

ODELL

Mrs. David Pence was a visitor in Portland several days last week. Miss Blanche Coppel, of Los Angeles, Calif., who has been visiting at the home of her uncle, C. E. Coppel, for the past three weeks, left Saturday for her home. She was accompanied as far as Portland by Mrs. C. E. Coppel and daughter, Miss Helen. They returned to their home here Sunday. Mrs. O. L. Walter very pleasantly entertained at tea Friday afternoon at her home, Mrs. Prasad, of Riverside church, Hood River. Mr. and Mrs. R. E. Miller and daughter motored to the Sandy for a short trip last Sunday and returned laden with quantities of the small fish. After an illness of a month's duration little Elsie, daughter of Mr. and Mrs. E. W. Jaques, passed away early Thursday morning. Funeral services were held Saturday afternoon from the Asbury Methodist church, Hood River, Rev. Gleaser officiating. Friends expressed sympathy for the parents, sister and brothers of the little girl. Mrs. L. B. Scott suffered a severe attack of illness Sunday. She was taken to Hood River hospital Sunday afternoon and operations were performed Monday morning when several gall stones were removed. Mr. and Mrs. Arthur McCoy have purchased one of the lots north of the Mt. Hood railroad fronting on the paved road. They expect to begin at once construction of a building which they will occupy and engage in a restaurant business. They hope to be ready for business within 30 days. Through her work as a cook for the school hot lunches last winter Mrs. McCoy's reputation as an excellent cook has become well known in Odell and we understand she has had previous experience along similar lines. So far the eating problem in Odell has been very satisfactorily solved by the Odell hotel with Mrs. Boles and daughters cooking and serving, but with increasing growth of the village and adjoining orchards and their requirements as to operations, storage and storage facilities there has grown a demand for short order service and at hours other than regular meal time, a demand for the restaurant recognizes and satisfies. Last Sunday Mr. and Mrs. A. E. Jackson and their small son, Stuart, motored to Camp No. 1, Dufur Orchard Co. They were accompanied by Mr. and Mrs. L. A. E. Clark and Miss Olga Plog. They returned home about 5 p. m. and while Mr. and Mrs. Jackson entered their home they noticed their radio and loud speaker had disappeared. Upon further investigation they found that a thief or thieves had made a thorough search of the house and taken rings, necklaces, watch chain and other jewelry, all valued as gifts as well as for cash represented. Other articles of value were included in the list of stolen goods. Authorities and all interested are sparing no effort to apprehend the guilty person or persons and to recover stolen property with a view not only to right this wrong but to prevent like offenses. Mr. and Mrs. A. J. Friedley, of Banks, and their daughter, Mrs. Lov Verol, spent the week end here visiting Mrs. Friedley's sister, Mrs. Dean, and other relatives. On their return home Mrs. Dean accompanied them as far as Portland. April Fool meeting of the Mothers' club at Mrs. Clayton Fletcher's today. Everybody come in some kind of a costume and enjoy the fun. The entertainment given by the Parent-Teacher association last Friday evening was a great success. A large crowd attended and everyone enjoyed the various numbers on the program, which were different and very humorous. The program was also sold rapidly. We are glad to say that the Victoria is now paid for, as the receipts were sufficient that the addition of a small sum which can be taken from the treasury later, made up the amount of the indebtedness. The Parent-Teacher association wishes to thank all those who helped make the evening a success both by their work and by their attendance. Mrs. Seegar deserves special credit for arranging the program and drilling the performers in the different parts. Lloyd Moss motored to Portland last Wednesday for a couple of days, returning Friday accompanied by his sister, Miss Olive Moss. He also took time to catch a few smelt on his way home. An item we neglected last week was that Mr. and Mrs. Frank Clark were pleasantly surprised Saturday evening by a number of friends who took this way of welcoming them home. The evening was spent very pleasantly at cards, there being four tables. Mr. and Mrs. E. B. Moss enjoyed a short visit last Saturday with the former's brother and wife, Mr. and Mrs. E. J. Moss, of Kansas City. They stopped off at their home returning to Kansas City after six weeks in California. A special social meeting has been planned and all are invited to be present. Refreshments will be served. The entertainment which we mentioned last week to be given by Mrs. Herbert Garr Reed, dramatic reader, under the auspices of the Mothers' club will be given May 8 at the Odell high school auditorium. Mrs. Reed will be assisted by Lawrence Woodfin, composer baritone; Helen Beidgerford, soprano; and the Odell Grange orchestra. This promises to be a program of exceptional merit, so save the date, May 8. DEE Day after tomorrow, March 28, is the day of the bond election to provide money for the building of a new school house in this district. Any voter whose name appeared on the last year's roll as a taxpayer in this district or anyone owning a share in a corporation paying taxes to the district or any head of a family whose child or children are over six years of age or not yet 21, may vote. A voter is a United States citizen, who has lived six months in the state and 30 days in this district. If an ineligible voter, that vote is taken from

the majority. At 2 p. m. a meeting will be called to order at the school house. Two judges and a clerk will be chosen from those present. They will keep a list of the names of the voters and provide over the election which will continue till 7 p. m., when the polls will be closed and the votes counted. Gerald took the part of the butler with marked success. They all drove home early Sunday morning. The Community club enjoyed one of the best meetings of the year at the home of Mrs. Milton Binghamman last Thursday. Mrs. W. H. Whiteley gave a much appreciated talk on the mother's part in forming the health habits of her children.
