type Goodyear Cords, made the tread thicker, the carcass heavier, the bead stronger. Today our larger size Cords are likewise bigger, stronger, more durable. And fabric tires and inner tubes, too, show added value. Whatever car you drive, there are improved Goodyear Tires and Tubes now ready for it, at the nearest Goodyear Service Station.

CONGRESSMAN TO GIVE ADDRESS HERE

An added feature of the approaching chautauqua, to be held at the open air theatre July 5, 10, inclusive, will be an address by Hon. Henry T. Rainey, representative to congress from Illinois. Mr. Rainey has been one of the outstanding figures at Washington for the past 18 years. He will talk on "Federal Taxation and Miracles of Finance." His lecture will be non-political.

The chautauqua will provide entertaining and educational features for every afternoon and evening of the sessions.

"It Pays to Advertise," the comedy success which is to be presented at Chautauqua on the fourth night by the Keighley New York Players, is absolutely clean and wholesome. This fact combined with the rich Americanism of its humor, the rapid-fire idioms contained in the dialogue and the many clever situations effected, marked its New York production as the most successful comedy drama in years.

The story is told with a contagious verve and vigor and the dialogue is written with a real feeling for that particular type of humor that has been recognized as purely American since the days of Ben Franklin.

The New York Sun says, "Before the company has been here you will be aware of a warm, comfortable feeling that will cause you to settle back contentedly, with complete trust that it is going to keep you jovial and interested the whole evening. It makes fun of advertising but is one of the best ads the advertising man can have."

FAIR BOARD VALLEY JUNKET SATURDAY

The members of the county fair board, accompanied by about 30 ranchers, orchardists and business men, will leave the Commercial Club Saturday morning on a junket that will include the East Side, Upper Valley and West Side districts. The party will leave here by automobile, touring up the East Side. They expect to stop at the places of all ranchers specializing in blooded stock. Gordon Brown and Leroy Childs will accompany the party.

P. L. Manser has asked that all growers who have stock of which they are especially proud to notify the visitors in order that they may call and inspect them. Growers who are experimenting with new methods of labor are also urged to demonstrate their plans. The junketers will take picnic lunch at Parkdale, where coffee and cream will be served.

Mr. Manser asks that all who have not yet made plans for the Saturday trip, call him at his home, 5497. The party will leave the Commercial Club at 9 a. m.

MARKETS BUREAU EXPERT IS HERE

R. R. Pailthorp, of the Washington, D. C., office of the Bureau of Markets of the United States Department of Agriculture, arrived Monday to spend the week here with the Experiment Station and advise growers, erecting home storage and packing plants, on methods of ventilation. While here Mr. Pailthorp will visit the Mosier and other adjacent fruit sections. He will make an inspection of storage plants of the Apple Growers Association.

Mr. Pailthorp says that Hood River is better equipped with cold storage plants than any other northwestern fruit section.

WOMAN'S CLUB NEWS

Mrs. Munroe says the Pendleton convention was one of the most interesting ever held in the state. The entire list of officers, she states, was re-elected.

"Our body at the convention took strong action on some of the measures before voters last week," says Mrs. Munroe. "They were strong for the bonus bill. The Pendleton people certainly know how to entertain. They treated us royally while we were there."

Miss May Davidson was reelected a member of the directorate of the state federation of Professional & Business Women's Club at the annual convention in Portland last Saturday. Other delegates present from here at the convention were: Mrs. Susie L. Lynn and Mrs. O. R. Croyle.

Howard Cooper In Service

Howard Cooper, son of Mr. and Mrs. W. F. Cooper, of the East Side orchard district, is now in Portland aboard Eagle Boat 28, a part of the fleet participating in Rose Festival activities and which will remain for a time. Mr. Cooper, who entered the navy as an enlisted man during the war, winning the rank of ensign on the reserve list before the armistice, was called for a 2-weeks service. Local folk at the Rose show, not knowing that he had been called for duty, were surprised to find him with naval officers at the big show.

Miss Edgington Dean of Women

Miss Grace E. Edgington, alumna of the institution, is acting dean of women at the University of Oregon summer session. She will also teach short story writing. Miss Edgington formerly taught this subject at the University of Washington. Miss Edgington, daughter of Dr. and Mrs. Jesse Edgington, holds the professorship of rhetoric at the University of Oregon. She is also editor of the alumni magazine, "Old Oregon."

The Home of the Soul

In older times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its function naturally. Give them a trial. They only cost a quarter.

Wall Paper 5 Cents a Roll

Franz is selling the Hunt stock of wall paper at a fraction of original cost. See their ad in this issue. Glacier office makes rubber stamps.

I've tried them all but give me a Camel

I'm through experimenting. No more switching. No more trying this and that. It's Camels for me—every time.

They're so refreshing! So smooth! So mellow mild!

Why? The answer is Camels exclusive expert blend of choice Turkish and Domestic tobaccos. There's nothing like it.

No other cigarette you can buy gives you the real sure-enough, all-day satisfaction that comes from the Camel blend. Camel is the quality cigarette.

Give Camels a tryout. Buy a pack today. Get your information first hand. You'll tie to Camels, too.
