THE DALLES WINS FOOTBALL GAME

The Dalles High School defeated the Hood River High School here Saturday night 20 to 3 and attached the championship of eastern Oregon. Having defeated the strongest teams of Portland, The Dalles has a claim to state championship. If the Wasco county team defeats Goldendale Saturday, it will have won the championship of the Mid-Columbia Interscholastic League.

The Dalles players, who were slightly heavier than the local boys, had the jump from the time the game began. They made a touchdown with dispatch and during the entire first half the ball was always dangerously close to the Hood River goal. The Hood River boys displayed admirable come back and played a far better defensive game in the last half than in the first. The Dalles team was the best coached, best generated team, in the opinion of local fans, that has ever played here. The crowd set a record for attendance at a local football game. It was estimated that 2,500 were on the sidelines. The Dalles rosters were supported by their K. of P. band, and the local Pythian band made music for Hood River's rosters.

The line-ups of the teams was:

Hunters Find Eden Park

More than 10 local hunters have visited Eden Park, beautiful cove on the northwest side of Mount Hood, which members of the Oregon Nature Lovers' Club announced recently that they discovered, according to Gilbert Edgington, experienced woodsman and forest ranger.

"O. H. Rhoades, Lewis Rhoades, Cooper brothers, Mark Weygant and Jake Lenz have hunted over the scenic spot many times," says Mr. Edgington. "Mr. Lenz is known as one of the mid-Columbia's most inveterate hunters. But he tells me that he never hunts when he gets in Eden Park. He declares he has to stop and look at the scenery."

"Mr. Weygant tells me that the park was first discovered some 15 years ago by an old trapper who named it the 'Lost Paradise.'"

H. G. Moe Makes Record Motor Trip

A record motor trip from Dayton, Wash., where he resides, to Hood River was made Sunday by Harry G. Moe, here to visit the family of his brother, A. D. Moe. Mr. Moe left Walla Walla at 8 p. m. He reached Hood River, covering a distance of 225 miles, at 3 p. m.

"The eastern Oregon roads are in excellent condition," said Mr. Moe. "With their long string of ways and the fine, smooth surface of the macadam, which is ideal following recent rains, one can make better steady time than on the pavement of the Columbia River Highway in this section. In short, motoring conditions between here and Walla Walla are ideal."

Mr. Moe, accompanied by his wife, who has been here visiting, and Mrs. A. D. Moe, Mrs. F. L. Moe and Mrs. R. W. Moe, motored to Portland Tuesday. Mr. and Mrs. H. G. Moe returned to their home yesterday.

Asbury Men Serve Dinner

Members of the Men's Brotherhood of Asbury Methodist church, who one night last week contacted their friends with a dinner at the church parlors, cooked and served the pastries and viands all themselves. The men have won marked reputations for the cookery.

L. A. Bennett announced at the session that the Asbury club and that of Riverside Community church had joined to present a lye-cure series of programs this winter, the proceeds to be utilized for a community hospital.

Hood River brides have just received news of the wedding of W. H. Perry, aged 86, local pioneer, at Forest Grove, his present home, and Mrs. Josephine Orr, aged 65, of Nookneck, Wn. Judge J. W. Goodin, of Hillsboro, officiated at the wedding. Mr. Perry was formerly a member of Canby Post, G. A. R. He is from one of the oldest families of Kentucky. He and his father remained with the Union while his mother and several brothers were Confederate sympathizers, the brothers serving in the Confederate Army. The octogenarian bridegroom and J. L. Johnson, father of Sheriff Johnson, served in the same regiment, the 30th Kentucky.

Julius Abraham to Go For Father

Julius Abraham, young rancher of Albany, who will bring Mrs. Abraham here for a visit with her father, C. Dethman, and family, will leave soon for Germany to return his father to America. The elder Mr. Abraham, native of Germany, was visiting his old home before the great war began. Although he is a naturalized citizen, the German government has consistently refused to permit him to return here.

Matt to Sell Dairy Stock

F. E. Matt, Methodist Lane dairyman for the past nine years, will retire from the business soon. He will sell his 40 head of Jersey cows and heifers and dairy equipment at an auction sale on the place Wednesday, November 22. Mr. Matt will turn over his milk routes to C. E. Graber and Earl Ordway, two other West Side dairymen, and deliveries will be continued without interruption.

The Dalles Men Buy Bakery

W. G. Carlson and W. A. Osborn, formerly in business in The Dalles, have purchased from A. R. Bradley the latter's electric bakery on Oak street in the Bartmess building. The new owners will continue turning out bread. They expect to increase the output of high class pastries, cakes and pies, they state.

Lester Warren Goes to Jail

Lester Warren, young man charged with passing forged checks on merchants, following a plea of guilty Monday, was sentenced to 15 months in the penitentiary by Judge Wilson. The penalty of the case cleared the criminal docket of the court for the session.

MC GUIRE BUYS TWO REGISTERED JERSEYS

W. H. McGuire, who operates a Jersey dairy on the West Side, returned home from Portland last week with two registered Jersey cows purchased at the International Stock Show. One of his new cows, Peer's Agate of Silver Falls, is many times a blue ribbon winner. She won first prize the past year at the Clatsop county fair and the blue ribbon and championship awards were given her at the Wabkiakum county fair. In 1921 the cow won third place at the International Stock Show in Portland.

Mr. McGuire's other cow was Bright Eyes of Shore Acres. The local dairyman has built up his herd considerably the past several years. Visitors here declare that he has one of the best dairy barns in the state.

BOWLING NEWS

Hood River wins again. The Blue Diamonds went to Portland Monday night and won two out of three games from the Kelly Olympians. By taking two games, the Blue Diamonds have won 10 games out of the last 12 games played and for the season have won 20 games and lost 7.

Next week the local team will bowl the Toke Points and hope to win. In the other City League games, M. A. A. C. won three games from Uncle's Pies and Zellerbach won two out of three from Toke Points.

Underwood orchardists, here on apple harvest business, report that the annual school fair of the district was the most successful ever held. Approximately 250 exhibits were made by the children, who have spent the summer preparing fruits, vegetables and other products. The displays of cookery and fancy work created marked attention.

PLEASANT CONCERT AT ASBURY CHURCH

A delightful concert was given by Prof. P. W. Davis last Thursday evening at the Asbury M. E. church. The instrument was called triple chimes, which were made and manipulated by Mr. Davis, accompanied on

the piano by his son. Classical as well as old familiar melodies were rendered, pleasing to the ear of real musicians. Besides the above three local numbers were given. Vocal solos were rendered by Rev. James Kaye and David Campbell. Both are recently from Great Britain, Mr. Campbell having arrived in America for the first time in May, 1922. He rendered some Scotch melodies in real Scotch brogue. Miss Velma Phillips also gave a read-

ing. Due to the inclemency of the weather and the multiplicity of attractions not as many attended as had planned. All present enjoyed the entire program to the utmost.
