**PYTHIAN BAND FETES VANCOUVER BROTHER**  
A unique dinner celebration was held at Andy Rand's Gen. cafe Tuesday evening when members of the K. of P. band, just back from their successful trip to British Columbia, gave a sumptuous chicken dinner in honor of Fredk. H. Milson, chancellor commander of the Vancouver, B. C. lodge of Pythians, and a leading citizen of the provincial city. Mr. Milson, who was official guide for the band members during their stay in Vancouver, was so impressed with the organization that he was persuaded to accompany Mr. and Mrs. Bert Stranahan and Mr. and Mrs. H. O. Ferguson here on their return Tuesday afternoon he was taken for a motor trip over the Loop Highway. He declared at the dinner Tuesday that he was by no means through with Hood River, and that he and his friends are coming back here to see again the beauties of the Hood River valley. The Tuesday evening dinner was a pleasant echo of the big Vancouver meeting. The members of the band, many of whom spoke at the pleasant gathering, expressed pride in the dignity that characterized the action of their organization in the city to the north. They made an impression on the many delegates that will be returned to the credit of Hood River. They were known in the north as the Hood River Indians and Mr. Milson confirmed the reports of the value that the band's visit has been to this community. Most of the band men were accompanied by their wives and members of their families. Mrs. A. L. Page probably best voiced the feeling of the wives when she said: "I have been following bands for 25 years, but I was never prouder before to say, pointing to the Pythian band, 'my husband is a member of that band'." C. D. Nickelson presided at the meeting and Mrs. Bert Stranahan presented Mr. Milson a handsome picture of Mount Hood as a present for his wife. It was given by the wives of Hood River band men. The Glacier plans on a series of stories of interviews with band men, which will follow in early issues, telling of the interesting trip north.
