**PORTLAND GIRL IS  
WINNER OF \$15,000**

Julia S. Groo, 15-year-old Portland  
high school girl, won the grand award  
in the recent international home light-  
ing essay contest. More than 1,000,  
000 school children of the United  
States and Canada entered the con-  
test.

Julia S. Groo

The following is Miss Groo's essay:  
We do not keep a horse and buggy  
simply because our father had one.  
Instead, we use the new and more  
serviceable means of labor. The man  
in the office, the factory manager, the  
contractor, all continually strive to  
find labor-saving devices. They do  
away with antiquated apparatus and  
replace it with machines for increas-  
ing output. Greater production by  
the individual is a demand of the  
times.

Yet when these same men reach  
their homes the thoughts of advanced  
methods and convenience seem left  
behind. They retain lighting equip-  
ment which was probably considered  
the best when it was installed, but  
which is now obsolete because of the  
developments in the industry and the  
knowledge of proper lighting learned  
from experience and investigation.

Careful thought was given to the  
lighting of our house, and has result-  
ed, I believe, in our having a well-  
lighted home. It is well lighted since  
each fixture was selected to provide  
sufficient light where it might be need-  
ed. A center light gives general illu-  
mination, while portable lamps placed  
by easy chairs for reading or sewing  
bring the light directly where desired.  
A shade in harmony with the fixture  
and the room covers each bulb, but  
all are dense enough to prevent glare  
or eyestrain. Some are silk and some  
are parchment, each being adapted to  
its surroundings. The basement shades  
are metal.

Small bulbs are used in decorative  
lamps to prevent annoying bright  
spots; frosted bulbs, where there is a  
possibility of their being seen with  
discomfort. Portable lamps are placed  
on each side of the mirror on the  
dressing tables and brackets on each  
side of the bathroom mirror to illu-  
minate the features on both sides,  
thus avoiding shadows. The shades  
prevent a bright light from being re-  
flected into the eyes.

Each room has bulbs in excess of  
one watt to the square foot, and since  
the walls are light, very little light is  
absorbed by them, thus avoiding the  
necessity of larger bulbs.

The center fixture in the living  
room has two 150-watt bulbs. There  
are two floor lamps and one table  
lamp, each containing two 40-watt  
bulbs. Two brackets over the mantel  
and two small decorative lamps each  
have a 15-watt bulb. Four single con-  
venience outlets permit arranging the  
furniture.

A fixture with four 40-watt bulbs  
hangs 26 inches above the dining  
room table, while 15-watt candles are  
at each side of the buffet. A double  
convenience outlet is under the table  
and another by the buffet.

Our kitchen is lighted by a 150-watt  
ceiling fixture with a 40-watt lamp  
over the sink. Appliances may be  
attached to a double convenience out-  
let.

Each of the two bedrooms has a  
40-watt ceiling fixture, a 40-watt stand  
lamp, each side of the mirror and a  
40-watt lamp at the head of the bed.  
The three double convenience outlets  
make rearrangement of the furniture  
easy.

The two 40-watt brackets by the  
bathroom mirror furnish sufficient  
light. The 40-watt center fixture is  
unnecessary because of the smallness  
of the room. The double convenience  
outlet is for appliances.

**FINDLAY, O., PAPER  
TELLS OF J. BAKER**

The following appeared in a recent  
issue of the Findlay, O., Republican,  
telling of the reelection of District  
Attorney Baker. A copy of the Re-  
publican was forwarded to The Gla-  
cier.

John Baker, former Findlay attor-  
ney, and one time county recorder  
here, has been re-elected district at-  
torney at Hood River, Ore., accord-  
ing to word just received by his  
friends here.

Mr. Baker was renamed to his  
office without opposition. The term  
is four years. His expense account  
consisted of but 10 cents.

While here, Mr. Baker served as a  
deputy sheriff under Sheriff George  
Cusack. He was also a candidate for  
state food commissioner at one time,  
but lost out. He ran considerably  
ahead of his ticket, however.

Mr. Baker has been regarded as a  
self-made man. He was reared on a  
farm near here and was forced to go  
to work at an early age to help sup-  
port his mother and other members  
of the family.

He was married to Miss Minnie W.  
Werner, a daughter of Mr. and Mrs.  
W. H. Werner, well known here at  
one time. She died several years  
ago at Hood River. He was married  
again a year ago.

The accompanying picture of Mr.  
Baker is taken from a photograph  
received by Preston L. Stevenson,  
deputy county recorder, who worked  
under Mr. Baker when the latter  
served as county recorder here.

**Post and Corps to Install**

The members of Canby Post, G. A.  
R., and Canby Corps, W. R. C., will  
hold their annual dinner in the base-  
ment of the Methodist church next  
Saturday. All members of the two  
bodies are urged to be present.

Immediately after the dinner the  
two organizations will repair to the  
Odd Fellows hall where installation  
of officers will be held.
