BRIDGE WILL BE DEDICATED

COMMITTEE NAMED FOR BIG EVENT
Announcement Made Tuesday at Lunch Club Meeting—All Committees For Year Named

The program of the Tuesday Lunch club was turned over this week to the Chamber of Commerce, with President Steele as chairman, who announced that a general committee had been appointed from Oregon and Washington cities to make preparations for the dedication of the Hood River-White Salmon interstate bridge in June. The opening of the Mount Hood Loop Highway will be celebrated simultaneously.

The event will draw a record large crowd to Hood River. It is anticipated. It was announced by Mr. Steele that the annual apple blossom banquet will be held this year. Secretary Baker read a letter from Ensign Purdy, of Portland, who stated that no promiscuous solicitation of funds for the Salvation Army will be sanctioned here in the future. The Dallas post will hold street meetings and take up collections at such meetings, but no tambourine collections will be permitted.

Committee for 1925 were announced as follows: Agriculture, F. S. Kelly, Leroy Childs and H. L. Shoemaker; auditing, C. C. Crew and Ray Acheson; entertainment, E. O. Blanchard, chairman, to appoint own committee; fairs and exhibits, P. L. Manser, Leroy Childs, W. S. L. Peterson and W. Ray Lee; industrial, F. A. Olmsted, J. H. Fredrick, H. E. Baker, C. H. Vaughan and H. D. W. Plaso; legislative, E. C. Smith, J. H. Hazlett and Geo. R. Wilbur; scenic preservation, H. E. Scott, B. J. Davis, A. L. Anderson and Harold Hershner; civic improvement, B. W. Perigo, A. M. Cannon, C. L. Coffey and E. A. Schuchsen; booster club, C. C. Anderson, Wm. Sylvester, H. G. Ball and Joe D. Thomson; traffic bureau, R. W. Kelly, C. H. Castner and J. C. Duckwall; auto park, J. W. Crider, Dr. C. O. Jenkins, A. B. Bennett and C. H. Huelat; publicity, C. N. Ravlin, J. D. Thomson, V. C. Follenius and H. G. Ball; roads, Col. W. S. Dowd, W. L. Nichols, J. G. Edwards, N. E. Nelson, A. Guizard and C. M. Hurlbert; fishing, hunting, forest trails, H. O. Kresse, E. A. Franz, R. L. Bartol, Kent Shoemaker and A. C. Lofts, Jr.; mountain development, Leslie Butler, E. J. Moore, Col. W. E. Dowd, H. O. Kresse and S. C. Walters; clean up and paint up campaign, Nelson Emery, L. G. Morgan, Orville S. Hatch, Dr. J. W. Sifton and George Zolls; bridge celebration—Hood River committee, Leslie Butler, E. O. Blanchard, Kent Shoemaker, A. B. Bennett and Truman Butler, and executive committee, Leslie Butler, O. C. Soots of Yakima, H. I. Peyton of Spokane, J. M. Jaeger of Portland, Thos. Garrington, of Seattle and F. Abbott of Longview.

The executive committee of the committee on membership and re-financing consists of Truman Butler, A. F. S. Steele, E. O. Blanchard, F. S. Kelly, H. O. Kresse and Leroy Childs. The committee follows: H. L. Shoemaker, G. R. Wilbur, F. A. Olmsted, R. E. Scott, W. S. Dowd, Van W. Gladden, C. H. Castner, W. A. Schuchsen, E. J. Moore, Harold Hershner, L. A. Bennett, Dr. V. R. Abraham, Leslie Butler and Dr. J. W. Sifton.

pretty young thing, Mrs. Dolly Root; Betty Gardner, a refined young woman of 20, Miss Irene Bower; Mrs. Clayton, who is 42 and knows how to wear her clothes, Mrs. Ola Calandra; Elizabeth Burton, aged 20, plain but neat; Miss Geneva Nickelson. Tickets are being sold by members of the Business Women's club. Indications point to a full house. The play will be given in conjunction with the regular screen program. The cast is rehearsing intensively and the talent they are displaying is an assurance of a well rendered play. The skit is of two acts, all full of action.

FIRE PREVENTION MEETING SUNDAY

Under the auspices of the Men's Brotherhood of Riverdale Community church, a fire prevention meeting will be held at the church Sunday evening. Out of town speakers here for the occasion will be Will Lester, deputy state fire marshal, and William A. Morgan, Portland business man and pioneer member of the local fire department. He is a brother of L. G. Morgan, who cites that until Monday, when the department was called to the Gross building, the alarm had been silent since January 1. An overheated furnace pipe ignited wood-work. No damage resulted.

"The Hood River department is concentrating its activities on fire prevention as much as on extinguishing a blaze after it starts," said Fire Marshal Morgan. Special musical numbers will be given at the fire prevention meeting.

ODELL GRANGE ORCHESTRA TO PLAY

The Odell Grange orchestra, a new musical organization of the Odell apple section, will give a concert at the grange hall this evening. The orchestra, which has been practicing for some weeks under direction of the Bertha Young, is composed of the following players: Preston Young, Miss M. Swengel, Willie Kollas, M. A. Udelus, Miss Linda Udelus, Miss Marguerite Ferrin, Charles Savo, Jno. R. Anna, Maurice Fletcher and Lew Plog. The players, if the audience desires, will render music for a dance following the concert.

PUBLISHER FROM MICHIGAN VISITS

Nelson Conine, publisher of a string of newspapers in Michigan, and Mrs. Conine, returning home from a tour of southern California, have been visiting the families of cousin, Judge Geo. R. Castner and C. H. Castner. Mr. Conine's chief paper is at Battle Creek, where he makes his headquarters. His other papers are located at Cadillac, Traverse City and Charlevoix. Mr. Conine was delighted with mid-Columbia scenery. His praise of the Columbia River highway was unqualified. Mr. and Mrs. Conine were entertained at a dinner Saturday night by Mr. and Mrs. Castner, covers being laid for 12.

DISTRICT PROFFERS HIGH SCHOOL SITE

By a vote of 30 to 18 electors of the city school district Saturday ratified the action of the school board in transferring a nine-acre tract on the west edge of town to a union school district for the site of a proposed union high school building. Before the union district is actually effected, various school districts must pass on the question. Sentiment, however, is generally favorable to the amalgamation of all lower valley districts, except Odell, where a union high is already maintained. Plans call for a structure to cost an approximate \$200,000.

PINE GROVE GRANGE DANCE ON FRIDAY

The Pine Grove grange members will stage a pleasant dancing party at the grange hall tomorrow evening, when the Howards' Ace of Melody will render the music. The Pine Grove grange members have aided various organizations the past winter in staging successful benefit parties at the grange hall, and it is anticipated that the crowd tomorrow night, as a result, will be large. The Pine Grove grange parties attract a great many city people, and many motor parties will go out from town, it is expected.

LEGISLATURE IS FOR BRANCH STATION

Apple growers generally here Monday expressed elation when a telegram was received from Leroy Childs from Representative Hazlett, announcing that the house and senate both had passed unanimously a bill appropriating \$7,000 per year for the next two years for maintaining a branch experiment station on a permanent piece of orchard property. The county court has authorized the purchase of a suitable tract for the permanent station.

Pythian Convention Is Near

At a meeting here Tuesday night, attended by delegates from The Dalles and Cascade Locks, it was decided to hold the annual convention of the district comprised of Hood River, Wasco and Sherman counties in Hood River during the month of March. District Deputy Chancellor A. W. Meyer, of Cascade Locks, was among the visitors. The local lodge has begun arrangements for entertaining about 200 delegates.

HOSPITAL TO BE DISCUSSED

MEETING SET FOR TUESDAY NIGHT

All Civic Organizations, Lodges, Granges Asked to Send Representatives To Conference

At the request of the Hood River Hospital association, the Chamber of Commerce has called a meeting of representatives from the various civic organizations, lodges and granges to discuss plans for financing and building an adequate community hospital in this city. The meeting will be held next Tuesday evening at 7:30 in the county library hall.

Business men of Hood River recognize the need for a larger and better equipped hospital here. It is estimated that such an institution would leave at least \$25,000 per year in the city, in addition to being a great asset in promotion of community health. Rev. L. H. Miller, president of the hospital association, urges all civic bodies and lodges to send representatives at the meeting next Tuesday. In order that a representative opinion may be arrived at. If the community supports the idea of a new hospital, the association plans to go ahead with work of financing the project.

NEW HOOD GLACIER NAMED SALMON RIVER

The United States Geographic board, on recommendation of the Masanua council, has given the name of Salmon River to a glacier on the south side of Mount Hood, due west of White River glacier, and drained by Salmon river. Fred W. Stadter, deputy city attorney of Portland and corresponding secretary of the Masanua, has just been at a communication of the United States geographic board of the naming of the newly discovered glacier. The letter, which was from James McCormick, secretary of the board, said: "The United States geographic board, at its meeting January 7, named the newly discovered glacier on the south slope of Mount Hood, at the head of Salmon river, the Salmon River glacier, as suggested in the letter and report transmitted by you on November 20, 1924."

This is the glacier which was exposed by the abnormal drought of last summer, which melted most of the snow off Mount Hood, exposing the ice beds beneath, and among them the new glacier. Ray W. Osaway, of the Masanua, was first to suggest that the ice above the Salmon river's mouth was a glacier, and subsequent explorations, in company with Stadter and others of the Masanua, developed that it was a typical glacier. The name Salmon River glacier was suggested by Masanua on these trips and incorporated in a comprehensive report on the survey which was sent to the government board.

C. & M. ALLIANCE CONVENTION NEAR

A change has been made in the program of the annual Christian and Missionary Alliance convention, to be held here March 3-8, as announced last week. Miss Mary Butterfield, a missionary of Palestine, who was scheduled to attend the sessions and deliver addresses, has been called back to her work. Mrs. Bachtold, a missionary to India, will take her place. Rev. Carl Carner, a missionary to India for 20 years, will be present and will show stereoscopic pictures of mission work in India, South America and Africa. Other speakers will be Rev. W. W. Newberry, dean of the Simpson Bible Institute, of Seattle; and Rev. G. E. Morgan, a worker of the eastern part of the United States.

WEBER FITS FINE HORSES TO HARNESS

It looked like oldtimes in Hood River Monday. The automobile wasn't in it. A crowd assembled before the harness shop of W. G. Weber, and while Mr. Weber fitted a fine span of horses just brought to the city by Homer Van Allen, more than 50 men looked on and commented. The fine team, standing about 15 hands high, made a pretty picture. Mr. Van Allen fitted them with the best harness obtainable. They will be used on a West Side orchard place recently purchased from Howard Pealer. Before Mr. Weber fitted the ranch team he sold a set of logging harness to Horn Bros. of Oak Grove.

Rockford Grange Presenting Play

The Rockford grange young people are now preparing a three-act comedy, "Come Out of the Kitchen." The play has been adapted from a book of the same name written by Alice Duer Miller. It is a refreshing comedy full of humorous situations and clever lines. The fact that it ran for several years in New York city should speak for it. Those who have been entertained by "Nothing But the Truth," "Miss Civilization," "Trials of a Hostess" and "Clarence," know what a treat it is in store for them.

Bread Truck Bought from Bonetts

The handsome new truck of the Hood River Bakery, makers of Two Mountain bread, was purchased from Bonett Brothers. It is a Dodge. The chassis was taken to Portland, where the body was constructed and painted. The new truck has created a great deal of interest during the week it has been operating. "Come Out of the Kitchen," Rockford Grange, March 17, save the date.

Week End Candy Specials

We are going to put on a special sale on candy each Saturday and Sunday for the next few months. This candy will be fresh each week.

Next Saturday and Sunday - Assorted Chocolate Creams, regular 75c lb.

Special, per lb. 50c

Scubb Quality

DON'T OVERLOOK THIS

I consider this one of the best residential offers that has yet been made in Hood River. I have analyzed this from every angle and am convinced it is the best bargain in this community at the present time.

The property is well located, in a slightly situation. It consists of a splendid, modern dwelling of attractive appearance, of eight rooms, divided into two four-room apartments, each with bath, pantry and plenty of closet space. Large electric range and electric water heater with each kitchen, included in purchase price. Hardwood floors throughout lower floor, and fire-place in living room. Full basement and furnace. Front and back entrance to both apartments. The rooms are all large and the entire building is in first class condition.

The grounds include four lots, 100 x 200, and contain several large oaks and a variety of fruit trees. The upper apartment rents for \$40 per month.

This is a real "buy" and a good investment. Enough revenue can be derived from this to pay the taxes, upkeep and better than eight per cent on the money invested.

Price \$6500.00

FLUME REPAIRS

If your water system needs repairs we can supply you with Flume Lumber of all sizes and with Black Cat Plastic Cement to calk leaky joints, but—

While you are making these repairs you will naturally wish you didn't have to do it. A permanent flume with no costly repairs to make—that's the thing every rancher wants some day. The one best way to get this result is with Concrete Irrigation Pipe. Yes, it costs more to install, but your first cost is your only cost. We represent the Collins Concrete Pipe Co., of Portland, and carry in stock their machine-made pipe—a quality product that we can guarantee absolutely. See us for any kind of flume.
