B. & P. W. C. STATE MEETING SUCCESSFUL

The annual meeting of the state federation of the Business and Professional Women's Clubs in Portland last week was very successful, according to Mrs. Susie I. Lynn, delegate of the local club. The delegates took lunch at the Seward Hotel grill with the Women's Ad Club. A further report is given by Mrs. Lynn as follows: "Routine work was transacted, such as reports of officers and committees. Plans are already being made for entertaining the National Federation of Business and Professional Women's Clubs in 1923. The delegates to the Chattanooga convention expect to bring the next convention to Portland. The following officers and directors were unanimously elected: State president, Miss Adella Pritchard, Portland; first vice president, Mrs. Glendora Thompson, Portland; second vice president, Miss Cornelia Marvin, Salem; corresponding secretary, Miss Margaret Fleming, Portland; recording secretary, Miss Lottie Calk, Portland; treasurer, Miss Vivian Cooley, Portland. Directors: Mrs. Bessie Anderson, well, Miss Louise Hacker, Portland; Miss Mae Davidson, Hood River; Miss Ellen Rudnas, Marshfield, Mrs. Susie Lynn, Hood River.

"Mrs. G. J. Frankel, retiring state president, was given an ovation, her term of office having been very harmonious and very successful. "At 6:30 Wednesday evening the Business and Professional Women's Club and their friends had dinner in the Chamber of Commerce rooms. Guest of honor was Miss Lota Kelly, of New Mexico, vice president of the National Federation of Business and Professional Women, who gave a very interesting talk on "The Six Is," industry, integrity, intelligence, initiative, inspiration, intensity. She is a very forceful speaker and one who doesn't tire her audience. "Mrs. Ann S. Richardson, assistant editor of the Woman's Home Companion, was also present and gave a short talk. She is surely a wonderful woman and is enthusiastic about the Northwest. It is her first trip to the Northwest and she expressed enthusiastic admiration over the Columbia River Highway. "Both women were presented with lots of roses and, of course, they were wonderful to them."

DAN WUILLE AVERAGE, \$1.452 PER BOX

Walter Woolpert, of Dan Wuille & Co., states that final returns have been made to growers, the general average on 300,000 boxes of apples handled from various Oregon and Washington districts reaching \$1.452. About 45 per cent of the apples were exported to England, the export average reaching \$1.55. The export Newtowns were on sizes ranging from 138 to 252, while the red varieties exported were 176 and 252. The general average received on export Newtowns ranged from 125 to 252 was \$1.624 per box. Mr. Woolpert says that the apples from the Hood River and White districts brought growers better money than those of other districts.

Mr. Woolpert will leave this week for eastern commercial centers to make a personal survey of conditions. He will also visit various eastern distributing points and endeavor to instill interest among buyers in the Seattle convention of the International Apple Shippers Association to be held in late July.

NEW DELICATESSEN TO OPEN THIS WEEK

The Laurnell Cash Market and Delicatessen will open here this week, the first delicatessen store ever established in the city. The store will occupy a remodelled building on Oak street opposite the First National Bank. A new ice machine has been installed and the place equipped with all the most modern counters and shelves for display of delicatessen ware.

The new place will be managed by Herman M. Saling, native of Weston and son-in-law of Mrs. M. P. Isenberg, pioneer of the valley. Mr. Saling is an experienced meat market man. He started in raising cattle. For a number of years he was engaged as a buyer for Swift & Co. He has had experience in large packing plants and in the retail business.

Golf Course Survey On
Hood River golf tyros will soon be pairing for their first experience on the new links to be constructed on the 150-acre Oak Grove ranch place of Herman Fregge, purchased by the Hood River Golf Club. The first course will be of minor holes. A contour survey of the ranch now under way by E. E. Newell will provide for the construction of 18 holes, and later the other nine holes will be developed.

The location of the golf course has attracted much attention of apple blossom visitors here the past month. The grounds are declared ideal for the development of fine links. H. Chandler Egan, of Medford, ex-champion, has charge of laying out the course.

Mr. and Mrs. Munroe to Visit Europe
Mr. and Mrs. William Munroe will leave next Monday for Washington, D. C., where they will spend a few days before proceeding to New York City, where on June 17 they will sail aboard the steamer Libani for Europe for a three months' vacation. Mrs. Munroe is retiring president of the Woman's Club and prominent in valley grange and club circles.

Mr. and Mrs. Munroe will visit England and Scotland. They will spend some time at the childhood home of Mrs. Munroe in Germany near the Swiss border. They will visit portions of Switzerland and other European points before returning.

CARL J. BERRY, VETERAN, BURIED SUNDAY

Hood River folk Sunday crowded Riverside Community church to pay their last respects to Carl J. Berry, son of Mr. and Mrs. A. H. Berry and Canadian great war veteran, who died Friday night from tuberculosis contracted while in service. Rev. Boddy officiated. The bier and altar were banked high with floral tributes.

Full military rites were accorded the Canadian veteran by Hood River American Legion. Members of the Legion and Company C formed a uniformed escort for the motor van which bore the body to Idlewild cemetery for interment. The Knights of Pythias had accompanied the funeral cortege. Songs were rendered by the Riverside choir and a solo was sung by James Fenimore, Canadian comrade of Mr. Berry.

Mr. Berry, who was 30 years old, served as a lieutenant with the Royal Flying Corps. He was married shortly after the war to a Moosejaw, Sask., girl. His widow and an 18-months old son, Carl J. Jr., survive as do two sisters, Miss Marie and Mrs. Neal Nunamaker, and a brother, Arnold Berry.

Morrison May Locate Here
George Y. Morrison, accompanied by Mrs. Morrison, has just arrived from Casper, Wyo., by automobile. He states that he found the roads of Oregon excellent as compared with those of other sections en route. The only bad roads of this state, Mr. Morrison stated, are over the Blue Mountains. They are indeed bad there.

Mr. Morrison, an old friend of S. J. Moore, contemplates locating in Hood River. In 1915 Mr. Morrison was a passenger in one of the balloons participating in a Rose Festival race.

Notice of Bond Sale
Pursuant to the order of the Common Council and the provisions of Ordinance No. 629 of the City of Hood River, passed by the Common Council May 16, 1922, and approved by the Mayor May 18, 1922, notice is hereby given that sealed proposals will be received by the undersigned City Recorder at his office in the City of Hood River, Oregon, up to 3 o'clock p. m. on June 5, 1922, for the sale of Four (4) improvement bonds aggregating the sum of \$1,510.44.

Division No. 3, General Sewer District No. 2, Ordinance 629. Date of Bonds March 11, 1922. The above bonds are issued by authority of statutes of the State of Oregon under the Bancroft Bonding Act due ten years after date, or at any semi-annual interest paying period at or after 1 year from date, upon giving due notice as required by law. Said bonds will draw interest at rate of 6 per cent per annum from date of bond, interest payable semi-annually at the office of the Treasurer of the City of Hood River, and will be sold to the highest responsible bidder therefor for cash, and no bid will be considered for less than par and accrued interest, the Council reserving the right to reject any and all bids. All bids received subject to the right of the bidder to examine into the regularity of the issue of said bonds.

This notice is published in the Hood River Glacier for two consecutive issues thereof, the date of the first publication being May 25, 1922. H. L. Howe, City Recorder. m25j1

NOTICE TO CONTRACTORS
Highway Construction, Hood River County, Oregon
Sealed bids will be received by the County Court of Hood River County, Oregon, at the Court House in the City of Hood River, Hood River County, Oregon, at 10 o'clock a. m., on the 7th day of June, 1922, for construction work on a section of road beginning at the City limits on 12th Street and running south. The work involves approximately 1/2 mile of concrete pavement, 16 feet wide, excepting 350 feet 20 feet wide over Indian Creek fill, and approximately 860 cu. yards dirt grading.

No bid will be considered unless accompanied by cash, bidder's bond or certified check for an amount equal to at least five per cent of the total amount of the bid. A corporate surety bond will be required for the faithful performance of the contract in a sum equal to one-half of the total amount of the bid. Plans, specifications, forms of contract, proposal blanks (same as used by the State) and full information for bidders may be obtained at the office of County Clerk, Hood River, Oregon, where on June 17 they will sail aboard the steamer Libani for Europe for a three months' vacation. More mileage—the result of complete vaporization

It isn't gasoline that explodes in the cylinder of your car and makes power. It's gas—air, mixed in the carburetor with gasoline to form vapor.

Red Crown gasoline vaporizes completely. It forms a homogeneous mixture with 12 to 16 times its volume of air. That mixture explodes cleanly and powerfully, leaving comparatively little carbon residue on valves, spark plugs and cylinder walls.

That's why you get better mileage out of "Red Crown"—and a cleaner, sweeter-running engine. Fill at the Red Crown sign—at Standard Oil Service Stations, at garages and at other dealers.

Gas Engine Surgeons

Machinery, as well as men, grow old and wear out. Man, when he feels himself slipping, seeks aid of his doctor or surgeon. The automobile owner goes to his machinist. The gland specialist renews the youth of men. We will give new youth to your motor by reboring its cylinders.

And why stop with your automobile engine. The cylinders of your spray engine, indeed, of any kind of a gasoline engine, will respond with renewed vigor if you will have the cylinders attended to.
