Licensed Embalmer and Funeral Director 415 OAK STREET.

HOOD RIVER HI BOY

Priends and acquaintances of F. T. Struck will be glad to know that he has written an important book entitled, "Construction and Repair Work for the Farm." Mr. Struck graduated at the head of the Class of 1907, the first class to complete the four-year course in the Hood River high school. He graduated from the University of Oregon in 1911, and later received the Masters' and Doctor of Philosophy degrees at Columbia University, New York City. He has been professor of agricultural education at the Pennsylvania. State College, and for some years has been assistant director of vocational education for the state of Pennsylvania, with headquarters at the State Department of Public Instruction, Harrisburg.

The book is especially planned as a time of state of this product is only seasonal.

The concern is now also engaged in the manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical used in large quantities by hospitals as a manufacture of a chemical chemical chemical chemical chemical chemical chemical chemical chemical chemical

lasses. It is also a valuable reference book for farmers and county agents.
The publishers, Houghton, Mifflin Co.,
whose western branch office is in San Francisco, have spared no expense in getting out a book that represents the best current practice in text and reference book design. The book con-tains 392 pages and 285 illustrations, many of which are carefully prepared

W. J. KOCKEN NEW FRUIT INSPECTOR

Judge Hasbronck last week announced the appointment of W. J. Kocken, of Melrose, as county fruit inspector, to succeed Ferris M. Green. The latter resigned to accept a position on the faculty of the Colerado in the fish.

The latter resigned to accept a position on the faculty of the Colerado in the faculty of the

Agricultural College.

Mr. Kocken, who was highly recom-Mr. Kocken, who was highly recommended by the Oregon Agricultural College, is a graduate of the horticultural department at that institution. He has been engaged in experimentation work. It is anticipated that the new appointee will also succeed Mr. Green as federal inspector here. A large percentage of the fruit shipped from Hood River is inspected by the burean of markets. Certificates of inchesked through.
