THREE BODIES JOIN IN OILING APPEAL

The county court, Pomona Grange and Chamber of Commerce yesterday joined in telegraphing the state highway commission to oil the Mount Hood Loop Highway. The court and civic bodies forwarded the following message to the highway commission:

"We are advised that crews are through oiling the Columbia River Highway east of The Dalles. If this equipment is to be moved west will you consider oiling Loop Highway in Hood River county immediately? Road is in excellent condition for oiling and moisture and weather conditions ideal."

The resolution adopted by the grange follows:

"Whereas, the citizens of Hood River county have expended large sums of money in the construction of the Loop Highway, and

Whereas, the return in benefit upon that investment is largely dependent on the comfort and convenience of travel on the said highway, and

Whereas, the present extreme dusty condition of this road makes travel not only unpleasant but very hazardous,

Be It Resolved, That the Pomona Grange of Hood River county, state of Oregon, respectfully requests the county court to immediately petition the state highway commission to oil this road within the limits of Hood River county.

Submitted and approved by Hood River County Pomona Grange this 6th day of May, 1925."

POWER COMPANY PAYS 3-MONTH DIVIDEND

Red envelopes bearing checks from the Pacific Power & Light Company were received through the mail May 1 by hundreds of local people. The money was the regular dividend paid by the company every three months to its preferred stockholders. These dividends amount to seven per cent a year on each dollar invested.

Many of those to whom checks were mailed are new investors and realized for the first time the advantage of placing money where it earns more money. It is believed that the Pacific Power & Light Company in its sale of preferred stock has taught the benefits of investment to hundreds. Others who received checks, however, have owned shares of this stock since it was first issued and have always received their dividends every three months.

THE WOMAN'S CLUB NAMES OFFICERS

Officers for the Hood River Woman's Club were named for the ensuing year as follows: Mrs. E. O. Blanchar, president; Mrs. J. R. Nickelsen, vice president; Mrs. W. J. Knight, second vice president; Mrs. J. C. Mayer, recording secretary; Mrs. F. S. Smith, corresponding secretary, and Mrs. P. L. Manser, treasurer. The meeting was the last until after the summer season is over.

Har Ju Get Da Swees?

An Irishman "quit" and went to Heaven. St. Peter said:

"Terribly sorry, Larry, but we just got in a large consignment of Swedes from Minneapolis today and there is no more room."

"Kin Oi git in if Oi make room?" queried the late arrival.

"Certainly," said St. Peter.

The Irishman, who was a movie director from Hollywood, and had his megaphone handy, raised it, shouting: "Hey, you fellers, there's free snuff in hell!"
