DAVENPORT ORDERS BUFFALO CARCASS

Hood River folk will have an opportunity of serving genuine North American bison for the 1921 Christmas dinner. A. H. Leonard, sales manager for the "Scotty" Philip Buffalo Herd, of Fort Pierre, S. D., Thursday sold to A. F. Davenport a buffalo to be delivered the week before Christmas. Mr. Leonard, a son-in-law of the late Mr. Philip, who developed the herd from 70 selected animals, says that it has become necessary to sell off a part of the bulls annually, in order to make room for the increase. The Philip bison herd now numbers 1,000, and is declared the largest in the world. Mr. Leonard states that the big ranch, with a range of over 20,000 acres, has supplied animals for Yellowstone and Glacier National parks and for the zoos of various cities.
"The study of the buffalo," Mr. Leonard declares, "is an extremely interesting one. In these days of continually grinding divorce courts, society might well pause and consider the fidelity of the bison. Male or female, the buffalo mates but once. Our herds are reared under wild, natural conditions, and we never make an effort to domesticate our animals."
"The buffalo," he declared, "is the king of the storm. He faces the fiercest Dakota blizzard without flinching and survives, while less hardy animals of his kind perish."

Sweet Corn Harvested

The first sweet corn of the season here was harvested last week by Geo. C. Gladden, from his backyard garden. Sweet corn from truck garden patches is not yet on the market. Mr. Gladden's corn was of the Gill's Extra Early variety.

Church Vacation Begins

The services of Riverside Community church Sunday were the last until after the August vacation session. The pastor, Rev. W. H. Boddy, will leave this week for Ocean Park with his family. The choir, under direction of Mrs. C. H. Stetton, and with Miss Sara Howes organist, arranged the following program for Sunday morning:
Organ prelude, "Evensong," Dudley Buck; solo, "My Redeemer and My Lord," Dudley Buck, Mrs. Stetton; offertory, "The Swan," St. Saens; anthem, the short Te Deum, Dudley Buck; postlude, "Marche Romaine," Gounoud.

Trucks Carry Fruits and Melons

Fruits and melons are leaving and arriving over the Highway in Mid-Columbia districts at the present time in large tonnage. Last week a motor truck, loaded with California water-melons, was sent here from Portland by the Pacific Fruit & Produce Co. and the product distributed to grocers. Daily trucks, loaded with The Dalles apricots, pass through here over the Highway en route to Portland.

Cause of Appendicitis

When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.

Abandoned Camp Fire Brings Fine

W. G. Skidmore, Rochester, Wash., man, was assessed a fine of \$5 Friday by Justice of the Peace Onthank on a charge of leaving a camp fire burning near the Highway just west of Cascade Locks. Mr. Skidmore and a son had camped on a small stream. As they were breaking camp Forest Ranger Albert Weisendanger happened by, noting the burning camp fire. The men aided in extinguishing the fire, built near rotten logs, which, it was stated, might have been ignited and caused a forest fire.

Doctor, Lawyer, Banker—

After an automobile accident you may need a doctor, lawyer and a banker.

A doctor to patch up the victim.

A lawyer to attend to his claims.

A banker to furnish you the money to pay the damages.

All these demand money—much more than we ask for a Travelers Automobile Policy, which pays these expenses for you.

HELPFUL HINTS

Let us make some suggestions in behalf of the housewives of Valley homes.

During these days of leisure, when compared with the rush of harvest days just ahead, plan some domestic improvements that will lift the burden from your wife, Mr. Orchardist. Let us install a Fairbanks-Morse engine to put running water in your house and kitchen.

How handy would electric lights be, thus eliminating the drudgery of cleaning lamps. We have an electric system that is just the thing for you.

You'll Save Money By Remodeling Now

You who have been waiting for lower prices before you laid that hardwood floor, renewed those old walls and ceilings, re-roofed the house or barn, or built the garage—this message is directed to you.

Do you know that lumber and building material prices are down forty per cent?

Do you know that you can repair or remodel cheaper than at any time in the past five years?

Do you realize that every day you wait not only inconveniences you but costs you real money?

Building material prices may come down more—we think not—but every day you delay in getting the new garage deprives you of the use of it, and causes you to pay out money for garage rent.

Every day you delay roofing the barn and the home, makes your property more liable to damage from storm. Every day you put off inside repairs the trouble increases and the total expense becomes greater.

Come in today and let us figure your job. Begin getting the benefit now.
