# WEDDINGS

The city council Monday night ratified the purchase of the 37-acre Batchelder tract and work will be started at once by City Supervisor Clark toward the improvement of a portion of the wooded acreage as a municipal automobile park. Numerous citizens have signified their intention to aid in the development of the auto park by donating labor.

The city council passed at first reading an ordinance that provides for the paving of east State street, connecting the concrete bridge with the business section of the city. The judiciary committee was instructed to draft another ordinance that will provide for paving of Oak street from Missings S. Benson, well-known business man and son of Simon Benson, and Miss Bertha Van Dermeer, was held Saturday night at the home of Mr. Benson's sister, Mrs. Caroline Benson Unander, on Portland Heights. Rev. W. G. Eliot officiated. The ceremony was performed in the presence of a few relatives and friends. The bride is a graduate of Jefferson high school and a graduate nurse of the Good Samaritan hospital.

### "Are These New Cars?"

Customers will ask this question when they look down our line of re-conditioned Dodge Brothers cars—and we have 1923, 1921, 1919 and 1916 models, all priced attractively low. Also two good screensides. Bennett Brothers.

Timbermen or woodmen please notice: I am making a collection of woods for the Hood River high school. I wish half sections of the following woods from this country: Yellow pine, white pine, black pine, nut pine, red fir, yellow fir, common hemlock, alpine hemlock, spruce, lovely fir. Noble fir (called larch), white fir, alpine fir, tamarack, yew, cottonwood, hackberry, aspen, alder, haw, or any other tree not mentioned. Sections should be two feet or over in diameter, one foot long, free from knots or rot. Anyone two feet or over in diameter, one foot long, free from knots or rot. Anyone cutting such trees, or having them in their possection, will confer an obligation by leaving such sections with me, or notifying me that they have them cut down, and I will come out and cut my own sections. I would also like to secure sections of maple and ash.
