Yet weather conditions were such that the refur-Sincere determination of such an organization to eliminate some of the bishing of lawns and backyards was mistletoe intermediaries in the fruit not as spontaneous and complete as it and produce business may result in should have been. Much work still remore money in the pockets of growers mains to be done. It behooves every householder to make his home prop and cheaper apples for the consumers.

CLEAN UP

active all the time.

THE GOLF COURSE

Hood River citizens seem inoculated with golfing enthusiasm to the extent that a course is assured here. With the healthy nucleus of players already at hand, Hood River golfing is assured. Indeed, with Portland folk taking an intense interest in local golf affairs, opportunities for the development of the local course are unlimited.

Golfing, from a general observation The proposal that the city of the game, is something like the tocounty authorities get together and bacco habit. Youths start to amoking, arrange for a use of the city hall not because they have any keen relish assembly room for sessions of jury for a first indulgence in the solace of "Milady Nicotine," but because they trials of circuit court is a common sense move. It should have the ensee others wielding pipe, cigarette or dosement of all good citizens. Let us cigar. It seems a custom that marks hope that it is pushed along to a sucadult manhood. A few tastes of the cessful issue, and that the proposed weed bring about a desire to smoke arrangements will be made before anand thus the custom gains recruits other jury session of court. rapidly. Golfing seems a tame game to the uninitiated. But men see others
