HAROLD FORDEN WINS U. P. SCHOLARSHIP

Harold Forden has been awarded the scholarship offered in Hood River county by the Union Pacific railway to the highest scoring club member in the county. The scholarship, valued at $75, will be used by Harold in paying his expenses at the Oregon Agricultural College, where he will attend next year.

Last year Harold exhibited poultry at the Hood River county fair and received first prize. Later he sent them to the Oregon state fair, where he again won first place. Harold is president and is very enthusiastic about his work.

Fifteen other counties in Oregon are touched by the Union Pacific lines, and in each of them scholarships are offered. Eight of them, Clatsop, Deschutes, Union, Wasco, Malheur, Multnomah, Sherman and Umatilla, have club members eligible for scholarships. The other counties competing for scholarships are Gilliam, Wheeler, Crook, Jefferson, Baker, Wallowa and Morrow.

Thomas Nordstrom received the scholarship in Clatsop county on his pig club work. Thomas is a senior in high school and is planning on attending O. A. C. next fall. He has been a club member three years, a first prize winner at his county fair each year, and a member of the county judging team, competing either at the Oregon state fair or the Pacific International, each year. He is president of his club and a real leader in his community.

The scholarship in Deschutes county was won by Benton Floyd on his calf club work. He has been in club work two years, owns a purebred Holstein heifer, and has been a member of the judging team from Deschutes county. At the Deschutes and Crook county fairs he won first on his heifer over some of the best animals in central Oregon.

The only girl in the state to win a scholarship was Cora Elliott, of Malheur county, who won on her pig club work. She is 16 years old and has just finished two years of high school. She has been a club member three years, is a member of the Malheur county judging team, and president of her club.

John Fleming, Multnomah, won his scholarship on his calf club work, winning first at the Multnomah county fair, the Oregon state fair and the Pacific International Livestock exposition on his Holstein heifer and Holstein cow. He has been in club work five years, having started in with a grade Holstein. He later purchased a purebred calf and a year ago won the Hollywood calf offered at the Pacific International for being the best all-around calf club member in the Northwest. He also won the Northwest showmanship contest. He is now owner of a small herd of five purebred animals.

Harry Howell, Sherman, won his scholarship on calf club work at the Sherman county fair. He has been in club work three years, is vice-president of his club, and a member of the county judging team.

Lowell Stockard, of Umatilla, has been in pig club work five years, and on that project won his scholarship. He has also been a member of the garden club and the bee club and is a member of the judging team. Last fall he took complete charge of a carload of animals exhibited at the Pacific International from his county. Two years ago when one of the hog breeders of Umatilla county sold his entire herd this boy, with the backing of the Hermiston bank, purchased the herd and is making good. He is president of his club and a real leader in his community.

James Appling, Wasco, won his scholarship on his potato club work at the Wasco county fair. He is secretary of his club and a very enthusiastic club member.

NEW STAR COACH ARRIVES IN TOWN

The new Star coach, universally acclaimed one of the most beautiful light cars that has ever been offered to buyers in the low price automobile class, has arrived here and placed on display in the salesroom of the Highway Auto Co. It is the first showing of the new Star coach here.

This car, one of the hits of the recent automobile shows held throughout the country, fills a definite need in the low priced transportation field.

Artistically designed, yet carrying out every utilitarian idea yet advanced to automobile buyers, as well as an unusual completeness of equipment, the new coach has met with an instantaneous demand. A rushed factory production has been unable to supply a growing demand for the new coach.

It is built on the same sturdy and rugged chassis upon which the great popularity of new Star car models has been built, with the standard equipment of the million dollar motor, four-wheel brakes, and equipped with disc wheels and balloon tires as standard, so that its performance record will be fully in keeping with the records hung up by other well known models of the 1925 Star line.

Finished in deep blue color, the whole body is circled at the top, with a double white ivory stripe. The front seating arrangement is unique in coach construction, and, as the right front door is opened, it becomes apparent that great pains have been taken to provide the widest possible entrance to the rear seat. The right front seat, instead of folding up forwards, is so hinged that it folds away from the door, as well, leaving no obstacle whatever to the rear seat aisle. This is accomplished by folding the back of the seat down, then folding the seat over towards the driver's seat.

Exceptional space is noted through the Star coach interior, it being possible to sit comfortably and without cramping in the rear seats, when the front seats are in position. The cushions are deep and wide, making for still greater comfort. Over the upholstering and lining the interior is a beautiful basket weave coach cloth.

The coach comes with a long list of accessories as standard equipment, including heavily nickeled winged radiator cap, as well as nickled radiator shell; automatic windshield wiper; "one turn" window lifts for the front windows and crank type for the rear quarter windows; three ventilators, two above the one-piece windshield and one in the cowl; centered dome light; kick plates on the running board; inside door lock on driver's side, locked by pulling up on the door lever and unlocked by pushing down on it; outside door lock on right door.

The coach has a leather top, and the rear quarter is artfully graced by laundalet type bows.

The balloon tire size is 29x4.95 inches, standard coach equipment.

The car created a sensation at the San Francisco automobile show, where sales for it were limited only by the number of deliveries it was possible to make. Deliveries did not start until some time after the show had been concluded, and wherever it has appeared, the coach has been responsible for increased Star sales.

DR. DIAMOND GETS PRAISE FOR APPLES

Dr. Lora H. Diamond, owner of Lingerlong orchard on Portland Way, has received a letter from M. G. Hinton, a fruiterer of Arveley, Leeds, Yorkshire, Eng., who praises the apples of the local orchard highly. Dr. Diamond, who was interested in ascertaining how the fruit reaches the ultimate customer, had placed a slip in the bottom of the box, asking for a report.

"I must say," wrote Mr. Hinton, "that I always find the apples from your section good. I have recommended the White Heather brand to all my friends, as I know they cannot be beaten for flavor. I was praising the fruit to a customer when I found your slip in the bottom of the box."

Dr. Diamond sold her apples through Harry Farrell, Oregon representative of the Fruit Export Corporation, the headquarters of which are at Seattle.

News of the Golfers

Though beaten in both the men's and the women's divisions in their match at The Dalles Golf Club Sunday, the team members of the local golf club gave their opponents a very bad scare, and made the best showing they have ever accomplished on The Dalles course. The Dalles men beat Hood River 35 to 30 and the women beat the local women 16 to 13.

Hood River carried off the medal honors in both men's and women's sections, Dr. Hamilton's 81, and 82's by both Nate Mears and E. E. House excelling Kenneth Hicks' score of 83, which was low for The Dalles. Mrs. Hamilton scored the lowest of any of the women with a 97 and the showing of Miss Burteena Woodard, who scored an even 100, was exceptionally pleasing to the local women. Mrs. DeWitt had a fine 103, and the other local women made a very fine account of themselves, considering it was their first team match, and played on an opponent's course, with the handicap of sand greens versus their accustomed grass greens. Scoring was done by the Nassau system, each player having a chance to win three points as a maximum, one point for excelling in the first nine, a point for the second nine, and a point for the whole 18. Individual results were as follows:

C. W. Hamilton 1, Hicks 1; Mears 2, Olinger 0; House 2, Eades 0; Rooker 1, Weiss 1; Peters 0, Crichton 3; DeWitt 2, Waldron 1; Alexander 3, Wilhelm 0; Epping 3, Earl Hamilton 0; Anderson 3, Cohen 0; Boyd 2, Knight 0; Earl Frans 0, Gilbert 3; Weber 0, Pepper 3; Baker 0, Hostetler 2; Edgar Frans 1, Coberth 2; Crew 3, Ingram 0; Childs 0, Litfin 3; P. L. Manser 3, Williams 0; Moller 0, Sexton 2; Annala 0, Rice 2; Banks 3, Phipps 0; Jenkins 0, Pearson 2; Edwards 1, Chambers 1; Ravlin 0, Sims 3; Nichols 0, Bettinger 3; P. G. Manser 0, Hudson 3.

Mrs. Hamilton 3, Miss Schassen 0; Mrs. DeWitt 0, Mrs. Olinger 3; Mrs. Adams 0, Mrs. Coberth 3; Miss Woodard 3, Mrs. Hicks 0; Mrs. Norton 0, Mrs. Williams 2; Mrs. Cobb 2, Mrs. Eades 1; Mrs. Childs 0, Mrs. Weiss 2; Mrs. Crew 0, Mrs. Pearson 5; Mrs. Edwards 2, Mrs. Fredden 0; Mrs. Thompson 2, Mrs. Chrichton 0; Mrs. Frans 1, Mrs. Waldron 2.

A return match on the local course with The Dalles men and women will be played May 17. Oregon City is bringing a 20-man team, eight-woman team and five-boy team here for a match May 10. Meanwhile the local goat tournaments and spring handicap qualifying rounds are being played on the club course. Many goats have changed hands, one proud player boasting that he has the "president's goat." It is understood that Chairman House of the tournament committee is intending to form a "goatless" club, as a sort of consolation division for the losers so far.

Although most of the Hood River players were at The Dalles for the tournament Sunday, the local course was well patronized throughout the day. Players thronged the links from Portland. Visitors on the course are more numerous this year than any former season, and greens fees are becoming a gratifying item.

Mrs. C. W. Hamilton to date has the best women's score here. She made the course the other day in 42.

SCHOOL NEWS

(Miriam Grow)

A large and enthusiastic crowd witnessed the baseball game between the high school teams of Hood River and The Dalles on Gibson field last Friday afternoon, when the visitors defeated the home team by a score of 5 to 1. The battery for Hood River was Deward Thompson, who held the visitors scoreless for five innings. The alternate pitcher, Melvin Davidson, was ill, so Deward had no leave, and had to pitch the nine innings. Some costly errors by our team may have contributed greatly to our loss. However, in all, it was a very good game, well umpired by Mr. Dark. This is the first year in many seasons for the Hood River high school to support the baseball team and Coach Follenius is to be commended for both the spirit and the kind of team that he has turned out on short notice. The Dalles team brought a goodly number of spectators who helped to swell the crowd.

The local schools will all close at noon Friday, May 1, in order that the teachers may attend the county institute to be held at Park Grange hall near the Rockford store, beginning at 1.30. This County Teachers' Association will discuss a number of problems identical to both the grades and high schools. The first speaker for the afternoon at the assembly will be State Superintendent Churchill, of Salem, on recent school legislation. The evening speaker will be Supt. Rice, of Portland, on the Platoon School system. Supt. Keeney, of Parkdale, is chairman of the high school section, and Mrs. Clara B. Steele, of Barrett, is chairman of the primary grade section. Prin. Yeck, of the Barrett school, is president of the county association, and Mrs. Margaret Campbell, of the Cox primary school, is secretary-treasurer. Supt. Cannon is chairman of the program committee. One of the features of the evening will b a chicken dinner by the women of Park grange. School directors and others interested in education are invited to all the programs, both afternoon and evening, by County School Supt. Crites.

The second year shorthand class has recently been awarded their certificates for writing 60 words and 80 words per minute for five minutes, and transcribing their notes on the typewriter. The one who received the 60-word certificate was Dorothy Palmiter. The recipients of the 80-word certificates were Vivian Sneeden, Roland Cutting and Miriam Grow.

The regular Tuesday morning high school assembly was held by Prin. Gibson. The music was furnished by Albert Case in a number of humorous songs, with Virginia Vaughan at the piano. Mr. Case is always a welcome visitor at the high school assemblies. The speaker was V. C. Follenius, who gave a very interesting and instructive talk on Forest Preservation. This talk was both timely and educative because this is Forest Preservation week and the camping season is rapidly approaching.

Friday, May 8, the junior class will give a picture show in the high school auditorium for the purpose of adding to their annual banquet fund. They will show Shakespeare's "King Lear" and Bret Hart's "Luck of Roaring Camp." Also an educational film on the Arctic region.

Junior High News

(Ray Stenbing)

The high school freshmen were defeated by junior high 9 to 7 last Wednesday. Garland Osborne made the lone home run of the game.

The junior high girls' team defeated the Odell girls 25 to 10 Thursday. No home runs were made. Florence Chapman pitched for junior high.

Next Sunday morning his subject will be "The Originality of Christ." The public is cordially invited to attend these services.

Sid Caruine Succeeds Woodruff

(From The Packer)

Announcement is made by the Wenatchee District Co-operative Associations that S. B. Carnine, formerly in charge of export sales for the Hood River Apple Growers Association and for the past two years with Sgobel & Day in New York, has been appointed general sales manager, to succeed Dwight L. Woodruff, who leaves Wenatchee May 31.

Mr. Woodruff will enjoy an extended trip to Alaska and California and will devote his energies to looking after his private interests which include farm land in Illinois and business property in Florida and California. He does not expect to re-enter the boxed apple or fruit business, he says.

Japanese Worker for Upper Valley

The Upper Valley Community church at Parkdale has made arrangements for the services of a young man to supervise the religious work among the Japanese people during the summer months. Tsuyoshi Tateoka, a student in the McCormick Theological Seminary, Chicago, is expected in a few days and will devote his time to the work at Parkdale and Dee. Mr. Hutchinson, pastor of the church, says this is the first time the church has attempted an activity of this kind and if the results are satisfactory an effort will be made to continue it each summer.

Cooperative Directors Named

Directors of The Dalles Cooperative Growers' Association were elected Saturday. T. A. Sammis, Jr., and Fred Ericksen were re-elected, while J. Thorndike, Fred Cyphers, A. E. Gronewald, F. M. Gill and E. Sharp were chosen as new directors. The executives will meet again next Saturday to elect officers, Sammis' term as president then expiring.

Masonic Dance Soon

The next Masonic dance will be held at the Columbia Gorge hotel Thursday evening, May 7. Ford's orchestra will furnish the music. The Masonic dances have been among the most pleasant social affairs held at the Columbia Gorge hotel this season.
