The next meeting of Park Grange will be held at the Oak Grove school house Wednesday evening. The Master requests that as many as possible attend the meeting.

Mr. and Mrs. Roy C. Slocum motored up from Portland Sunday and spent a week here visiting his brother, Geo. I. Slocum, and family, and friends.

Miss Hazel Wieden left last week to resume her studies at the University of Washington. This will be her junior year at that institution of learning.

W. C. Holman, cold storage man of Portland, was here last week visiting growers and announcing that his plant had available a large block of space for handling Hood River apples.

G. W. Watson and Marion Nesbit went to Portland as delegates from Hood River Local No. 17516 to the convention of the American Federation of Labor held there this week.

The lecture to be given at the high school auditorium next Monday evening by Mrs. Linnie Carl will prove of interest to all. Mrs. Carl is a social educator of prominence.

Mrs. Siddle Thomson, of Waverly, Tenn., mother of Joe D. Thomson, and Mrs. H. D. Nichol, Jr., of Paducah, Ky., sister of Mrs. Joe D. Thomson, arrived yesterday, accompanied by Mrs. Daisy Moony.

Mrs. Coburn Allen and children, en route from New York to Everett, Wash., where they will join Mr. Allen, who is in the banking business with W. N. Winter, formerly of this place, are visiting Mr. and Mrs. E. C. Smith.

F. H. Conway will give a stereopticon lecture on world events at the Seventh Day Adventist church, corner of 15th and C streets, next Friday evening at 8 o'clock. The public is cordially invited to attend.

Mr. and Mrs. W. G. Davis, of Indianapolis, have been here visiting their old neighbors and friends, Mr. and Mrs. C. C. Paddock. The visitors declare they have never seen a more beautiful and wonderful valley than the Hood River valley.

Mr. and Mrs. L. G. Morgan attended the state fair at Salem last week, where Mr. Morgan represented Hood River at the fireman's school, which was held during the entire week. Representatives from all over the state were present.

There will be a fire prevention meeting at the high school auditorium Friday evening. State Fire Marshal A. C. Barker and deputy will be present and give talks on fire prevention. There will also be shown a moving picture entitled, "Non-believer Convicted."

Mr. and Mrs. J. L. Carter, of Portland, spent Sunday with their son, Miles Carter, and family, and left Monday for Kennewick, Wash., where Tuesday they attended the golden wedding of Mr. and Mrs. John B. Hayden. Mrs. Hayden is an only sister of Mrs. Car-

ter. Mr. and Mrs. Carter celebrated their golden wedding two years ago. They have four children living and Mr. and Mrs. Hayden have five, each family having lost two.

Seventeen members of the local Camp of R. N. A. journeyed to The Dalles Saturday evening, where they put on the initiatory work for a class of 12. Later a bountiful supper was served after which dancing was indulged in. Returning home at a late hour they voted The Dalles Neighbors splendid entertainers.

Miss Cornelia Marvin, of Salem, state librarian, will talk to the members of the Woman's Club at the club rooms next Wednesday afternoon. Members may bring guests by paying the usual fee, and it is expected that many ladies will avail themselves of the opportunity to hear her. Mrs. H. J. Frederick is chairman of the day.

Mrs. C. J. Calkins and Mrs. Marybeth Crowell will assist with the decorating.

A wire was received at the Hartwig home last week announcing the birth of a 12-pound son to Mr. and Mrs. Edward LeRoy Cosman, of San Luis Obispo, Calif., September 29. With the arrival of the little one, Mrs. Annette Entican, of Los Angeles, now visiting her daughter, Mrs. E. H. Hartwig, becomes the proud great-grandmother of the four generations. The other members being her daughter, Mrs. H. M. Huxley, of Atascadero, Calif., and grand daughter, Mrs. Mildred Huxley Cosman, of San Luis Obispo, all of whom for a number of years were residents of Hood River.

F. B. SNYDER WILL ERECT NEW BUILDING

F. B. Snyder is excavating under his wooden building on Oak street, occupied as the Hood River Plumbing Co., and will put in a new front. He has an interest in both party walls on each side of his building and intends ultimately to connect with a fine building. Present plans, however, contemplate building a new front, this fall, and finishing the building later. This will make a fine improvement in that end of the business street, removing the last wooden building in the block.

The dirt removed in excavating is being used by the city in making the bridge fill at the end of State street, at the approach to the concrete bridge across Hood river.

VETERAN PIONEER ANSWERS SUMMONS

Joseph Frazier, Sr., who has made his home in Hood River for 39 years, died at his home yesterday morning. Mr. Frazier was born on Prince Edward Isle, Nova Scotia, and after four years' service in the Civil war was naturalized by Act of Congress. He was 85 years, nine months and 10 days old at the time of his death.

In addition to his widow Mr. Frazier is survived by six daughters and two sons. He was a charter member of Canby Post, G. A. R., having served as Commander and in other offices. Funeral services will be held at 2 p. m. this afternoon at the Anderson chapel, the G. A. R. participating. Rev. W. P. Kirk, of the Christian and Missionary Alliance, will officiate.

May Pave This Fall

The city is getting estimates on paving the 1100 feet stretch from the end of the Highway paving at the city auto park to connect with the oil-bound macadam road on Cascade avenue. The A. D. Kern Co. will finish paving to Mosier next week, and should good weather. An arrangement should be made to do the job for the city at least cost on account of having the paving plant still in operation at Mosier and all equipment on the ground.

The work will have to be paid for out of the general fund of the city, as the cost would practically confiscate the property adjoining the improvement should it be assessed direct.

New Plumbing Shop

Thos. Fisher has opened a new plumbing shop in the old city hall building, where he will do a general plumbing business, including plumbing, heating and furnace work. The place will be known as the "Old City Hall Plumbing Shop."

Mr. Fisher has been engaged in plumbing work in the city for 13 years, but has been incapacitated for work during most of the past year on account of an injured hand.

AT LOWER PRICES.

FRANK A. CRAM

TUESDAY LUNCH CLUB DISCUSSES HOSPITAL

A community hospital was the subject discussed with great interest by the members of the Tuesday Lunch Club at their meeting this week. The matter came before the club in response to a request by Hugh G. Ball for written statements as to the members' ideas as to Hood River's most urgent need. About nine tenths of the answers were "A community hospital."

HIGH SCHOOL NOTES

The regular weekly assembly was called last Wednesday at 1 o'clock. Mrs. Henney directing the program with the aid of a few of the students. Clifton Emmel, who is the accompanist for the high school orchestra, played "Polish Dance." Janet Slade played "Persian Lullaby." Miss Besie Staten sang, "The Old Fashioned Garden." The boys' glee club sang, "Moonlight," and the girls' chorus sang, "Fresh Love Song." Mrs. Henney will have a program at each assembly during the remainder of the year.

Following the program Mr. Conkle apologized to the school for his statement which he made just before the game between Franklin high, of Portland, and our team in which he said he didn't think the local team had a show to win against the Franklin team because they were so much heavier. Coach Fleishman warned the team and the school not to get overconfident because of the first game. He said the football squad was not coming out to practice as they had been, that they must still get down in the dirt and work, that it was the practice and hard knocks that you get when there is no one out to yell for you that show you up in the big games. Maurice Kinsey, treasurer of the student body, announced that the contest for student body dues closed Monday, the seniors at the top with 100 per cent. The juniors made 82.3 per cent, while the sophomores had 75.5 per cent. The freshmen were last with 68 per cent.

As a reward to the winners the seniors will have the honor of giving the first party on Halloween, and the juniors will give the Christmas party. The dates for the other parties have not been determined.

Friday afternoon at 4 o'clock the junior and senior classes competed in the first class football game of the season. In the first quarter the score stood 7 to 0 in the seniors' favor. In the second quarter Jack Cram, the smallest man and a sophomore on the junior team, made the only touchdown for the juniors by running 30 yards after recovering a fumble. The seniors made their other score in the last quarter, thus beating the juniors 13 to 6. Coach Fleishman has adopted the plan of letting the men on the field. This aids in distinguishing the men and in noting the different plays.

The junior class has selected the design for the class rings and pins. The order has been placed with the local dealer, W. F. Laraway.

Last Friday evening Miss Mabel Fagaly entertained a few of her girl friends at the home of Mr. and Mrs. Tom Waldie. Games and dancing were the main forms of diversion. A feature of the evening was a vocal solo by Miss Dorothy Rand. Later in the evening dainty refreshments were served by the hostesses, assisted by Mrs. Waldie. The guests were: Burtene Woodard, Dorothy Rand, Livona Peterson, Mellic Hicks, Beulah King, Olive Barney, Dorothy Frey, Viola Colvin, Margaret Blag, Avis Saling, Mildred Sherrieb and Alice Pifer.

Last Saturday Principal Kizer assisted Mr. Fleishman in picking apples. They haven't said how many boxes they picked.

Miss Baker, Miss Hunter and friends took an interesting trip on the big boat during the week end. They left Hood River at 8 o'clock and met a party of Washington high teachers at the Wahkeena trail. They followed this trail for two miles where it meets the Multnomah Falls trail. The falls trail brought them right up to the edge of the falls where they could look down on the thundering water below them. From here they took the Perdition trail which Miss Baker says is very true to its name, as at any time while on this trail one can look down thousands of feet. From here they took the Wahkeena trail back to the highway and had dinner at Wahkeena park. They got back to Hood River at 5 o'clock.

Superintendent Cannon and Principal Conkle and a few other teachers are planning to take in the game next Saturday between Hill Military Academy, of Portland, and the high school team which will be played in Portland.

Lewis Eastman, who was a junior in the high school, is leaving town.

Miss Eva Lambert, who was a freshman, has stopped school and will leave soon for Arizona.

Geroina Evangelista, also a freshman, has dropped school.

Besides these absences, about 12 students are temporarily out of school for apple picking.

Miss Grace Smith and Mrs. Belle Henney of the high school spent the week end in Portland.

Miss Andersen, a member of the junior high faculty, made a trip to Vancouver over the week end to visit her parents. She was accompanied by Miss Lila Prather.

Saturday Superintendent Cannon had the teachers' rest room and one vacant class room at Park Street school fitted up with furniture from the old junior high building. The room at the school which had been in the Baptist church were moved to Park Street. This was done to cut down expenses, making a saving of about \$100 a month.

We have a full stock California clamp warehouse trucks. Call and see them or phone us for prices. Ideal Fruit & Nursery Co., phone 5832. s21f

PORTLAND MAN HURT IN ACCIDENT

W. C. Sear, of Portland, accompanied by his wife, son, daughter-in-law and a Miss Brown, of Portland, was painfully bruised Sunday morning when the big Cadillac touring car in which the party was seeing the valley overtook near the Mason place on the East Side. The car turned entirely over, as it rolled down an embankment. Mr. Sear was caught beneath the car and held for 15 minutes before help arrived to lift the heavy burden from him. Gasoline leaking from the tank covered him and this resulted in bad burns. He was rushed to the Cottage hospital but was able to return to Portland Monday.

Other members of the party sustained minor bruises and scratches. It is thought that Mr. Sear allowed the car to go over the grade while looking at the laden apple trees lining the road.

Law Enforcement Conference

Next Monday afternoon and evening there will be a law enforcement conference under the auspices of the Anti-Saloon League. The sessions will be held in Riverside church.

The chief speaker will be Capt. F. B. Ebbert, of Washington, D. C. Captain Ebbert is one of the men who has guided the fight in congress against the liquor traffic. He is a speaker of great power. Everywhere the saloon people have recognized him as a most astute foe.

The liquor problem is vital today. Carelessness in regard to prohibition is breeding lawlessness throughout our whole civic life. People who believe in a clean community should attend these meetings.

Insist on genuine Ford parts when having your car repaired. Dickson-Marsh Motor Co. s25f
