SOFT AND GOOD SHOES

"SOFT and GOOD" shoes are made especially for the farmer and working man. They are work shoes, not like the usual run of work shoes made today—clumsy, heavy, stiff uppers—but are just like the name, "SOFT and GOOD."

The upper leather in all "SOFT and GOOD" shoes is of elk skin—tanned by the chrome process and finished in the same manner as is leather used for making gloves. Leather of this kind is not usually put into ordinary run of work shoes.

All Leather Work Shoes \$3.00 to \$5.00

WHITE SALMON

(By W. S. Bates)

Cooperative weather-report for 24-hour period ending at 5 p. m., April 10: Maximum temperature, 70; minimum, 55; clear, gentle wind.

The Vancouver show to be given here April 17 by the Woman's Club promises to be an unusual event. The first part will be "A Night With the Dolls" consisting of character dances by the pupils of Mrs. J. W. Dickey. Part two will be "Discovery of White Salmon," by Christopher Columbus. (Chris was some angler!) There will be special music for this occasion. Mrs. Bert Heaman is the able director.

Doctor Phoebe J. Collman and husband, of Hood River, were White Salmon visitors Friday. They were accompanied by their granddaughter and a young woman friend.

Mrs. Matt Clark, of Portland, visited relatives on Burdoin mountain Friday and Saturday.

Mr. and Mrs. Richard J. Bates, of Portland motored from there late Thursday night and will remain at Bates Bros. ranch for a few days.

Eugene Glader, of Hill Military Academy, Portland, is spending the week at the home of his parents on Burdoin mountain.

Mrs. George L. Aggers, aged 70, died at her home, which adjoins the Eyrle Inn property, April 9 after a lingering illness. She was born in Ohio, and was married to George L. Aggers in 1871. Besides her husband, she is survived by her daughters, Doris and Maud Aggers, who reside with their father. Funeral services were held at the Broas chapel in Hood River Saturday. The body was sent to Portland for cremation.

White Salmon defeated the Wasco nine on the local grounds Sunday; score, 3 to 2. This was the first ball game of the season. The home team will cross bats with The Dalles Sunday.

A mild epidemic of insipid colds exists among the school children and others on Burdoin mountain, usually a very healthful locality.

Mrs. Walter Gillaspie, of Vancouver, Wash., is caring for Mrs. Julia B. Bates at Kalkona ranch. The aged lady is not expected to survive her illness.

Mr. and Mrs. O. P. Sampson have returned from California, after a visit of several months with a daughter, Mrs. Schumann.

Miss Elma Caven, daughter of Mr. and Mrs. John Caven, of the Hotel Washington, returned from The Dalles Saturday. She has been undergoing treatment at a hospital there and has not as yet regained her health.

Miss Stella Johnson, popular music teacher, of Portland, is here for a visit with her parents.

Editor A. Meese and family have returned from Seaside, Ore., where they motored for a week end visit. Mrs. E. Meese, of Forest Grove, mother of the Enterprise editor, accompanied them on the trip.

C. D. Moore, popular South White Salmon angler and garage man, suffered a light stroke recently. Late reports show improvement in his condition.

James Murray, pioneer resident of the Glenwood district, died April 5 at the age of 70 years. He was born in Iowa and crossed the plains in 1852. He was married and had a son, Tom, in 1860. He is survived by six children. The deceased came to this county 45 years ago, where he has since resided.

Mrs. Floyd Martin, who was operated upon in Astoria, has recovered and returned home Saturday.

Light rains fell throughout this district Saturday. Lower temperatures prevailed, with brisk west winds.

The Legion Auxiliary gave a "kid party dance" at Legion hall Saturday night, April 11. The costumes were unique and the party was a big success.

The stage of water in Major creek is about right for good trout fishing when the season opens April 15. This stream traverses a wild and rugged course through the canyon. The going is extremely hard and hazardous, but it is well worth the effort. Anglers should be prepared to meet rattlers when the warm weather sets in. A sharp knife and a stick of caustic should be carried in the kit. Well do we remember the day Dr. J. M. Waugh, who owned an orchard in the upper Major-creek canyon district, was bitten by a rattlesnake, and his mad dash on horseback to White Salmon for treatment. The doctor narrowly escaped death on this occasion, both by the effects of the poison and the three bad falls sustained in his wild flight down the steep and winding canyon road. Dr. Waugh established a fine practice in White Salmon and Hood River and is now located in Cleveland, O. He was among the first to offer his services during the World war and was given the rank of captain and retired with the rank of major. Judging from reports, and some of the photographs in his possession, he made an enviable reputation in plastic surgery during his term of service in France.

A canvass of the orchard districts on Burdoin mountain shows a medium to light crop of Newtown apples for the coming season. Other varieties are showing up well. The pear crop will be fair. The short cold snap proved disastrous in some of the districts here, but the damage by winter kill is not considered alarming.

U. P. LINE'S APPLE RECIPES PRAISED

J. A. Nott, traveling freight agent of the Union Pacific System, was here last week showing fruit-shippers an interesting collection of letters from fruit buyers from all parts of the United States who expressed their appreciation of the stimulus given to apple consumption by a volume of 150 recipes for apple dishes issued by the rail line several years ago. More than 100 letters were shown in the book. The rail line had calls for thousands of the booklets. Some of the calls came from England.

The book of apple recipes was issued by R. A. Smith, of Omaha, Neb., the rail line's agriculturist, on a suggestion of H. M. Adams. It met with immediate warm reception by housewives the nation over.

Among those who praised the work most highly, because it proved an aid in getting apples into consumption and thus proving highly beneficial to the industry in all of its departments, was R. G. Phillips, of Rochester, N. Y., executive secretary of the International Apple Shippers' Association. A letter of commendation was written to the rail line by A. F. R. Steele.

Notice Guardian's Sale of Real Estate in the County Court of the State of Oregon, for Hood River County.

In the Matter of the Guardianship of Francis D. Sandman, Paul Sandman, Hazel Sandman and Margaret Sandman, Minors.

Notice is hereby given that the undersigned, as guardian of the above named minors and their estate, by virtue of an order made and entered in the above entitled Court and cause on the 20th day of March, 1923, will, from and after Saturday, the 2nd day of May, 1923, sell at private sale, to the highest and best bidder for cash in hand, the following described real property belonging to said minors, situate in Hood River County, State of Oregon, to-wit:

An undivided one-eighth (1/8) interest and estate in and to the North half (N 1/2) of the South-west Quarter (SW 1/4) and the North-west Quarter (NW 1/4) of the South-east Quarter (SE 1/4) of Section Twenty-four (24) in Township Two (2) North, Range Ten (10) East of the Willamette Meridian, subject to the dower right and estate of Susan Mohr, widow of John A. Mohr, deceased.

Said sale will be made at private sale, cash in hand, and proposals for said purchase may be made to me at my residence on said premises, Postoffice Address R. D. No. 1, Hood River, Oregon; or at the office of John Baker, Attorney-at-Law, Pythian Building, Hood River, Oregon.

P. H. Mohr,
Guardian

TARIFF COVERS TRUCK FREIGHTING

UNDER regulations provided by the recent Oregon legislature, the rates of motor truck concerns engaged in hauling freight are regulated by formal tariffs, issued by the Public Service Commission. Shippers will find tariffs on file at all of our offices. We will supply shippers with copies where desired.

Our service is a responsible one. It is standardized. Consult our tariff, just as complete as that of a rail line, and determine your freight cost according to classification.

As the general tariff covers transportation charges between designated termini, the Public Service Commission has authorized a supplement that assesses a charge of \$1.50 per hour for 1-ton trucks up to \$6 per hour for a 5-ton truck and trailer. This service includes a driver only. Extra help will be charged for at the rate of 50 cents per hour per man.

YOUR MEAT MARKET

These are the days when the out of doors is calling. You, perhaps, have worked briskly making garden, cleaning the lawn or have been off on a Springtime hike or have played a round of golf.

Then, doesn't the aroma of cooking Bacon or ham bring the big appetite? And oh, how a nice broiled beef-steak tastes! Indeed, these are the days when you want your meat just right.

It's always right when you get it from us.

GET AT THE CAUSE

Many Hood River Folks are Showing How to Avoid Needless Suffering

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doan's Pills—stimulant diuretic to the kidneys—have brought peace and comfort to many Hood River people. Proved by this Hood River resident's experience:

H. B. Leonard, truck farmer, 719 Ninth St., says: "My kidneys acted too frequently, breaking my rest at night and mornings—I felt dull and languid. I used different remedies but got no results until I tried Doan's Pills. They were what I needed and soon my kidneys were in good condition. I depend on Doan's now for I know they will do the work when my kidneys trouble me."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Leonard had. Foster-Milburn Co., Effra, Buffalo, N. Y.
