### Pleasant Birthday Party

A pretty social event took place Friday evening, July 15 at the home of Mr. and Mrs. C. E. Miller, of Frankton, when Mr. and Mrs. Miller and Mr. and Mrs. E. H. Mauriston gave a birthday party in honor of Howard Miller's and Ernestine Mauriston's thirteenth birthday. The party occurring on the birthday of Master Lloyd Johnson, of Moro, who is spending his vacation with his grandparents, Mr. and Mrs. Granville Phillips, was invited as a guest of honor. Games were enjoyed on the lawn until 9 o'clock, when the guests were invited into the dining room. The dining room and table were beautifully decorated, pink and white being the colors used in the decorations. The three birthday cakes, with their twinkling candles, were surrounded with banks of cut flowers and ribbons and decorated place cards made the table beautiful. Twenty guests surrounded the table and were served refreshments, after which the guests of honor received many pretty presents. All voted it to be the best time they had ever had.

### Apple Shippers Going to Cincinnati

Hood River will have a fair representation at the International Apple Shippers Association convention in Cincinnati in early August. P. F. Clark, and William Irwin will represent the Apple Growers Association. H. F. Davidson will be present. C. W. McCullagh will leave this week end for the east. Walter Woolpert, has already left for a tour of different fruit sections. Following his attendance at the Cincinnati convention, he will leave for a tour of all eastern fruit sections.

### One Dollar Saved Represents Ten Dollars Earned

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he can not be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars.

### COULD BEAT HANDS SHUCKING HIS CORN

At Least J. A. White Would Bet So. After Being Relieved of Dyspepsia by Tanlac

"My wife and myself had stomach trouble," says J. A. White, residing on the Leestown Pike, R. F. D. No. 5, near Lexington, Ky., "and have both been nervous and run down. We could not eat anything without suffering afterwards and could not sleep at night. We were regular nervous dyspeptics. We tried many remedies without permanent benefit until we heard of Tanlac. I got this medicine and began using it. We noticed immediate results. We are both greatly improved by Tanlac. We give all credit for the change of health to Tanlac. It is a remarkable medicine. I personally feel so good that I told my hands a day or two ago that I could beat any of them shucking corn. I meant it and I believe I could have beat 'em all." Of all the maladies that afflict humanity chronic dyspepsia, such as Mr. and Mrs. White suffered from, is probably the most prevalent and hours might be consumed in prescribing the sufferings, mental and bodily, of the victims of chronic dyspepsia. A morbid, unreal, whimsical and melancholy condition of the mind, aside from the nervous physical suffering, is the usual state of the average dyspeptic and life seems scarcely worth the living. Tanlac, the celebrated medicine, was designed especially for overcoming this distressing condition and millions of people have taken it with the most astonishing and gratifying results. It seems to go straight to the spot, toning up and invigorating every organ of the body.—Adv.
