Record Auto Run

It is believed that G. A. Morrison of Porton, Ill., who is well known with his family for a visit with the family of his sister, Mrs. J. H. Fletcher, has just completed a record trip here from the middle west. Mr. Morrison made the run in 15 days. His average day's run was more than 300 miles. He toured through Yellowstone park on route here. His only trouble was a blowout.

A WOMAN'S BACK

The Advice of This Hood River Woman Is of Certain Value

Many a woman's back has many aches and pains. Oftentimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.

Many Hood River women know this. Read what one has to say about it. Mrs. W. C. Wheeler, 1216 Eugene St., says: "I am glad to say a good word for Doan's Kidney Pills for I know one can depend on them. My kidneys were weak and I had attacks of backache. If I overworked or took cold, I felt dull and languid and had no energy and my work was often neglected. Dizzy, nervous headaches were frequent and my kidneys did not act right. I read of Doan's and used them. They soon gave me relief from these ailments and benefited me in every way."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mrs. Wheeler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

C. M. KOPP CO. FORMS PERMANENT BRANCH

F. E. Olleman, branch manager of the C. M. Kopp Co., cash apple buyers, whose headquarters are in Yakima and who have various connections over the country, has announced that the local connection will be made permanent. The concern initiated its business here last year, when over 100 carloads of apples were handled.

Mr. Olleman, who says he has signed up more than 200 cars for the coming season, states that warehouse facilities here and at Odell have been contracted for this year. The company proposes to harvest and pack the fruit for those patrons who so desire.

Mr. Olleman is spending this week in Seattle at the shippers' convention.

Bids for Transporting High School Students

The board of directors of Barrett School District will entertain bids for the transportation of high school students from Barrett to Hood River high school. All bids must be in by August 1st. Information as to route and number of students may be had of the clerk, School District No. 4, July 13-27. By A. G. Wing, Clerk.

One Dollar Saved Represents Ten Dollars Earned

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he can not be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house saves a doctor's bill of several dollars.

Gas Engine Surgeons

Machinery, as well as men, grow old and wear out. Man, when he feels himself slipping, seeks aid of his doctor or surgeon. The automobile owner goes to his machinist.

The gland specialist renews the youth of men. We will give new youth to your motor by reboring its cylinders.

And why stop with your automobile engine. The cylinders of your spray engine, indeed, of any kind of a gasoline engine, will respond with renewed vigor if you will have the cylinders attended to.
