TENNIS DRAWINGS MADE SATURDAY

Drawings for the third annual women's tennis championship and the second annual boys' tennis championship of Hood River county were made last Saturday. There were 27 entrants in the latter event and 40 in the women's tournament. Because of the large entry, play will begin Saturday, July 12, instead of Monday, July 14, as first announced.

The play will be on both the Benedict Tennis club courts and the Country club courts simultaneously. The finals and semi-finals will be held on the Country club courts, however, as the deeper backdrops there make them better for tournament play. Because of this the Country club has opened its courts for practice from now until the close of the tournament to all entrants so that all the boys and girls who do not belong to the club will have a chance to familiarize themselves with the courts and not be under a disadvantage in the finals. All players using the courts must give way at all times to club members, however, and are asked not to play after 4 p. m.

Play in the boys' event is for the Kelly trophy cup. All sets will be won out of three until the semi-finals are reached when the set will be three out of five. Competition in the women's event is for the Kresse cup and all play will be the best two out of three sets.

The first round of the tournament must be played by Tuesday, July 15, at 4 p. m. The second round must be played by Thursday at 4 p. m. Drawings for the consolation tournament will be made Wednesday and play will begin Thursday. All matches must be played before 4 p. m. as the courts are in demand by the club members after that hour.

Drawings for the tournament are as follows: Vienna Hukari vs. Florence Chapman, Carol Huriburt vs. Eleanor Derby, Norma Young vs. Louise Norton, Lois Jean Sinclair vs. Dorothy House, Mary K. Scott vs. Joyce Nye, Virginia Vaughan vs. Leona Van Allen, Hattie Hackett vs. Catherine Strannan, Josephine Smith vs. Harriet Fuller, Dorothy Davis vs. Kathryn Perigo, Lorraine West vs. Agnes Chipping, Carol Gregory vs. Helen Hukari, Ada Fenwick vs. Evelyn Bruns, Mamie Samelson vs. Esther Haury, Julianne Benton vs. Mildred Rice, Margaret Pierson vs. Werdna Isbell, Virginia Abraham vs. Lucille Ferguson, Barbara McDonald vs. Elizabeth Foreman, Frances Acheson vs. Zoe Easterly, Marian Palminter vs. Helen Shurtliff, Phyllis West vs. Inez Young.

Drawings for the boys are: Robt. Butler vs. James Russell, Acheson vs. Tom Johnson, Walter Wolgammott vs. Paul Keir, William Wright vs. Kelsey Bloom, Bernard Carlos vs. Bill Bladegard, Oliver Samelson vs. Robert Perigo, Jack Cornett vs. Joe Haslinger, Tony Mohr vs. Lynn McCaully, Erskine Sandys vs. Ibe, Maurice Fagnally vs. Carlisle Roberts, Clayton Foreman vs. Sinclair, Ellis Cummins vs. Ronald Ingalls, Gordon Manser vs. George Wuest, Harold Fordon vs. Edward Naumes.

The best eight players of both the boys and girls were seeded, according to regulations of the United States Lawn Tennis association. Those seeded were: Vienna Hukari, Carol Gregory, Mary K. Scott, Margaret Pierson, Norma Young, Mamie Samelson, Hattie Hackett and Barbara McDonald and Robert Butler, Anthony Mohr, Lawrence Wright, Clayton Foreman, Russell Acheson, Oliver Samelson, Erskine Sandys and Gordon Manser.

All players are asked to provide their own balls and shoes for the preliminary matches. All finals and semi-finals will be scheduled by the committee and umpires and linesmen provided.

ALL OUT OF SORTS?

So Was This Hood River Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that headache, those dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Don's Pills—a stimulant diuretic. This Hood River case is one of many:

Mrs. W. C. Wheeler, 1216 Eugene St., says: "My kidneys were weak and I had attacks of backache. If I over-worked or took cold, I felt dull and languid and had no energy. My work was often neglected. Dizzy, nervous headaches were frequent and my kidneys didn't act right; either. I used Don's Pills and they soon gave me relief from these ailments and benefited me in every way."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Don's Pills—the same that Mrs. Wheeler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 1710

LEROY CHILDS HEADS ENTOMOLOGICAL BODY

Leroy Childs who returned Saturday night from Stanford university, Calif., where he attended the annual convention of the American Association for the Advancement of Science, was elected president of the Pacific Division of the American Association of Economic Entomologists. Mr. Childs states that the annual convention of the organization next year will probably be held in Oregon. Both Eugene and Portland were discussed as meeting places. In case the general council of the body selects Portland, the buildings of Hood college will be utilized for the meeting. The lecture halls of the University of Oregon will be used in case Eugene lands the convention.

On returning to Hood River Childs found Mrs. Childs in a Portland hospital, where she had undergone a serious operation. Mrs. Childs and children were at one of the beaches when she became ill. A telegram to Mr. Childs missed him and he did not learn of his wife's illness until he came to Portland.

LUMBERING IS OREGON'S GREATEST INDUSTRY

In Oregon there are 400 active saw-mills, employing 18,000 persons, with an annual payroll of \$12,000,000. Of the 28,000 wage-earners in the state, 64 per cent are engaged in the lumber industry.

The capital invested in the industry in Oregon is \$35,000,000 and the mills are producing each year 2,000,000,000 feet of lumber, valued at about \$30,000,000. The standing timber of the state, if manufactured into lumber and shipped in carloads of 10,000 feet each, would fill 37,500,000 cars. Coupled together they would make a train 284,000 miles long.

Nearly two-thirds of the persons employed in the state are vitally affected by the industry. A great proportion of the state's business is entirely dependent upon it.
