## FIRST NATIONAL BANK

HOOD RIVER, OREGON

## The Seven Shibboleths

The seven words Bank Ad Writers seem to like best are EFFICIENCY, SERVICE, CONSERVATIVE, SAFE, SECURE, STRONG and PROGRESSIVE. They are good words, too, and any bank may well seek to so conduct its business that these words may be appropriately used.

But without any of these words we can still say: *The Butler Banking Company operates one of the good banks of the State and it will be a better bank tomorrow than it is today, for betterment is a fixed policy of this institution.*

## MEMORIAL DAY PLANS MADE

LEGION IN CHARGE OF PROGRAM  
Tuesday Lunch Club Recommends That All Business Houses Close—  
News to Be Broadcast

It was the consensus of opinion at the Tuesday Lunch club that all business houses of Hood River should close Saturday, May 30, for Memorial day, the program to be in charge of the American Legion post. Vern Horne, chairman of the club, the meeting of which was held at the Columbia Gorge hotel, asked for a discussion of the matter. L. A. Bennett declared it his belief that dramatic action should be taken at once, in order that all merchants might be notified. E. A. Frans declared that all business houses would be glad to close, but stated that newspapers should carry announcement of the plans in order that folk residing on the Washington side of the Columbia might not come here expecting to do shopping and be disappointed. Plans call for all stores to be kept open Friday evening before Memorial day.

The lunch club unanimously adopted a motion recommending the closing of all business houses and the early announcement of such plans.

Dr. James A. Fraser, chaplain of the Legion post and chairman of the committee in charge of preparations for Memorial Day exercises, has given out the following announcement:

The committee appointed by the American Legion has been working in order to put into shape the program for May 30. There will be little change from previous years. It is hoped that the organizations taking part in the parade will meet at 9 a. m. sharp, at Fifth and Cascade. The members of the G. A. R. and W. B. O. will meet for their services at the Hood River bridge, at 9 a. m. Following their services they will join the other organizations at Front and State streets and march to the cemetery.

The following program for the parade has been drawn up by the committee: Colors, Drum and Bugle corps, American Legion, Marching War Team, E. P. Band, Boy Scouts, Camp Fire Girls, Canby Post, G. A. R., Relief Corps and Auxiliary of American Legion.

Dr. H. D. W. Pincus will act as marshal, and has outlined the line of march as follows: Line to form at Fifth and Cascade, to march on to Fourth, Oak to Front street, Front to State street, and State to cemetery.

Events for the forenoon and the cups up for each are: Boy Scouts, Kelly cup; girls' singles, Evans cup; boys' doubles, Hamilton cup; girls' doubles, Ketz cup; mixed doubles, Frans cup; girls' tennis, Frans cup; girls' tennis, Frans cup; girls' tennis, Frans cup; girls' tennis, Frans cup.

NEAR EAST BUNDLE  
DAY APPROACHING

Rev. C. R. Delepine, who for several years has acted as chairman for Near East Bundle Day, has issued a call for Hood River county to join with the rest of the state in the observance of the day, May 27.

Clothing of all sorts, except shoes, are needed for the half million refugees who are left of the million and a half that came out of Turkey three years ago, states Mr. Delepine. "We are hopeful that we are heading to see the end of the work," he states. "I do not say we are through, for there are thousands of children absolutely dependent on America and to forsake them would be a crime, but the Near East Relief is handling every penny to close up its work as soon as it can do it with a good conscience."

"During the last few years we have discharged 25,000 children from the orphanages and are discharging others just as fast as they can be absorbed into the life of the community. But we dare not relax our efforts to secure the largest possible amount of funds and clothing until the children are cared for. At 16 they go out to make their own way."

"Most encouraging reports of the success of the Near East work comes from our own neighbors who have recently visited the Near East."

"Miss Cornelia Marvin, state librarian, states that she found the children in the orphanages resourceful, alert, attractive and well worth every effort to save them. The people who are receiving aid now are by no means the ones whom we were helping eight years ago. The ones in need now are the ones who three years ago were uprooted from their homes to become strangers in strange lands."

Wearing apparel of any sort, except shoes, are greatly needed, and if they are sent now they will reach the Near East in time for the coming winter. There will be two bundle stations located at the stores of Kelly Bros. and M. P. Gibbon, the latter on the Heights.

## HOOD RIVER WINS TRACK, FIELD MEET

The Hood River high school team was an easy winner in the annual mid-Columbia interscholastic track and field meet held on Gibson field Saturday. Scores were as follows: Hood River, 55; The Dalles, 28; Goldendale, 27; and Wasco, 21. High point men were: Jesse Hathhorn, of Hood River, 18 1/2; Meyer, of Wasco, 17; and Dexter, of The Dalles, 16.

In honor of his victories, Jesse Hathhorn was crowned King of May, and with Queen Helen I, Miss Helen Kellogg, united over a pageant and May Day festival held by the students of all the participating schools on the local school grounds Saturday afternoon. The students served a picnic lunch to the visitors at noon. Fifty-one students participated in the meet.

Hathhorn won events as follows: First in the discus throw, with 110 feet and four inches, and in the 220-yard run; second in the 50-yard dash and pole vault, and he was a member of Hood River's relay team, which won first place.

Lalshart, of Goldendale, won the

## McALPIN WILL BE EMPIRE OF TENNIS

A. R. McAlpin, one of the best known sportsmen in the state, will act as umpire in the finals of the fourth annual Hood River county tennis championships tournament to be held here from June 8 to June 22 on the Benedict and Country clubs courts. Mr. McAlpin, who has been referee in the Oregon state tennis championships tournaments for years, is one of Portland's outstanding players. He has done more for tennis and sports in general probably than any other man in the state. He was the first president of Multnomah Athletic club, a director for years and president again in 1923. He is now an honorary member of that club and is also an honorary member of the Irvington tennis club. He is a director in the Eastwood Golf club and the Oregon representative of the National Lawn Tennis association. He has also been prominent in the Portland Rowing club and other athletic activities.

For years Mr. McAlpin has been interested in stimulating a love of tennis among the younger generation. He has recently given a series of talks before the high school students of Portland on lawn tennis, and is umpiring the final matches. Mr. McAlpin will also award the cups at the termination of play.

These trophy cups, donated by local merchants interested in tennis, are now on display at the hotel where they are creating a great amount of interest. F. L. Shuman has given artistic show cards to the committee in charge and these, together with the cups, will be on display in a pleasing display by Victor Follenius, who is doing much to make the tournament a success this year.

Entries have been coming in fast this week and from their number and strength it looks as though the team of Mamie Harrison and Oliver Samuelson, 1924 winners, will be hard put to it to defend their title. Among strongest contenders for honors are Lawrence Wright, Gordon Adams, Walter Wainwright, Susan Samuelson, Edward Newman, Susan Samuelson, Vienna Hubari, Elizabeth Perry, Virginia Vaughan, Irvin Amick, Carl Gregory, Margaret Fransen, Mary Katherine Best and Evelyn Johnson.

Events for the forenoon and the cups up for each are: Boy Scouts, Kelly cup; girls' singles, Evans cup; boys' doubles, Hamilton cup; girls' doubles, Ketz cup; mixed doubles, Frans cup; girls' tennis, Frans cup; girls' tennis, Frans cup; girls' tennis, Frans cup; girls' tennis, Frans cup.

Defeating Wasco on the latter's home grounds Sunday, the Hood River baseball team, which has footed the list of the mid-Columbia league, has climbed to second place. The locals defeated Wasco 7 to 6. Helms and Hall formed the local battery Sunday. A feature of the game was a home run by McLeod, Hood River's first baseman. Dan Cooper, Hood River's second baseman, saved the day in the ninth inning when he made a beautiful throw to home plate, Hall tagging a Wasco player.

Hood River will meet Dufur, tied with The Dalles for first place, here next Sunday. Local fans are displaying a renewed interest in the game, and it is anticipated that a record crowd will be at Paradise diamond for the game.

Mount Hood to Play Heights  
The Mount Hood baseball team next Sunday will play the Hood River Heights team at Mount Hood. These two teams, with Mount Hood winning, played an 11-inning game earlier in the season.

Mount Hood last Sunday administered a decisive licking to the Mosier team.

FASHION COMPANY  
DEDICATES STATION

The Fashion Livery Co. last Saturday celebrated the 25th anniversary of entering in business in Hood River by opening the new Fashion service station at the corner of Oak and Front streets. The new service station is equipped with all of the latest and most modern service station facilities.

The Fashion stables were formerly known the length and breadth of Oregon. Twenty years ago, when travel was by horse-drawn vehicles, the company owned 60. The business was started and is still owned by James Stranahan, A. K. Stranahan and Charles Rathbun. Their horses in early days carried tourists from the four corners of the country to Cloud Cap Inn.

The new service station, with a red tile roof, and the main structure of stucco, is one of the handsomest in Oregon. The grounds surrounding it are being beautified.

Unger to Occupy New Structure  
By June 1 H. Unger, who has been operating a garage on Twelfth street on the Heights, will move to the new concrete building, a structure 22 by 50 feet, now being equipped by the Fashion company on the property on which is located their new service station. Mr. Unger will equip the place with the most up to date machinery. He will add Welder's test bench for generators, starters and ignition systems. A new valve machine will be installed.

Mr. and Mrs. A. P. Slade, former East Side resident, was here last week visiting Mr. and Mrs. F. H. Kingdon and Mr. and Mrs. Jack Clark.

## LEGION TO

HOOD RIVER COULD BE  
MEMORIAL FEAT OF MEMORIAL DAY

Dr. V. E. Alshuman, in charge of the local American Legion chapter, has notified Monday that Hood River county's quota of \$20,000 to be raised in Oregon by the American Legion in the national memorial campaign and given for the Downsbrough hospital had been met at 1920.

The local post will conduct a campaign this week among its own members for raising the quota. This is a patriotic movement that is expected to secure the local quota without having to carry the burden to the general public. Voluntary contributions, however, it was stated will be gladly received from the public.

A number of states have already raised their quotas in the national Legion campaign. Longwood proposes to raise \$10,000 for its quota. The campaign has had the endorsement of the leading men of the nation.

The directors of the Chapter of Commerce Monday gave the campaign its endorsement. It was declared at the Tuesday Lunch club meeting by Dr. Alshuman, who said that more than half of the \$100,000 to be raised in Oregon will go to the maintenance of the Downsbrough military hospital.

The Legion's efforts have received widespread support from Friends and Quakers throughout the district and the endorsement of prominent men and what they had to say about the campaign:

(Continued on last page)

## BOY SCOUTS WILL SELL RED POPPES

The local chapter of the Boy Scouts Auxiliary of the American Legion will observe Poppy day here tomorrow, when the boys will sell and distribute the red poppies to the children of the town.

In France and Belgium, the custom is to wear poppies to honor the war dead. The poppies were the only thing that grew in the fields after the war, and the soldiers wore them to honor their fallen comrades.

It is hoped that the sale of the poppies will result in a large amount of money for the relief of the war-torn people of France and Belgium.

The poppies will be sold at a price of 10 cents each, and the proceeds will be used for the relief of the war-torn people of France and Belgium.

The poppies will be sold at a price of 10 cents each, and the proceeds will be used for the relief of the war-torn people of France and Belgium.

The poppies will be sold at a price of 10 cents each, and the proceeds will be used for the relief of the war-torn people of France and Belgium.

## ASSOCIATION IS RETURNING \$125,000

When the Apple Growers Association this week forwards to growers checks aggregating \$125,000, the sixth cash distribution on the 1924 apple crop, its affiliated growers will have received approximately \$2,125,000 on their last year's tonnage.

The Association started its cash distributions in December with checks that aggregated \$400,000. Each month since then substantial amounts have been paid. Advances for expenses and for the harvesting of the fruit reached about \$1,250,000.

The apple crop of 1924 set a record for tonnage, and the returns on the crop will bring into the valley an unprecedented large sum of money this season. It is estimated that growers received at least \$1,000,000 from independent shipping agencies.

Prospects for the 1925 apple market are looking better. Buyers are looking forward to the deal with optimism. The tonnage of the northwest, it is reported, will not be as large as was anticipated earlier in the season. Recent frosts in eastern and middle western commercial fruit centers have tended to strengthen the outlook from the standpoint of the grower of boxed apples. The California Newtown district will have a negligible tonnage the coming fall, according to latest reports from that section.

## G. A. B. MEMORIAL SERVICES SUNDAY

Annual memorial church services of Canby post, G. A. R., will be held next Sunday at Riverside Community church. The Grand Army men and members of Canby corps, W. E. C., will attend the church in a body. A program of special music is being arranged by Mrs. C. H. Blanton, director of Riverside choir.

The pastor, Dr. James A. Fraser, will deliver a sermon on "The Institution of Jesus."

Mr. and Mrs. J. M. Crawford of Walla Walla, was here last week. They were guests of the Columbia Gorge hotel. Mr. Crawford is president of the True-Blue Legion of
