MR. FRANCIS BURKE WIN DECISION
(Continued From First Page)

A decision for the plaintiff in the case of Harry M. Francis and Mabel Francis Burke versus J. W. Anderson et al was rendered Monday by Judge Wilson, here from The Dalles for the day. Mr. Francis and Mr. Burke were the children of Miss Lillian Anderson, who died in December, 1920. She and her second husband, A. O. Anderson, moved here from North Dakota. They purchased an Oak Grove orchard place, which, for purposes of convenience, was deeded to Mr. Anderson, although bought with funds of the wife. It was understood that the property was to be held by the husband in trust for his wife and that he was to enjoy the use and benefits of it during his lifetime. Evidence of the existence of such a trust was given the court. The plaintiffs were represented by Judge Derby and Capt. Wilbur.

Mr. Anderson died in January, 1921. A few days before his death he had visited an attorney to have a will drawn, leaving the property to the children of his wife, in order that trouble might be avoided in case of his demise. He died before the will was executed.

Judge Wilson's decision makes Mr. Francis and Mrs. Burke the legal owners of the property.

CITY LEARNS OF GREAT ROAD PLAN

Hood River folk Monday learned of the publicly campaign now being launched by the Roosevelt International Highway Association to promote the transcontinental road that will connect Portland, Me., and Portland, Or. A. W. Tracy, secretary, and Mrs. B. T. Smith, assistant secretary, both of Duluth, Minn., who made a journey west by train and who are returning east by automobile, were here calling on the Chamber of Commerce and citizens.

"The Roosevelt Highway, which has been extended from Portland on to Seaside," says Mr. Tracy, "will be the most general transcontinental highway in America. We are going to devote 90 per cent of our publicity fund this year to the North Pacific states, in order to attract the motorists of the nation to the scenic wonderland and let them know that there are greater appeals than may be found in the Southwest."

"A new link of road is being completed across Glacier National Park. At the present time motorists may detour by way of McCleod or ship their cars by freight. The total length of the road is 4,135 miles. Eighty-five per cent is paved or gravelled and is passable. June 20-22 we will hold a convention in Glacier National Park. General DuPont, our president, and Col. Theodore Roosevelt, Jr., will be present. They will first tour the Pacific Coast section."

Mr. Tracy, who proceeded from here to The Dalles and thence to Arlington, asked for a subscription of \$100 from Hood River. The Chamber of Commerce will devote a good part of the time of the next meeting, April 9, to the highway project.

METHODIST MEN COOK, SERVE DINNER

A unique dinner was given at the church parlors last Thursday night by the Men's Brotherhood Club of the Ansbury Methodist church. Sixty members were present. A sumptuous banquet, the menu including roast pork, brown gravy, browned potatoes, bread, butter, coffee and ice cream and cake, was prepared entirely by men. The following men, dressed as southern negroes, served the dinner: William Emmelty, W. A. Jagger, L. A. Bennett and K. D. Peterson. They were songsters as well as waiters, and the southern melodies of the "coons" made the meal highly enjoyable. The men furnished their own orchestration, playing the following instruments: Mr. Peterson, bones; Mr. Bennett, two-string ukelele; Mr. Emmelty, mouth organ, and Mr. Jagger, paper-covered comb.

A hit was made by C. B. Woolpert, who appeared as St. Perkins of Rungus Ridge, in rural songs and sketches.

TWO MEETINGS OF ASS'N ON SATURDAY

The annual election of directors of the Apple Growers Association will be held Saturday afternoon. The forenoon will be devoted to a special meeting when members of the cooperative institution will pass on proposed amendments to by-laws. One amendment proposes the elimination of tonnage representation in elections. A second, if adopted, will decrease the number of the directorate from 11 to 7.

Candidates for the directorate include: C. K. Benton, F. C. Dethman, J. D. Guttry, G. B. Marsh, John H. Mohr, R. J. Maloney and J. R. Nunn. All members of the present board, and Howard Shoemaker, Geo. Galligan, George West, Nels Hagen, George Sheppard, Scott Aiken, Robert Troy, C. E. Cople, C. A. Reed and Wm. Goodenough.

SCOUT NEWS
Barrett, March 29, 1928.

Last Friday night the Scouts of Barrett, after having a short meeting, went to Rockford Grange to the play, "Nothing But the Truth." Much appreciation is felt by the Scouts for the cut price of admission that the Grange officers gave them.

Sunday evening they attended Rev. Boddy's sermon on the Scout oath. In order that the Scouts might attend as a troop, Mr. Lyle, a member of our committee, secured cars from Mr. Schuknecht, Mr. Moller, Mr. Durbert and Mr. Palmeter. We wish to thank those who offered their cars as well as those who used them.

Roscoe Anderson, Asst. Scoutmaster.

THE ROAD TO HAPPINESS

You must keep well if you wish to be happy. Women complained to one of two of Chamberlain's Tablets immediately after supper. They cause a gentle movement of the bowels.

We believe a Studebaker Sedan is good for five to ten years of useful, satisfactory life. We are not positive as to the real life because none has yet worn out.

If, when you trade in your car, you learn that you can get only three or four hundred dollars for it because there is no second-hand market for that make of car, then you must add this extra depreciation to arrive at the real cost of the car.

The trade-in price of Studebaker cars shows a very small depreciation, in many sections the smallest of all makes of motor cars. And there is always a ready market for used cars of Studebaker manufacture.

All-Feature Cleaner
Now \$1.00 Down!

Equip your home with a Premier Duplex. Easy monthly payments added to your lighting bill. First thing you know, it's paid for. And all the time you've had the use of it.

Premier Duplex
FIRST AMONG CLEANERS

3 outstanding features make the Premier Duplex the vacuum cleaner you have been wanting:

1. Powerful Suction: all the dust and dirt imbedded in the nap of your rug whisked up into the dustproof bag. The Premier also gets the fine particles that have sifted through onto the floor.
2. Improved Revolving Brush: Perfectly adjusted to sweep thoroughly without wearing the nap. You don't have to pick up lint and threads with your fingers when you have a Premier. All surface dirt is gathered up without injury to the rug itself.
3. It's a pleasure to use a Premier Duplex. Weighs less than other cleaners. The big non-marring rubber casters move at the lightest touch on the handle.

\$10 for your old vacuum cleaner.

For a limited time we will allow you \$10 for your old vacuum cleaner, regardless of age, condition or make, on the purchase price of a new Premier Duplex.
