MOTHER'S DAY

The noblest thoughts my soul can claim, the holiest words my tongue can frame, I treasure more than all the world, an infant when her love first came, I find it just the same, reverently I breathe the name, the blessed name of mother.

—GEORGE CALVERT FERRELL

In extending our greetings to mothers, we can only add that here they will always find a welcome and a desire to serve and protect in every way we can.

KOBERG'S NONPAREIL TOMATO PLANTS

Have been grown and sold in Hood River. This should convince any one that needs plants that they have been tried and found to be adapted to this locality.

We have applied the law of stamping the container to cardboard holding the plants, and you can satisfy yourself by looking for this stamp where they come from.

ROYAL ROAD CLOSED

Someone has said, "Common sense is instinct and enough of it is genius." Speaking in the vernacular of the highway of today, there is a sign across the road to success which reads,

"Royal Road Closed, Detour up Steep Trail of Common Sense to the Right."

CleanUp PaintUp

We live in the most beautiful natural setting of any place in North America, but we cannot leave it all to nature.

Unless our yards and homes match up in neatness and beauty, the whole effect is lost.

Let's clean up the rubbish first and after that a little paint on weather-beaten surfaces works wonders. Fresh paint is our best means of following the lead of "Nature—the Master Painter."
