Tusten, killed in a motor accident Sunday afternoon. Howley, it was charged, was making a speed of 40 miles an hour on the Columbia River highway.

POLITICAL ANNOUNCEMENTS

Announcement To the Republicans of Hood River and Wasco counties: I hereby announce myself as a candidate for the Republican nomination for State Senator for the 16th Senatorial District, composed of the counties of Wasco and Hood River, and, if nominated and elected, I will perform the duties thereof to the best of my ability, and will strive to promote the interests and welfare of the citizens and taxpayers of my District, and of the State of Oregon. I favor fewer laws and better enforcement, lower taxes and less extravagance. m2717 (Paid Adv.) Wm. H. Butler.

For Sheriff I respectfully submit to the Republican voters of Hood River county, for their action at the May primaries, my name as candidate for the nomination for sheriff. All I ask is that they investigate my record as deputy county assessor for seven years and deputy in the sheriff's office for more than three years. m2717 (Paid Adv.) Wm. H. Edick.

For Sheriff I wish to announce myself as a Republican candidate of the Farm, Labor, Progressive, Independent type, for above office, subject to the primaries. If the above suits you, vote for me. Let's go. (Paid Adv.) J. G. Cornelius.

"Are These New Cars?" Customers will ask this question when they look down our line of re-conditioned Dodge Brothers cars—and the machines are as good as they look. We have 1922, 1921, 1919 and 1916 models, all priced attractively low. Also two good screenriders, Bennett Brothers.

Notice to Woodmen Timberman or woodmen please notice: I am making a collection of woods for the Hood River high school. I wish half sections of the following woods from this country: Yellow pine, white pine, black pine, nut pine, red fir, yellow fir, common hemlock, alpine hemlock, spruce, lovely fir, Noble fir (called larch), white fir, alpine fir, tamarack, yew, cottonwood, hackberry, aspen, alder, haw, or any other tree not mentioned. Sections should be two feet or over in diameter, one foot long, free from knots or rot. Anyone cutting such trees, or having them in their possession, will confer an obligation by leaving such sections with me, or notifying me that they have them cut down, and I will come out and cut my own sections. I would also like to receive the sections of maple and ash. m2710 L. F. Henderson.
