TRAMWAY USED AT CASCADE RAPIDS

(By Frank J. Smith in Portland Telegram).

The first means of transportation around the rapids known as the Cascades, other than the service given by the Indians who were found in large numbers at this point, making their living by fishing and spearing salmon, was a portage road begun in 1850 from Sheridan Point, on the north bank of the river, to Upper Cascades, some the river, to Upper Cascades, some are Highway, arriving at the resort hos

used at first for a connection between that point and The Dalles. Soon afterward steamers, of small capacity

ALLYN PRESENT AT

Wm. P. Allyn was in Salem last Fri day to attend a conference of secretar ies of Oregon commercial organiza-tions. Mr. Allyn delivered an address on "The Tourist and How to Get the Most Good Out of Him." The Portland Chamber of Commerce reported that it would soon start a survey of the industries of the state

hrough the chambers of county seat towns, preparatory to the expenditure of its \$300,000 development fund in the next two years. Agricultural, horticultural and all other industries will e covered by the investigation. Hood River, Mr. Allyn says, will enefit materially from the Portland

WEDDINGS

The wedding of Miss Sylvia Jones and Merrill Miller, son of Mr. and Mrs. Warren Miller, of the Frankton dis trict, was selemnized at 1.30 p. m. Monday at the home of the bride's parents, Mr. and Mrs. J. O. Jones, at Viento. Rev. J. C. Hanna officiated. Following a four-course wedding dinner at the Jones home, the young

points on a short honeymoon.

The wedding was a quiet affair, attended only by members of the family and close friends. The bride was dressed in a handsome going away gown of blue. The bridegroom, enaged in ranching here, is a great war Mrs. R. C. Flynn, of Portland; was

the only out of town guest present for the wedding.

Seventy members of the local W. O. W. lodge left by motor caravan Satur-day for Dufur to attend a district con-vention of the organization. Cars of the local Woodmen carried huge banners advertising the city.

CANNING COMPANY NOW BUSY PLACE

The Hood River Canning Co. is now employing 100 women and girls in the annual pack of Clark Seedling strawberries. In addition to canning the fountains and candy makers. The processed Clark Seedlings have been found firm enough by confectioners for use as the filling for chocolate bon bons. The canning concern has built up a trade in this commodity in many

parts of the country.

Following the ktrawberry harvest the cannery will start the season's run on Royal Ann cherries.

ADMIRAL JONES IS

FOR SHORT VISIT

season. Indeed, it will be impost to make any definite estimates or 1923 tonnage until well along in July. Mr. Irwin says that the quality of the apples marketed last year, not only from the large Northwestern box districts but from the barrel sections, was unusually poor. Apples of all districts ripened up and softened early, he stated, and scald characterized the barrel fruit and box districts. SECRETARY MEETING general prospects are much better, Mr. Irwin declares that no one can at pres ent give any definite outlook on the 1923 deal.
