Why Suffer From Rheumatism?
Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to anyone afflicted with rheumatism.

WHITE SALMON
(From the Enterprise)
The flood waters of the Columbia again raised havoc last week to the truck gardens along the Columbia bottom, just below town. The flood waters have been getting higher each day and encroaching upon the gardens. A conservative estimate of the loss to truck gardeners has been placed at \$25,000.

One of the main features of entertainment of the Fourth of July celebration to be held at White Salmon this year under the auspices of the American Legion will be a big parade. At a joint meeting of the various Fourth of July committees Friday evening it was decided to commence the day's program with the parade. Geo. L. Willey was named as chairman of the parade committee and has promised to stage one of the biggest and best parades ever assembled in White Salmon, if proper support is given him.
