RESOLUTIONS OF THE POMONA GRANGE

The following resolutions were adopted by the county Pomona Grange last week:

Whereas, Many of our most prominent citizens, as well as both of our local newspapers are now threatening our county judge, H. L. Hasbrouck, with a recall election, owing to his recent action relative to the location and improvement of a certain proposed road, from the north end of our Mount Hood Loop highway to the interstate bridge across the Columbia river, and

Whereas, This is the same unjust, impractical and illegal project against which this grange has protested for over one year, and

Whereas, This grange did secure legal advice, more than one year ago, hoping that they might stop the payment of a $364.50, illegal survey bill, but which several months later was allowed and ordered paid, by our county court at a time when no one was aware the matter was to be considered, and

Whereas, Two members of our legislative committee from this grange appeared before our county grand jury, about one year ago, and presented this whole disgraceful public matter, asking for an indictment of the entire county court, and

Whereas, Said grand jury, through the advice of our district attorney, John Baker, endeavored to whitewash county court's action on this said illegal road survey; and

Whereas, This last and recent action of our county court, as told in our Portland daily papers, is but a continuation of the same political deal to which we called the attention of our county grand jury more than one year ago; and

Whereas, Our county court is composed of three members, and as the county judge is but one of these three, and is not a majority of the county court, we believe that each and every one of our county court have given assistance in creating this needless debt upon our county and that their action on this whole matter has been unwarranted; therefore

Be It Resolved, That we, the Hood River County Pomona Grange, do not favor the recall of our county judge, unless the recall is applied to all three members of our county court.

To the Members of Hood River County Pomona Grange.

As your legislative committee's work during the last state legislature was mostly reported at our last Pomona grange meeting in February, and as the most of you have learned, through the public press, the final results of our last legislature, we shall at this time, make only a few comments.

Our two representatives from this district, R. R. Butler in the senate, and J. H. Hazlett, in the house, both voted for the amended market road bill. Whether they have made a mistake in doing so is yet to be seen.

As we view this law, there is a grave danger in permitting our market road funds to be expended upon our state highways. There is also a loop-hole in this law, through which politics may be played in selecting the roads upon which our market road money is to be expended. But perhaps our criticisms are not in order at this particular time. We will wait for results.

Senator Butler voted against ratification of the child labor amendment, and also voted to not give the people a chance to ratify it. Representative Hazlett voted to refer it to the people for ratification.

Senator Butler voted to allow an appeal to the circuit court when a license was revoked. This was the wettest measure presented to the legislature. Hazlett voted dry in every case.

Senator Butler wanted to abolish state enforcement of the prohibition law. Representative Hazlett did not. Score one more for Hazlett.

Both Butler and Hazlett voted for all of the increased salary bills for our state officers. This is where we must score heavily against both of them. When our real producers of life's necessities cannot be given a fair compensation for their labor, then and not until then should any further advance in wages be given to those who are already well paid.

In conclusion, your legislative committee wishes to thank this grange for their very hearty support and endorsement of our entire work during our last legislature, for it is only through true cooperation that our influence is increased many fold.

Yours fraternally,
Mrs. Wm. Munroe,
A. I. Mason,
M. D. Odell,
G. A. Webber,
J. D. Smullin,
Legislative Com.

COUNTY HEALTH NOTES

The campaign for a countywide membership which the Hood River County Public Health association is planning will commence Monday, May 18. Are you ready with your subscription? You will be called upon without fail, and those interested are sure that you will do your part toward making Hood River county 100 per cent for its health program.

Here are a few pertinent reasons why you should join: First, because if you are interested in the welfare of your own home county you are interested in anything that is for its betterment; second, it is necessary for the executive committee of the health association and the county nurse to have a list of those to whom they may make a personal appeal, when health emergencies arise; third, if this county had had such an organization in the past few winters when epidemics broke out, results could have been secured much sooner than with the handful of workers who were to be depended upon, and what was no one's business except the health nurse and her committees would have been everyone's business. Then you would all have been doing your part toward stamping out at once the threatened epidemic, instead of allowing it to become the long drawn out and expensive to home and school handicap that it proved to be.

So be ready, Hood River citizens, with your fee of 25 cents for a year's membership, when the solicitors reach your home.

Parkdale held a well attended and enthusiastic meeting last Wednesday. Plans were completed for the campaign in that district.

Following is the list of community chairmen and their working committees for the coming year:

Pine Grove—Mrs. F. H. Blackman, vice president; Mrs. A. W. Peters, educational; Mrs. B. B. Lage, nurse; Mrs. Martin Dragseth, finance; Mrs. S. R. McDonald, supply; Mrs. C. C. Bickford, publicity.

Frankton—Mrs. M. J. Foley, vice president; Mrs. Albert Krieg, finance; Mrs. Wm. Skene, supply; Mrs. J. R. Nickelsen, publicity; Mrs. George Gallaway, educational; Mrs. Bert Hibbard, nurse.

Oak Grove—Mrs. D. L. Pierson, vice president; Mrs. Fanny Hannahan, finance; Mrs. Esther Hukari, supply; Mrs. Elma Jakku, publicity; Mrs. T. J. Annala, educational; Mrs. S. L. Banks, nurse.

Barrett—Mrs. E. D. Barrett, vice president; Mrs. Bosse, finance; Mrs. A. G. Wing, supply; Mrs. W. E. Cauller, educational; Mrs. S. M. Taylor, publicity; Mrs. C. R. Masiker, nurse.

Odell—Mrs. A. W. McKeown, vice president; Mrs. Almont Ferguson, finance; Mrs. Allison Fletcher, supply; Mrs. Horace Sylvester, educational; Mrs. Schweizer, publicity; Mrs. Waldo Mills, nurse.

Mount Hood—Mrs. C. Shaw, vice president; Mrs. W. J. Filz, nurse; Mrs. A. B. Rose, finance; Mrs. J. B. Doggett, educational; Mrs. S. Johnson, publicity; Mrs. W. T. Wyatt, supply.

Parkdale—Mrs. R. J. McIsaac, vice president; Mrs. Isaac Beal, finance; Mrs. Warren Gibbs, supply; Mrs. Grace Babson, educational; Mrs. H. G. Keeney, publicity; Mrs. Chas. Gunn, nurse.

Central Vale—Mrs. S. C. Walters, vice president; Mrs. Violet Adkins, finance; Mrs. B. J. Montgomery, supply; Mrs. Waldo Arens, educational; Mrs. Loyal K. Rhoades, publicity; Mrs. M. H. Craft, nurse.

Dee—Mrs. C. A. McCammon, vice president.

Cascade Locks—Mrs. M. Hendricks, vice president.

Hood River—Mrs. Charles Fuller, vice president.

Eastman Delivers First Berries

E. R. Moller exhibited the season's first strawberries for Hood River valley Monday, although quantities for shipment are not expected before Saturday. Mr. Moller brought a pint hallock to the city. Berries in carlots are expected by May 27. Express shipments of strawberries have been moving from Skamania and Klickitat county points for a week.

The local berry tonnage, according to estimates, will not exceed 80 cars this year. Because of inroads of root weevil plantings of the small fruit have been limited.

A. J. Eastman, however, delivered the first Clark Seedling strawberries to the Apple Growers Association. Shortly after Mr. Moller had appeared Monday afternoon, Mr. Eastman appeared at the Association offices and delivered three hallocks of beautiful berries.

The berries delivered by Mr. Eastman were grown on his Odell ranch place.

Dick Ford Honored

Richard Ford, who is finishing his first year at O. A. C., was elected third vice president of the associated student body at the annual election last week. Young Ford, son of Mr. and Mrs. Isaac Ford, has taken an active part in student affairs and made good on one of the college football teams.

He was a leading spirit in the local high school.

Adams Looks Like Sphinx

The natural scenic grandeur of the Klickitat country had a greatly added attraction to Goldendale citizens and residents of the Klickitat valley one day recently just before sunset when a bank of clouds was driven northward by a high wind, completely enveloping Mt. Adams in a snowy white mantle that gave the peak the appearance of being twice its normal size.

The apparition remained intact for several minutes before the [illegible] mountain began to lift from the top of the peak, giving the mountain the appearance of being [illegible] with a gigantic mushroom, [illegible] formation in which [illegible] a replica of the Sphinx [illegible] ily recognized.
