FOR OUR CHILDREN

It was a representative audience that present Monday evening at the Hood River high school, when plans for the recreation of our children were under consideration.

The chief task, as we view this matter, will be for the school board to secure some experienced, capable man or woman to direct the plans for supervised play.

We believe that something was started Monday evening that will bring to us a definite system. Heretofore nobody has ever been given any responsibility in the matter of providing recreation.

The meeting of Monday evening empowered the school board to proceed on definite lines.

Local grovers should purchase local hay, everything being equal. The Upper Valley grovers should be encouraged by a call for their product from home folk.

The bridge crews are going steadily ahead.

It was announced yesterday by Chas. H. Capiner, close friend of the Portland citizens, that he will arrive in Hood River next Tuesday and will launch his campaign for United States senator in this county.

Dr. Murphy developed further at the Tuesday Lunch Club gathering of this week that interesting theme of diversification. He called attention to the creamery and its steady, monthly pay checks.

Hood River folk ought to take an active interest in their citizen soldiers, members of Company C. This interest ought to engender a community pride in the organization and turn it into one of the most popular organizations of the city.

The annual convention of the Christian Endeavor district, composed of Hood River and Wasco counties, will be held here Friday, Saturday and Sunday.

The first session will be held Friday night at Riverside community church when an address of welcome will be delivered by the pastor, Dr. H. Boddy.

Horn Bros., who operate a sawmill at Oak Grove, cutting their logs from the forests of the foothills west of the fruit area, expect to make a record run this season.

The great government of the United States should take some action toward relieving the suffering of George Walther, 21-year-old son of Mr. and Mrs. Charles Walther, of Underwood, Wash., who was shot by a federal prohibition officer last year.

A large motor caravan of members of the local Masonic lodge motored to The Dalles Monday night, when they were guests of the lodge there.

With entire appropriateness, Kelly Bros. celebrated St. Patrick's day by having the front of their store painted a green that would delight the heart of any son of Erin.

The committee securing lodging accommodations for the delegates to the approaching Odd Fellows convention. If they have not already called on you, will soon do so.

Ernest C. Smith, local attorney, who was associated with Assistant Attorney General Moore in the trial of the case involving condemnation proceedings brought by the State Park Commission to acquire 5 1/2 acres owned by stated Thursday that a jury here would award \$25,000, although in a former case, which was reversed by the supreme court on a technicality, another jury had allowed only \$750 for the property.

ORATORICAL CONTEST FRIDAY NIGHT

Begin your clean up program now. Keep it going on through May. Apply paint to all your outhouses, both city and valley. Let the city business folk give serious consideration to Mr. McCarty's suggestion to a general paint up time.

They are going to whoop 'em up here Saturday night. The Muscovites, who occupy the playground of the great Odd Fellows lodge, are going to give us a feast of what will happen for three days in May.

Help the Hood River baseball club develop a winning team. The players have started well. Support of home-town folks will aid in keeping the percentage at the top rank.

Get out tomorrow night and hear the county's eight best orators, who will participate in a contest at the high school auditorium.

Local grovers should purchase local hay, everything being equal. The Upper Valley grovers should be encouraged by a call for their product from home folk.

MAYOR BAKER COMING HERE NEXT TUESDAY

It was announced yesterday by Chas. H. Capiner, close friend of the Portland citizens, that he will arrive in Hood River next Tuesday and will launch his campaign for United States senator in this county.

BILLY SUNDAY BUYS SHELLEY HOMESTEAD

Rev. Troy Shelley sold his 45-acre Odell place Tuesday to Rev. Billy and Ma Sunday, whose country place, where they spend the summers, is adjoining. Rev. and Mrs. Shelley, who have resided on the ranch for 42 years, will continue to make the old homestead their life home, this being a stipulation in the deal.

C. E. ORGANIZATION CONVENTION NEAR

The annual convention of the Christian Endeavor district, composed of Hood River and Wasco counties, will be held here Friday, Saturday and Sunday.

The first session will be held Friday night at Riverside community church when an address of welcome will be delivered by the pastor, Dr. H. Boddy.

Horn Bros., who operate a sawmill at Oak Grove, cutting their logs from the forests of the foothills west of the fruit area, expect to make a record run this season.

The great government of the United States should take some action toward relieving the suffering of George Walther, 21-year-old son of Mr. and Mrs. Charles Walther, of Underwood, Wash., who was shot by a federal prohibition officer last year.

A large motor caravan of members of the local Masonic lodge motored to The Dalles Monday night, when they were guests of the lodge there.

With entire appropriateness, Kelly Bros. celebrated St. Patrick's day by having the front of their store painted a green that would delight the heart of any son of Erin.

Local grovers should purchase local hay, everything being equal. The Upper Valley grovers should be encouraged by a call for their product from home folk.

MANY PIONEERS AT SPROAT FUNERAL

Asbury Methodist church Friday afternoon was crowded with pioneer families for funeral services of Chas. H. Sproat, a leader in the early day development of the orchard industry here.

Mr. Sproat was for years a leading spirit in the old Hood River Apple Growers' Union, having been the cooperative organization's manager. He had much to do with establishing the quality of the Hood River valley apple pack.

In 1910 Mr. Sproat furnished from his own orchard a carload of Newtowns that captured the first award for that variety at the National Apple Show held at Spokane. The Commercial club desired a car of Newtowns for exhibit. At the instance of Mr. Sproat, Judge Geo. H. Castner, a pioneer grower and later county fruit inspector, was delegated to select a car of this variety.

OBITUARY James Wilbur Armstrong

James Wilbur Armstrong was born at Oramel, N. Y., September 17, 1859. His family moved to Michigan when he was 12. At the age of 35 he went to Minnesota where he married Miss Louise Prairie November 4, 1903.

Mr. Armstrong was seriously sick a year and a half, a great sufferer but patient and cheerful. He was a religious man, and expressed a simple and childlike faith in the Lord Jesus.

Mr. Armstrong passed away quietly Tuesday, March 18, at 11:45 p. m. Mr. and Mrs. Armstrong had no children, which intensifies greatly the great feeling of loneliness felt by his grief-stricken widow.

Rev. C. R. Delehanty officiated at the service, held last Friday afternoon at the Bartness chapel.

Funeral services will be held at 10 a. m. Friday at the Bartness chapel.

Interment will be in the cemetery at 11 a. m. Friday.

Survivors include his wife, Mrs. Louise Armstrong, and his daughter, Mrs. M. J. Armstrong, both of Oramel, N. Y.

Funeral services will be held at 10 a. m. Friday at the Bartness chapel.
