

Men's Spring Footwear

This season we are showing the mapplest and most varied line of Men's Oxfords we have ever shown. Their style, fit and finish will win your instant approval—but it's the long, satisfactory wear they give that will appeal to you most—for they are the famous

"Star Brand" Alf Leather Shoes

They are made by the word's largest shoe manufactures of the best leather throughout—every pair solid leather—no paper or other substitutes.

developed by J. Brevet, a Helland chemics, since is new permanently with the demand.

A proposition for dairyman for specying sattle to prevent fly trouble year put on the market, and the year

The commany is now preparing to move its exists from the old building in the industrial section west of town on the Q.-W. Imake to a new warehouse constructed year before last. Mr. Resvet, who is skilled with a brush and gaines, has prepared a handsome sign for the plant.

The following letter was recently received from the S. W. Arnold, on rail with the strength and relatives a

about two works earlier than us. To pears are set in bloom, while the cherry and almost blooms are gone, am but if Redfood about 11 miles of the Crists Like road at the Alta Vist Orchard. It is wonderful here. The are plouding and have smudge pots a set, ready to light, in case they as needed. The optings seem to be we kept. In this case there are 166 acre in applea and pears. Most of the trees are 18 years old and are reports as doing well. Here on a knoll as situated a large bush and heardin house, a large burn an many other should any bush and buildings, thuse of which I have not learned.

"I am having a wonderful time visiting here and is heldford with old riends of my girlhood days. But a such things have an end and I will soon have to saturn to my old belove home in Head River, it is nice to go and it is also hice to return. I will make the trip back by stage and will stop at several places. I expect to make

Anti-Che Bill Referred

Petitions chatfining signatures of 10,528 legal votate of Oregon were also Thursday in the office of the secretary of state calling for a referendum of Senate Bill 10, 118, known as the anti-bloo lew. The petitions contained 5,006 using a career of the required 8,487 signatures required by law to refer legislatives required by law to refer legislatives frequired to a verdice of the possible.

Bignatures un the petitions were obtained in 15 counties of the mate. The

the county cierts in the seate. The sums were all checked in the office. The county cierts in the several antics and found to correspond to be signatured in the registration to the secretary of state.

This means that the anti-oleo law, high prevents the manufacture of argarins when vegetable offs are unbined with milk, will so before the oters of Oregon at the regular elector in November, 1994 for their ap-

Reyd Impreving Barbarabap

L. S. Boyd, who now owns the city's two most centrally located bar shops, having purchased the Bon Ton Shop from Walter Walters, declares that he will make his places known as the most up to date tonsorial pariors in the mid-Columbia. A crew of painters has been engaged in completely overhauling the Bon Ton. Mr. Boyd will take personal charge of the shop purchased from Mr. Walters. Frank Clark will have charge of the shop under the First National Bank building.

Vender Ahe-Rebinson Engigement

Friends here have received news of the engagement of Karl Vender Ahe, senior at the University of Oregon, and Miss Elizabeth Bobinson, of Portland, who is a sophomore in the school of drams. Ms. Vonder Ahe, whose home is now in Eugene, formerly lived here. He was a star athlete in Hood River high school, and has played on various first teams of the University of Oregon.

Hoover Holds Egg Secord

J. B. Hoover, whose place is at of the city on the Columbia R

J. S. Hoover, whose place is just west of the city on the Columbia River Highway, Thursday found a White Leghorn egg that weighed are ounces and that measured S½ inches in circumference the long way. The egg was 7½ inches around the middle.

Mr. Hoover's egg weighed two ounces more than a White Leghorn egg found week before last by W. C. Sumbers.

Henry Ford May Furnish Fertilizer
Hood River apple growers may soon ave available inagnesium sulphate, a fertilizer that is accured as a by-product of one of the Ford factories. Carroll Mansfield, manager of the local Ford branch, last week received a telegram from Henry Ford, who sated now many tons of the product local orchardists would purchase, if it were available at a fair price.

Keep out the flies. We carry stock the screen doors and if odd site doors or rindow screens are needed, we make up gromptly in our Sash and Door Factory.

This a rheumatism of the must the back. It comes on suddend is quite painful. Every november of the painful. Every november of the painful. Every november of the painful o

De Not Borget

that we carry a full line of the best stock and chicken remedies and tonics that are on the market.

Dr. Hers and Dis Clark are the largest manufacturers of Stock Food in the world. Their preparations cover the whole animal field and are of Highest Quality. The formules are all supervised by Dr. Hess who is one of the greatest Valentaerings in the country.

This tests should be at every home where there are animals. Given occasionally it keeps them well and strong.

The Cricken Touls and Insect Powders are well known among our chicken raisers and are prized for their superior qualities.

Now in the time to use Envilore and Clark Dip and Disinfectant and Insect Powder for barn, chick house, hog pen, etc.

Yours for Service
