Carter's Knit Underwear FOR LADIES

CARTER'S KNIT UNDERWEAR has followed every changing fashion. There is not a fashion or material, for day time or for evening wear, for which you cannot find the correct style in Carter's.

Correct cut is not alone responsible for the remarkable fit of Carters' Knit Underwear. The cloth is specially knit to make it remarkably elastic, so that you never feel it pulling or binding, and it springs back into form instantly, so it never becomes loose and baggy. And its feeling of silky softness lasts, as long as the underwear lasts, no matter how frequently you wash it.

Whether you like your underwear with long sleeves or short, or no sleeves at all-with high neck or Dutch neck-ankle length or knee length-you can find your favorite style among the extensive variety of Carter's Models.
