

Buy a pipe—  
and some P.A.  
Get the joy that's due you!

We print it right here that if you don't know the "feel" and the friendship of a joy's jimmy pipe—GO GET ONE! And—get some Prince Albert and hang a howdy-do on the big smoke-gong!

For, Prince Albert's quality—flavor—coolness—fragrance—is in a class of its own! You never tasted such tobacco! Why—figure out what it alone means to your tongue and temper when we tell you that Prince Albert can't bite, can't parch! Our exclusive patented process fixes that!

Prince Albert is a revelation in a makin's cigarette! My, but how that delightful flavor makes a dent! And, how it does answer that hankering! Prince Albert rolls easy and stays put because it is crimped cut. And, say—oh, go on and get the papers or a pipe! Do it right now!

Prince Albert is sold in tippy red bags, tidy red tins, handsome prisms and half pound tin humidors and in the pound crystal glass humidors with sponge moistener top.

**LOCAL FOOTBALL TEAM SUCCESSFUL**

The Hood River high school football team, which will meet The Dalles high school team at that city Armistice day, the event being a feature of the joint celebration to be staged by Hood River and The Dalles posts of the American Legion, has been defeated in but one game this year. Vancouver, Wash., defeated the locals 53 to 6. The Hood River team, however, was crippled, three star men having been laid off as a disciplinary measure.

Friday afternoon the local team defeated Gresham high school on Gibson field by a score of 14 to 6. Friday's game was ragged on the part of both teams. Hood River was not up to standard, making numerous fumbles. When they did stick to the ball, however, they displayed better teamwork than the visitors. In the first five minutes of play Johnson bucked through the line for a long plunge and a touchdown. Sletton and Clifford Green made the second touchdown for the locals with a forward pass in the last quarter.

Other Hood River games have resulted as follows: Franklin high school 12, Hood River 12; Hill Military Academy 7, Hood River 12; Goldendale 7, Hood River 30. Thanksgiving day the local team will play James John of Lincoln high school of Portland here. Friday, November 18, the local men will journey to Estacada to play the high school stars. The second team of Hood River was defeated by a score of 28 to 0 by the Stevenson, Wash. high school first team. In case The Dalles defeats Hood River, the Stevenson school may demand a game with the first team here.

**APPLE PACKING CHAMP WILL BE DETERMINED**

The apple packing championship of the United States, perhaps of the world, will be decided at the Pacific Northwest Fruit exposition, to be held in Seattle, November 21 to 26. It is true that the exposition management can scarcely expect entries for this contest from any great distances; but since Pacific Northwest apple growers pay more attention to fast and careful packing than is paid anywhere else on earth it is safe to say that the champion packer of this region may claim national and international honors.

The apple packing contest will be open to all who come and will be conducted under rules that will permit any experienced packer to participate. It is scheduled on the fruit exposition program for 2 o'clock on the afternoon of Wednesday, November 23, with a first prize of \$75; second prize of \$50, and third prize of \$25. Each contestant is to pack eight boxes. The apples will be in bins. Empty boxes will be placed to suit the convenience of the contestants before the contest begins. Each contestant is to line the boxes, size, wrap and pack the apples, and remove the boxes from the bench to the rolls. The scoring will be as follows: Speed, 20 points; sizing, 20; bulge, 20; wrap, 20; tightness, 20. Should more contestants appear than can be accommodated at one time on the stage of the exposition auditorium, the contests will be continued until every entrant has had a chance. Any contestant failing to pack the required eight boxes within 40 minutes will be disqualified.

**Oregon Homecoming Week**

Hundreds of alumni from all parts of the state are expected in Eugene November 19 to attend the annual University of Oregon Homecoming, of which the Oregon-O. A. C. football classic for the state championship will be the principal feature. Special rates to Eugene have been offered on all railroad lines leading to Eugene for that date, which is expected to prove an additional inducement to graduates and former students to return to the school they once attended.

The program which has been arranged for the Oregon Homecoming covers three days. Friday night is the big Homecoming rally, in which two thousand students, and hundreds of mechanical noise-makers take part. The rally is to wind up at the moonster Frosh bonfire to be erected on historic Kincaid field.

Saturday morning the alumni will be shown over the campus by student committees, while informal parties will be given by several organizations. At noon, a big campus luncheon is to be given for all alumni, guests and students, which will be followed by the Oregon O. A. C. game. The annual cross-country meet between Oregon and O. A. C. will finish in front of the grand stand on Hayward field just before the start of the game.

In the evening the big Homecoming dance will be held. Due to the number of visitors expected this year, the dance will be divided, the alumni and upper classmen dancing in the new Women's building, while the lowerclassmen and other guests dance in the Armory downtown. Sunday informal gatherings will be held at all living organizations and a special valet service will be held in the afternoon.

**Benson Offers Homesites**

S. Benson, owner of the Columbia Gorge Hotel, in order to stimulate the construction of homes along the Columbia River Highway in the vicinity of the fine tourist hostelry, has announced that he will subdivide a portion of the acreage acquired when he purchased the hotel site. Mr. Benson is offering his scenic property at \$250 per acre. It will be required, however, that each plot must be utilized as the site for a modern home. To stimulate interest in new home building along the gorge, Mr. Benson offers an acre free to the first man who will agree to erect a \$10,000 residence thereon.

One of the reasons for Mr. Benson's activity in subdividing his property for homesites has come, it is said, from the tendency of owners of adjoining property to place alleged exorbitant prices on their land.

**Lolo Pass Action Declared Premature**

W. R. Winans, who recently circulated among Portland business men a petition urging that the Portland Water Board withdraw its objection to construction of the Lolo Pass road through the Oregon National Forest from Lost Lake to intersect the Mount Hood Loop Highway, says that action of the water board, in adopting a resolution confirming their original disinclination to sanction the road, is premature.

"The Portland Water Board in its resolution assumes that our petition has already been presented," says Mr. Winans. "But this is not the case. When we actually present it, and the water board has opportunity to see the strength of it, we believe they will sit up and take notice."

**LONDON AFTER APPLE PHOTOGRAPHS**

The popularity of the Hood River Yellow Newtown apple in England has resulted in the London Graphic seeking data and photographs for an article on the fruit. C. C. Crew, secretary of the Commercial club, has received from the Graphic a request for photographs depicting all phases of apple culture. The publication announces that it plans on carrying a comprehensive story of the Oregon apple industry.

Mr. Crew says that he also has various calls for pictures, descriptive of all phases of valley agricultural and horticultural life. He asks that any one with good, clear views, bring them in to him at once and thus help to advertise the district.

**Change in Tax on Dances**

An important change has just been made by the Bureau of Internal Revenue in the regulations concerning the tax on admission to dances.

The regulations heretofore have held that where the admission for men was \$1 and women were admitted free, \$1 was the established price of admission and women who were admitted free were required to pay 10 cents tax the same as men. Where the admission price for men was 50 cents and for women 25 cents, it was held that the tax on both men and women was 5 cents.

By the ruling dated October 22, it is now held that women are not admitted to a dance under the same circumstances as men, and that, therefore, in the case of free admission of women to a dance where a charge is made for admission of men, such free admission shall not be taxable. Where men are charged 50 cents and women 25 cents admission, the tax on men will be 5 cents and on women 3 cents.

**Own Your Own Home in Hood River**

Everyone who has been around acknowledges that homes are being offered at lower prices in Hood River than in any other good town in the Northwest.

\$1200 down and very small monthly payments for a good six-room house and six lots on Cascade avenue. Total price much less than worth of the house alone.

Six room house and barn on the Heights on corner lot for \$1000. \$400 down and balance on easy payments.

Dandy buy in nine-room house in very best residence part of town. The place is in excellent condition and can be bought for \$2700, half cash. A real bargain.

The Von der Ahe residence on Columbia. One of the nicest homes in town. Price reasonable.

Very comfortable home on the Heights with half block of ground. Great variety of fruit, plenty of garden space and chicken runs. Priced at about what the land alone should bring.

Let me show you some of these.
