# How long would a Suit of Clothes last on a Grindstone?

ALL day long the clothes we wear are subjected to the grinding action of particles of grit and dust which gather in the fabric—

There is just one way of stopping this grinding to wash away this dust and grit.

That is what dry cleaning does; grease, soil, dirt all the little enemies which constantly attack our parments rere carried away during the process

"Do you wonder that clothes which are dry-cleaned regularly not only look much better, but wear longer? Resolve today to give your clothes this benefit; simply phone, and we will call."

### ASS'N ENDORSES SALES PLAN

BOARD IS GIVEN AUTHORITY TO ACT

Dr. Belt at Annual Meeting Saturday Announces Direct Sales Plan in Brazil New Board Named

At the annual meeting of the Applie Growers Association last Saturday, grower members present from every section of the valley voted manimous by to leave the matter of affiliation with the proposed cooperative sales agency of the entire Northwest as has been evolved by the commission of five to the board of directors. It was cited by A. W. Stone, that such action would have to be confirmed by growers unless the by laws of the organization were changed. This, however, means of increasing the efficiency of it was made the sense of the meeting, could be taken care of later as a mere formality.

Growers received the proposed plans with unanimous approbation, and C. King Benton, Oregon member of the commission, who stated that cooperative organizations of Yakima and Wenatchee and other sections were considering the plans, declared that they were being viewed favorably everywhere. Mr. Benton, who presented the sense of the course of the state of the plans, declared that they were being viewed favorably everywhere. Mr. Benton, who presented the son so increasing the plans, declared that they were being viewed favorably everywhere. Mr. Benton, who presented the son sold in the following single sense of the state of the collection.

Mr. Henderson said that days of the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrated the great need for recreational work in the selective draft demonstrate demons the present the great that athletic community. He declared that the propos

Wenatchee and other sections were considering the plans, declared that they were being viewed favorably ev-erywhere. Mr. Benton, who presented the activities of the commission to the above all things be considered as a

cooperative organizations, which in turn would be landed into sub-agennarketed 1,000 different brands of ranges. Mr. Benton cited that the rowers would find that the new methmore than they are at present paying. He showed that the cost of marketing branges in California is comparatively

organization, declaring that they dis-played an activity and energy that was amazing. Last year, he said, a total of 500 more cities and towns of America received carlots of oranges than of apples.

"If we can get 10,000 cars of apples signed for this year's activities of our central selling agency," said Mr. Ben-ton, "we will probably establish four eastern sales centers and send a direct

Mr. Benton stated that members of he Mosier Fruit Growers Association, ho met with the commission here ist Thursday, expressed themselves entirely favorable to the plan. In the Underwood and White Salmon. sary to form cooperative units to ing about affiliation. Mr. Benton id that different cooperative units being formed in the Yakima dis-

ing within the exceptions of the Sher-man anti-trust law. Mr. Benton said hat it had been scrutinized closely by prominent attorneys and that this contingency had been entirely taken

#### LUNCH CLUB HEARS RECREATIONAL TALK

J. C. Henderson, in charge of recreational work in Multnomah county, in an address to members of the Tues-day Lunch Club at the Hood River Drug Co., where the weekly meeting was held, declared that small fruit-growers would find it to their advangrowers would find it to their advantage to cooperate in supplying recreational features for their seasonal workers. Mr. Henderson, who last year engaged in working out play for the workers in hop fields at Independence, said the campaign had been far more successful than anticipated. The very announcement of plans for recreation, he said, brought the hop ranch a full complement of workers made up mostly of family groups. The nightly recreational programs caused the employes to become contented. The full crew remained throughout the season, completing the work five days in advance of schedule. The work, Mr. Henderson said, cost \$1,000, and the owner of the ranch figured, on a very conservative basis, The very announcement of plans for recreation, he said, brought the hop ranch a full complement of workers made up mostly of family groups. The nightly recreational programs caused the employes to become contented. The full crew remained throughout the season, completing the work five days in advance of schedule. The work, Mr. Henderson said, cost \$1,000, and the owner of the ranch figured, on a very conservative basis, that the increased efficiency of workets bad saved him \$15,000.

Mr. Henderson, who was brought here by Rey, L. H. Miller, told how recreational work in Portland is resulting in bealthier young men and women, who, too, are sounder morally. He told how backyard play units are being established for the aid of parents in caring for the small children. Playgrounds for the grammar grades are in charge of efficient, cs.

## LOCAL BALL TEAM

The Hood River Baseball club opened the first home game April 6 by a victory over The Dalles club, score 6 to 1. The hitting by Senter, Hale, Smith, Campbell, Perkins and Carroll was largely responsible for the win. Hale scored by Smith's hit in the first. Smith scored by Campbell's two base smash in the sixth. Wolf, Perkins, Senter and Hale ground as Perkins, Senter and Hale scored on hits and The Dalles ragged fielding in the seventh frame. Campbell, not crossing the plate himself, drove in two runs by his hard drives to left and right field. Hood River's mound work was air tight, Bruce allowing three hits and whifing three, and Smith one hit and whiffing six. Bruce was taken in his hip pocket. Carl Rand prevent ed The Dalles from scoring in the sec ond by nabbing Ganger's hard fly to left field. Wolf's perfect peg to second caught Garthoffner trying to steal in the sixth and Smith's lightning throw to Hale caught Cullins napping 20 feet off the bag in the eighth. Hale made a pretty steal to second in the second frame. The Delles' only tally was made in the third, Garthoffner coming in on Alburty's hit to right field. Wasco won from Dufur and White Salmon won from Goldendale.

Hood River plays White Salmon at White Salmon Saturday, April 13, and April 20 Dufur plays at Hood River.
