The song service at the church recently was enjoyed by a full house. We hope they will have them often.

Mr. and Mrs. Pearson leave many friends. He is recognized as a man of unusual ability, and this valley cannot afford to lose him.

Come to the sing Friday evening at the home of O. L. Wilson. We met time with Mr. and Mrs. Josie Aerni.

At the last meeting of the grange Mrs. Carl Pearson gave a very interesting paper on the social conditions and obligations on the farm compared with those in the city. The next meeting of the grange will be held Saturday, the 14th. The Ladies' Aid met at the manse Wednesday of last week for an all day meeting. It was said to be the largest gathering of this organization in years. ## THE DALLES GAME WAS HARD FOUGHT

In a return game with The Dalles in The Dalles gym, the Hood River high boys showed The Dalles a thing or two about basketball, passing especially. Everyone who attended the game plainly saw that The Dalles was out-fought, out-played, and out-guessed. In the last half if The Dalles had continued to play with the same number of men that they started with the tale would have been different, but what chance has a quarter with a sextet? No one can remember when five men ever beat six in basketball, even if they did have them out-played.

The ball was tossed up at 7:15 and a second or two later Flint tossed it through the hoop, making the first score of the game. The ball was almost constantly in the hands of the blue-clad players in that quarter. At the end of that set the score was 8 to 0 in favor of Hood River. When the whistle brought the players to their feet for the next act The Dalles gladiators were determined looks, but when they saw no let up in Hood River's attitude, that look soon turned to self pity.

The first half ended with a score of 12 to 5 in favor of Hood River. With the start of the second half it was evident to the spectators that our fellows were playing the sextet rather than the five men. The entire second half was hard-fought throughout, but The Dalles won in the rough and tumble fight. There were numerous fouls called, but it was noticed that about 90 per cent of them were in favor of The Dalles.

The third quarter ended with a score of 12 to 10. Immediately after the start of the fourth quarter, Stadelman, tall center for The Dalles, shot a short basket, bringing the score 12 to 12. Here the real fight started. There was much rough work at this point of the game. The referees called foul on Koback and Stadelman made one of the free throws. Then the gun shot ended the game.

The parish house of St. Mark's Episcopal church was crowded last Friday night for a pre-Lenten bridge and mah jong party, given by the Welfare club of the church. The party was voted one of the most pleasant held in the city this season. Mah Jong prizes were won by Mrs. C. W. Hamilton, Mrs. E. R. Moller, Fred Patterson and Trafford E. Smith. The winners in bridge were Mrs. Earl Franz, Mrs. A. C. Loftis, Jr., Dr. S. L. Peterson and C. A. Reed.

The big reception room of the parish house was decorated with American flags and table favors were symbolic of Washington's birthday. Coffee, cake and ice cream were served.

The club plans erection of a log cabin club house this summer on the Y. M. C. A.'s six-acre skiing ground on the north slope of Mount Hood.

Juvenile Returned to Salem

A letter from juvenile authorities of Roseburg to District Attorney Barker last week revealed that a young man, apprehended here the week before and held to the grand jury on a charge of stealing radio equipment from an Upper Valley home, is really Harlan Finch, paroled from the state industrial school at Salem. The boy, when arrested, stated he was 22 years old. The letter states he is less than 18. Following his parole, young Finch ran away from home and visited western Washington towns. The letter stated he is wanted there on a charge of forging checks.

Finch has since been returned to the Salem school.

Circuit Court Today

Birth Party is Surprise

Miss Esther Hart was guest of honor at a surprise party given in celebration of her 18th birthday anniversary last Saturday evening at the home of her parents, Mr. and Mrs. Allen Hart. The whole affair was a frame-up on her. She was taken to town on some phony mission invented for the occasion, and during her absence the guests arrived, secreted themselves in a back room and turned out all the lights. When she returned and went in where the guests were turn on the lights the greeting she received was enough to make anyone feel creepy.

After playing several games refreshments were served. Everyone had a good time. Among those present were E. Lamm and family, Mr. and Mrs. Dane Kemp, Mrs. Mabel Kemp, Rev. C. W. Johnson, Melborn Johnson, Miss Marian Cameron and Mr. and Mrs. Edward Kieig.

Poor Henry

The Stork and Old Ford are running a race.

And the Stork's throwing mud in old Henry's face.

Every twelve seconds the Stork goes his route.

And every seventeen a Ford is turned out.

In a very short time, if Henry don't skid.

He'll be making a Ford for every man in the valley.

So here's luck to him, and I hope that he wins.

But the Stork will fool Henry when he brings around twins.
