ASK THE ENVELOPE AND KNOW THE TRUTH ABOUT

The fishing season is on. No need to klee the wife and kids goodbye—climb aboard a train for some overworked fishing grounds. Give the whole family a trip to a car—pack the tent—sleep where you stop—stop where you want—along side some swirling pool, where fighting trout will give you the tonic of your life—where the kids can romp the hills and absorb the life-giving freshness of the woods. In other words, get acquainted with your family during your hours of play—the automobile will do it. "Ask the Envelope" will START YOU RIGHT!

These dealers sell gasoline that's always good!

The dealers listed here protect their customers by selling Red Crown gasoline, which because of the exacting production standards maintained by this Company, is uniformly reliable always and everywhere.

Protect your car by patronizing the dealers who protect you. You'll never have to drive very far to find a red, white and blue Red Crown sign, and your car will run better and farther if you let nothing go into your fuel tank except clean, reliable "Red Crown." Quick on the start, prompt on the pick-up, economical on the long run—"Red Crown" has all the qualities you demand of a motor fuel, and has them uniformly.

Incidentally, it's worth reflecting that the garage man, service station, or other dealer who refuses to let his customers take chances with inferior or unknown motor fuels, is likely to be equally responsible and reliable if your car needs inspection or repairs.

Look for the Red Crown disc and the red, white and blue pump—the two signs that identify a reliable dealer.
