**CITY CONSTRUCTING**  
**\$20,000 RESERVOIR**

A crew of 12 men, working on force account in charge of City Water Superintendent Price, is engaged in the construction of a concrete reservoir, 82 by 94 feet and 16 feet deep. The reservoir will give the city an additional storage capacity of about 1,000,000 gallons and will supply plenty of water for fire fighting in the lower city. The new pool is being constructed on Chautauqua park immediately below an old reservoir, which has a capacity of approximately only 225,000 gallons. The old basin will still be utilized.

The new reservoir will enable the municipal water system, which has been hampered the past several years during heavy seasons of irrigation during the summer months, to supply vacant lot gardeners with all the water needed and yet not deplete the storage for fire fighting. The reservoir, the bases of which are reinforced with cantilever braces, will cost an approximate \$20,000.

**Tunnel Work is Progressing**

Crews of the Young-McDonald Co., engaged in concreting a 400-foot O.-W. R. & N. tunnel between here and Mosier, expect to complete the task by May 15. The work will cost an approximate \$60,000. Delays have been experienced as result of the shattered condition of the roof and sides of the rock bore, the timbered shoring of which burned out last summer. The fire from the heavy, pitch-laden timbers reached a furnace-like intensity and the rocks were cracked to a great depth.

Traffic has been maintained by a shoe-fly track around the promontory pierced by the tunnel.

**Winans Bridge to be Built**

Following an appeal of J. H. Frederick, E. O. Blanchard and A. I. Mason, the county court decided last week to proceed with construction of a bridge over the east fork of Hood river, replacing an old wooden structure built in 1912. At the annual budget meeting in December \$5,000 was appropriated for the new bridge. A delegation of Deo citizens recently protested the bridge, asking that the funds be spent on constructing a new road from Deo Flat into the west fork section around the Devil's Punch Bowl.

The old bridge, which won statewide fame in 1912 because the span over the canyon was set at angles to the approaches, resulted in a successful recall fight against members of the county court at the time.

**Indigestion and Constipation**

"Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate agreed with me and I lost flesh and ran down in health. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Stroup, Solway, N. Y.

**MR. COPPLE RECALLS**  
**BATTLE OF SHILOH**

Three men of Hood River, Simon Copple, S. F. Blythe and Jonathan Johnson 62, years ago, on a Sunday morning, April 6, 1862, participated in the battle of Shiloh at the southern edge of west Tennessee. Mr. Copple, recalling the incident last week said: "It was 60 years ago, but I remember it as vividly as if it were last week. It was murky, misty weather, and the night wind had been warm. I arose at daybreak that Sunday morning and with my towel in hand was on the way down to a little stream to wash my face, when the sound of the first rifle fire reached my ears. I had been sick and was already weak from the illness, but I turned out with my company and fought throughout the day without food."

Mr. Copple's regiment was in the thick of the great battle. So great was its loss of men that memorable Sunday, that orders were issued from General Grant himself that the regiment should not be called on for further duty.

**Mrs. Juliet A. Mayberry**

Miss Juliet Fremont was born in Georgia September 9, 1850. In 1868, while in Tennessee, she met Mr. Mayberry. Of this union were born five boys and four girls. Two of the children, one boy and one girl, died in infancy. The family came from the east to Hood River in 1908. Mr. Mayberry died in 1910, and Mrs. Mayberry moved to Portland in 1911.

Mrs. Juliet A. Mayberry was converted, when quite young, in Tennessee. She became and remained a member of the Baptist church in Hood River until she moved to Portland. She died Saturday, April 1, at 10:30 a. m., at the age of 71 years, 6 months and 22 days. She leaves to mourn her departure and remember her, four sons and three daughters and many friends.

**Charles Johnson, Prom Manager**

Charles Johnson, son of Sheriff and Mrs. Thomas F. Johnson, according to word reaching here, has been named manager of the Oregon Agricultural College Junior Prom, which will be held May 13 as a feature of Junior week end. Mr. Johnson, a football star at the local high school, who has been on the O. A. C. squad the past two years, is a member of the Kappa Sigma fraternity. He will graduate next spring.

This position is considered quite an honor, as the Prom is one of the big events of the college year.

No. 1178  
**Summons by Publication**

In the Circuit Court of the State of Oregon for the County of Hood River.

Charles J. Mory, Plaintiff, vs. H. Montague Sidney, Beulah V. Wadhams, W. J. Wadhams, (first and real name unknown) and E. E. Malcolm, administrators of the Estate of Mary Judson Sidney, Deceased, Defendants.

To H. Montague Sidney, Beulah V. Wadhams and W. J. Wadhams, (first and real name unknown), impleaded with the other defendants above named:

In the name of the State of Oregon: You, and each of you, are hereby notified to appear, to answer and answer the complaint filed against you in the above entitled suit and court on or before April 15, 1922; and if you fail to so appear and answer, for want thereof, the plaintiff will apply to the above entitled court for the relief prayed for in his complaint on file therein, which relief is briefly as follows, to-wit:

For a decree reforming and correcting the description of land contained in that certain mortgage made and executed by H. Montague Sidney to the plaintiff, dated August 10, 1921, for \$5,000, filed with the County Clerk of Hood River County, Oregon, September 17th, 1921, and recorded in Volume 15 of Mortgages on page 57, so that the description therein shall read as follows, to-wit:

"The Northeast Quarter (NE 1/4) of the Southeast Quarter (SE 1/4) of Section 31, and the Northwest Quarter (NW 1/4) of Section Thirty-Two (32), Township Two (2) North, Range Meridian (1), East of the Willamette Meridian."

For judgment against the defendants H. Montague Sidney and Beulah V. Wadhams for the sum of \$5,000.00, with interest thereon at the rate of 8 per cent per annum from August 10, 1921; together with the sum of \$547.22, with interest thereon at the rate of 8 per cent per annum since February 16, 1922; and for the further sum of \$273.60 as an attorney's fee and for the costs and disbursements of this suit.

That the mortgage above described, as so reformed and corrected, may be established and declared to be a first lien upon the real property therein described, according to the reformed description, to secure the payment of the said judgment so obtained; and that said mortgage may be foreclosed and the said real property sold according to law and the practice of the court, to satisfy said judgment, and the proceeds of said sale be applied to the payment of the expenses of said sale and plaintiff's said judgment. That if the amount of money resulting from said sale and paid to the plaintiff shall not be sufficient to satisfy the said judgment in full, that the plaintiff may have a further judgment for any such deficiency against the defendants H. Montague Sidney and Beulah V. Wadhams, and each of them.

That the defendants, and each of them, and all persons claiming by, through or under them, subsequent to the execution of plaintiff's said mortgage, may be barred and forever foreclosed of all right, claim or equity of redemption in or to said mortgaged premises, except as preserved to them by statute.

That a receiver may be appointed by the Court to take possession of the mortgaged premises and preserve the same, and the crops, rents and profits accruing therefrom, during the pendency of this suit.

And plaintiff prays for other proper equitable relief.

You are served with this summons pursuant to the order of the Honorable Fred W. Wilson, Circuit Judge, made and entered February 23, 1922, which order prescribed that you shall appear and answer said complaint on or before April 15, 1922, and that you be served with this summons by publication thereof in the "Hood River Glacier," a weekly newspaper published at Hood River, Oregon, at least once a week for six (6) consecutive weeks; and you are further notified that the date of the first publication of this summons is March 2, 1922.

**UNDERWOOD BERRIES**  
**BLOOMING SAYS THUN**

Louis Thun, Underwood strawberry grower and orchardist, here on business last week, declares that the blossoming season will be later this year than ever before experienced by growers of that section. Strawberries, however, will be considerably earlier there than in Hood River valley, because of the southern exposure of the Washington section. Already, Mr. Thun says, a few isolated berry blooms are beginning to show.

"The folk of our district," says Mr. Thun, who is a member of the Skamania county board of commissioners, "are elated over action of the State Highway Commission to start work on the Major Creek highway project."

**GRANGE STORE WAS**  
**LAUNCHED SATURDAY**

The Grange Cooperative Store was launched Saturday. The new mercantile establishment, located in the corner brick building leased for two years from L. N. Blowers did a good business on its first day. Stock has been subscribed by Grange members in various parts of the county. The store will be operated on a cash and carry basis.

N. H. MacMillan, who the past four years has operated a grocery store on the Heights, has been made manager of the new store.

**Nursery Stock Prices Fair**

Two seasons ago the Country Gentleman predicted the then prevailing high prices on nursery stock to show no decline until 1923. The reason given by the editor was the lack of seedlings which all large American nurseries imported from France, which source was cut off by the world war, and that France would not recover this trade until 1923. In the meantime the American nurseries have formed a co-operative organization, not for maintaining high prices but for better stock and reasonable prices.

Now no nursery can retain its membership in this organization and fail to provide high grade stock and deal honorably in the nursery business and maintain equitable prices, eliminating price slashing and cut-throat methods. Insurance, real estate business and nursery business is now under state control, all under license and bonds, splitting commissions and price slashing are made unlawful. Price slashing will always mean inferior product.

Representatives of nurseries hold annual conventions and sift out the great question of supply and demand and go thence to the business of just dealing and as well for the interest of growers. Fair prices for nurseryman and grower will not grow stock in excess of the demand. J. B. Lister.

**Your bathroom**  
and  
**your health**

Every fixture bearing the name "Maddock" is designed to do more in protecting your family's health than all the prophylactics that could be stored in your medicine cabinet.

Maddock lavatories are provided with a patented cleansing feature which makes it easy to keep the overflow clean and sanitary. Maddock closets have extra large water surface, which insures the utmost in non-soiling sanitation. Maddock bathtubs are made in the latest designs and of a construction which is germ-proof and easy to clean.

Let us give you estimates for a complete bathroom equipment of this character. Or, we will gladly give figures for any single unit. A request for this information will not obligate you.

**A Joyous Easter**

We wish it for all of our friends. Easter is a day when the housewife, in celebration of the ending of the Lenten season, likes to prepare her table with as great a glory of silver and cut-glass service as is available.

We suggest to husbands and fathers that a little present from our showcases and shelves will go far toward adding to the pleasures of Easter for the whole family.
