**BOYS' CHORUS TO
SING HERE SOON**

The Boys' Chorus of the Pilgrim Congregational church, of Portland, who plan on coming here to participate in the strawberry harvest of the valley, will give a concert at the Rialto or Liberty theatre in mid-June. The musical organization, which has won fame for its songs in and around Portland, will sing in the benefit of the fund of the recreational committee of the Riverside Community church. This organization last summer won statewide prominence for its work in developing a boys' camp on the place of Leslie Butler south of the city. A club house was built and a swimming pool constructed. Mr. Butler donated the use of a wooded acreage for the boys.

WOMAN'S CLUB NEWS

Officers of the Woman's Club were installed for the ensuing year Wednesday of last week as follows: Mrs. J. E. Ferguson, president; Miss May Davidson, first vice president; Mrs. F. A. Olmsted, second vice president; Mrs. H. G. Ball, recording secretary; Mrs. E. O. Blanchard, corresponding secretary, and Mrs. W. H. Chipping, treasurer.

Mrs. Ferguson has been a leader in Oregon club women's circles for many years. She was formerly president of the Astoria Woman's Club.

The report of the retiring president of the Woman's Club, Mrs. William Munroe, shows that the organization has had a very successful year. Eighteen new members have been added.

The philanthropic committee, Mrs. Munroe stated, has responded to every local call and has dispatched supplies to the Albion Kerr Nursery, of Portland. The welfare committee has collaborated with the philanthropic committee in caring for needy children and unprotected girls.

Mrs. Munroe stated that one of the most brilliant events of the club's program the past year was a luncheon at the Columbia Gorge Hotel to further its health department. Two hundred women of the valley were in attendance.

The civic committee had charge of the city's clean up week which was very effective. The scholarship loan committee raised \$144 from an amateur theatrical performance. The home economics committee presented the domestic science department of the high school and an exhibit of their work. The music department has been active throughout the year. Out of town club women of prominence who have visited here during the year include: Miss Cornelia Marvin, state librarian; Mrs. Lee Davenport, Mrs. Sadie Orr Dunbar and Mrs. Alexander Thompson.

Chairmen of committees for the year have been: Child Welfare, Mrs. L. M. Bentley; Civic, Mrs. C. H. Jenkins; Philanthropic, Mrs. F. C. Witterberg; Calendar, Mrs. F. A. Cram; Social, Mrs. A. S. Keir; Music, Mrs. C. O. Huelat; Education, Mrs. P. L. Manser; Emergency, Mrs. L. L. Murphy; Legislative, Mrs. W. J. Knight; Home Economics, Mrs. H. McClinton; Property, Mrs. B. F. Shoemaker; Press, Mrs. H. G. Ball, and Decorating, Mrs. E. H. Hartwig.

The final meeting of the club for this season will be held on June 1, when the president and delegates to the Tillamook convention will report.

Much Construction Under Way

While no large construction work is under way in the city or valley this summer, the aggregate of many small new homes, apple houses, alterations and remodeling jobs will keep local contractors, carpenters and the district's skilled labor busy for the season. Twelve small new homes and apple houses are now under way in the city and different parts of the valley. The Park Grange, the membership of which is the largest of the state, has projected construction of a new hall on the West Side, having purchased a wooded site near Rockford store. Many orchardists are erecting barns or apple packing plants.

Lost Lake Work Begun

W. A. Langille has established a camp near the D. I. Stone ranch place on the Upper West Fork and is making preparations for cutting a new grade of the Lost Lake Highway between the border of the Oregon National Forest and De. The county has agreed to match \$4,000 of funds made available by the United States Forestry Service. The work on the new grade will begin this week, when 20 men will be at work.

Freight Rate Cut

The Commercial Club has been notified by the Public Service Commission of a reduction on the freight rate of forest products, including lumber box and crate shooks, from Bend to Hood River. The new tariff of the O.-W. R. & N. line will be effective, according to the notice of the commission, on June 15. A new commodity rate on shooks is established, and the rate on lumber is lowered approximately 2 1/2 cents per 100 pounds.

The Home of the Soul
In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.
