Odell made an excellent showing at the track meet in Hood River Saturday, making a total of 30½ points and winning several blue ribbons. Those making the greatest number of points were Bertha Williams, Helen Semberton, Marie Tucker, Arvo Anala and Bill Shute. The grade baseball team played the junior high team, losing to them by a score of 5 to 1. However, it was a real baseball game while it lasted.

The slogan which the county association has adopted is "Every family a member." The dues are 25 cents a membership, which includes the family. The object of this drive is not mainly for the purpose of raising money, but to interest people in the health association and in health work generally. The money raised in each community will be used for that community, either in the school or in loan chest equipment or for some other good purpose. Let us all work to have our community 100 per cent membership.

A lovely service was held at the Methodist church last Sunday, honoring Mother's Day. The church was decorated in keeping with the spirit of the day. The choir had a special Mother's Day number, and Rev. Gleaser delivered a very touching and beautiful tribute to "Mother." T. A. Biles had given a box of candy to be presented to the oldest mother present. Little Miss Mary Ellen Mills presented the box to Mrs. Sheilbon as the oldest mother present. Mrs. J. M. Turney was a very close second.

Regular services will be held at the M. E. church next Sunday, Sunday school, 10 a. m.; preaching at 11 o'clock, Rev. W. S. Gleaser; Junior League, 6:15; Epworth League, 7:15; preaching at 8 o'clock by the pastor.

Friday night Rev. W. S. Gleaser

will deliver the commencement address at the Boardman high school.

Friday of last week the Central Vale Mothers' club presented a group of Portland artists in an evening of entertainment. The Odell orchestra assisted with several pleasing numbers. Those who were unfortunate enough to be absent can never realize what a treat they missed. "Laurence Woodfin" is a pianist of unusual ability and is doubly gifted, having a voice of extraordinary clarity and charm. Mrs. Herbert Garr Reed is by far the best in her line who has made an appearance on a Hood River stage. Her characters and stage settings were vivid to the eye, though shadowed by costumes and stage props.

Helen Bridgeford Drain in her numbers displayed a voice of unusual range and sweetness. All gave freely of their talent, responding generously to the encores. It is regrettable that they did not have a more representative audience as there were many folk, both in Hood River and the neighborhood, who cheerfully go to Portland to hear a concert of the same high order as Friday night, and yet neglected to attend or support one when given in their own neighborhood. Very few Hood River people attended, yet when a city concert is given the people of Odell and Central Vale give their whole hearted support. Let's respond better in the future to the good things as they are prepared for us. It is not often such an opportunity to hear the best is given us.

Last Sunday the Christian church observed Mother's Day with a fitting program. Several musical numbers were rendered and the little folks had appropriate recitations. The church was beautifully decorated with greens and flowers. The announcements for next week are as follows: Sunday school, 10 a. m.; preaching at 11 o'clock, Rev. C. W. Johnson; Christian Endeavor, 7 p. m., followed at 8 o'clock by preaching service by Rev. Johnson. Mid-week prayer meeting Wednesday evening.

Mrs. David Pence entertained Sunday, honoring her mother. Besides Mrs. Shelley, Rev. Troy Shelley, Percy Shelley, of Sandy, and Mrs. Miller, of Hood River, were present.

At the latest reports Genevieve Baker is improving.

CENTRAL VALE

The entertainment to which we had been looking forward for such a long time was given last Friday night and was indeed a treat such as we do not often have a chance to enjoy. All of the numbers were so excellent that one would hardly know which was the most enjoyable, and each so individual that it gave a pleasing variety to the program. The Odell Grange orchestra, directed by Mrs. Bertha Young, gave three pleasing selections that reflected great credit on the director and the musicians. The piano solos rendered by Mr. Woodfin, many of which were his own compositions, were given with such feeling and skill the one felt assured a true artist was favoring us with his gifts. Mrs. Reed, who won such a place in our affections, at her last performance here, deepened the impression with her readings this time. Her rendition of the one-act comedy, "The Florist's Shop," was truly marvelous, making anyone see vividly the whole setting without any aid of scenery, and holding everyone's attention spellbound till the end. She was called back for two encores but, as many said afterward, it was not enough, they could have listened to her for hours. Miss Drain, accompanied by Mr. Woodfin, delighted her audience with her contralto solos, which were admirably suited to her sweet voice. The last numbers, baritone solos by Mr. Woodfin, in which he accompanied himself, were both unusual and very much appreciated by the audience. Mr. Woodfin has a very fine baritone voice and his skill as a pianist made the songs doubly pleasing. All in all, it was an unusually fine program, and those who heard it, as well as the members of the Mothers' club, appreciate the efforts of those who so kindly gave of their talents for our pleasure and benefit of our community house.

The Portland artists drove up from Portland Friday afternoon and were delayed by car trouble. Mrs. G. A. Hoffmann entertained them at dinner and they drove back after the car was repaired, so it was an appreciable effort to put on the program.

Miss Geraldine Glickerson was on the sick list all last week.

Mrs. A. P. Blase, of Portland, recently spent a week visiting with her sister, Mrs. F. Clark.

The Mothers' club had a very pleasant meeting at the home of Mrs. Hill last Thursday. This will be the last meeting until July 10, when Mrs. Schwenker will entertain. At this meeting we expect Miss Whitteker to talk on "Health," which is a topic of interest to all of us, so we hope for a large attendance.

Mrs. C. M. Sheppard was quite sick the latter part of last week, but is recovering now.

A. H. Reek, of The Dalles, spent the week end recently visiting his sister, Mrs. Earl Clark.

This is the last full week of school, as May 20 is the last day, on which the usual school picnic will be held. Committees from the Parent-Teacher association and the Mothers' club are making the arrangements. The graduating exercises of the eighth grade and the opera, on which the teachers and pupils have been working for some time, will be given in the evening, May 21.

The local committee of the Hood River County Public Health association had a meeting with Miss Whitteker last Friday to make arrangements for the membership drive which will take place May 15 to June 1. The slogan the county association has adopted is "Every family a member." The dues are 25 cents a membership, which includes the family. The object of this drive is not mainly for the purpose of raising money but to interest people in the health association and in health work generally. The money collected in each community will be used for that community, either in the school or for the loan chest equipment or other good purpose. Let us all work to have our community 100 per cent membership.

Little Alvis Clark entertained the pupils in his room at school last Saturday afternoon at a lawn party at his home. All the children had a delightful time playing games and partaking of the ice cream and cake, so dear to a child's heart.

Several of the younger ladies of Odell and Central Vale presented Mrs. Wm. Glickerson with a shower of miscellaneous articles last Saturday afternoon. Surely the young couple will soon be supplied with all the necessary equipment for housekeeping.

Mr. and Mrs. Minger arrived last week for an unexpected visit with their daughter, Mrs. O. H. Hill. They drove up from Long Beach, Calif., by easy stages, in this way taking their golden wedding honeymoon and enjoying the trip very much.

Little Alvis Clark had the misfortune last Sunday to catch his left hand in a cog wheel, severing the end of the little finger and badly mashing some of the others.

Mrs. Nele Hagen, Vivian and Edgar were visitors in The Dalles Saturday.

Bishop Remington, of the district of eastern Oregon, was present and endorsed the plans.
