Concrete Building Blocks
 We make Building Blocks which make an ideal wall,
 whether it be for retaining wall, basement, warehouse or
 residence. We make rock face blocks which are a nice fin-
 ished product, also plain blocks which is fine for stucco work.
 Anyone who is going to build and wants a building
 for permanency, and as near fire and frost proof as can be
 made, we would be glad for you to come in and we will give
 you an estimated cost.
 We also make double constructed air spaced Chimney
 Blocks. Also "Concrete Shoppe Brick" which has stood the
 test.
 If you want anything in the concrete line, call and see
 us.

WHITE SALMON
 Cooperative weather observer's re-
 port for 24-hour period ending at
 5 p. m. Saturday, maximum tempera-
 ture 55; minimum 44; partly cloudy;
 brisk west wind.
 Mrs. A. H. Jewett, of the old
 Jewett farm, who has been very ill,
 is reported as being slightly improved
 and was able to sit up during Satur-
 day.
 A small house on the A. H. Jewett
 place, which was occupied by two
 ladies, was destroyed by fire Friday.
 Cause unknown.
 Mrs. E. Moresse, of Forest Grove,
 Ore., mother of Editor Moresse, who
 has been visiting at the latter's home,
 returned to Forest Grove Saturday.
 Moresse took her to Portland via the
 Columbia highway and will return
 with his wife and children, who have
 been making an extended visit at the
 Moresse home in Forest Grove.
 Mrs. R. J. Bates and son, Richard,
 of Portland, will arrive shortly for
 an all summer's visit at Bates Bros.
 home on Burdoin mountain.
 The lumber market seems to have
 taken on new life on this side of the
 river. Bell Bros., of the Mountain
 Brook district, and others are truck-
 ing great quantities of lumber and
 timbers to town in anticipation of a
 substantial building boom in our little
 city.
 Much enthusiasm has been aroused
 here over the big program to be put
 on by the White Salmon valley com-
 munity chorus at the Jewett farm at
 8 p. m. Friday. Singing is getting up
 for the event to be staged there under
 auspices of the Camas Prairie and
 vicinity pioneers and are getting the
 big Baker & Coe warehouse in shape
 for the ball to be given on this occa-
 sion. Remember the date, June 18,
 Pioneer day. Indian operetta, "From
 the Yellowstone," a truly wonderful
 pageant. Tickets are going like hot
 corn cakes. On over!
 Catherine Young, athletic young
 daughter of Mr. and Mrs. Walter
 Young, of White Salmon, and Alger
 Cox, also a promising student in the
 grammar school here, are proud pos-
 sessors of Progress buttons won re-
 cently under the Palmer method of
 penmanship. The above little lady
 is being put through a course of real
 athletic work by her daddy, who was
 formerly a star acrobat in Ringling
 Bros. circus, Paris, London and New
 York hippodrome theaters.
 Banker Geo. A. Road, who took his
 family to Goldendale for an extended
 visit, is again at his desk in the
 counting house here.
 Friday tourist traffic through here
 was unusually heavy. The stores
 were crowded and business is perk-
 ing up.
 Saturday was our lucky day, sure-
 ly, ye humble scribe being tendered
 a cordial invitation to attend the big
 picnic scheduled for June 14 near
 Parkdale. A strong effort will be
 made to entice Capt. Wm. L. Bates,
 past commander K. T., state of Ohio,
 to attend this event and tell one of
 his famous stories. The captain is
 in his eighties, but still retains a
 great deal of pep. During his many
 years' residence in Dayton, O., he was
 considered one of the best drill mas-
 ters in the uniformed rank of Knights
 Templar in the United States, having
 originated many intricate formations.
 A brother of J. P. Mortimer, a resi-
 dent of the South White Salmon dis-
 trict, divvied-out west from Kansas
 Friday. He is a prospective settler
 who desires a good orchard propo-
 sition of 50 acres or more. His main
 objection to our country is that it is
 all "chickens"; too many hills, too
 many perpendicular farms; cannot
 cultivate an orchard without falling
 off the place, etc. True in a few
 instances, but prairie people cannot
 realize the importance of proper
 drainage in an orchard. If the soil
 is rich and deep with no hard pan
 lying close to the surface, we say
 give us the hills and go back to the
 primitive method of cultivation, viz.,
 with a good old team. Too slow?
 Not if it pays. Mr. Mortimer visited
 the Hood River, Trout Lake and Bur-
 doin districts and decided to try his
 luck near Eugene, Ore. His big fam-
 ily accompanied him.
 Rev. J. J. Handsaker, regional di-
 rector of the Near East relief for the
 northwest, spoke at the Congregation-
 al church here Sunday morning. Ad-
 dresses were also made at Bingen
 and at Underwood during the after-
 noon and evening.
 Mrs. W. E. Rambo, of Portland,
 also spoke on the Near East to an
 attentive audience at the Methodist
 church here and also at Husum Sun-
 day.
 N. W. Torrey and daughter have
 arrived here from Santa Monica,
 Calif., for a visit with White Salmon
 friends. The family formerly resided
 here.
 Born — To Mr. and Mrs. George
 Randolph, of the Mountain Brook
 district, Thursday, May 28, a fine
 baby boy.
 Mr. and Mrs. Wm. Crossley, of New
 York, accompanied by Mrs. Crossley's
 brother and wife, Mr. and Mrs. Geo.
 Hammond, of Grand View, Wash.,
 spent several days at the Glory Mead
 ranch, guests of Mr. and Mrs. H.
 Negaard, of Mountain Brook.
 Mrs. C. E. Woodruff has gone to
 New Hampshire, where she will spend
 the summer with her daughter.
 Ernest Hinshaw, of the state high-
 way department of Nevada, will ar-
 rive here this week for a visit with
 his parents.
 The White Salmon mine lost a game
 with Goldendale in that city a week
 ago Saturday; score 9 to 8. Their
 good nature was restored the follow-
 ing Sunday when they won a game
 from Hood River; score 12 to 0. And
 so it goes; down again and up again
 Madigan.
 Watch for "Moe-rain," if you can
 locate the darned old kolyum title
 suggested by Rex and Ben Hur Lamp-
 man, of the Telegram and the Ore-
 gonian. Look up the meaning of the
 word "moraine."

REV. BILLY SUNDAY
ARRIVES FOR SUMMER
 Rev. Billy Sunday slipped quietly
 into town Sunday night, arriving
 from Winston-Salem, N. C., where he
 had been engaged in a series of meet-
 ings. Local folk did not know that
 he was here until he appeared Mon-
 day as "Farmer" Sunday. The evan-
 gelist had donned a suit of khaki, a
 relic of last summer's farm work, a
 pair of ancient leather puttees and a
 nondescript hat.
 Mr. Sunday will remain on his
 ranch place in the Odell district until
 he begins his Portland meetings in
 September. He and his brother, Ed,
 the latter superintendent of the
 ranch place, are engaged in develop-
 ing a new tract purchased last year.
 Mr. Sunday sidestepped discussion of
 his plans for the Portland meetings.
 He was too busy talking about drain-
 age tile, Hereford cattle and a hun-
 dred and one other details of his
 ranch plans.
 "Just tell 'em," he said, "that I
 am taking a rest out on the farm."

ALL OUT OF SORTS?
 So Was This Hood River Woman
 Who Tells Her Experience
 All too often women accept their
 pains and aches as natural to their
 sex. They fail to realize that weak
 kidneys are often to blame for that
 backache, those headaches, dizzy spells
 and that tired, depressed feeling.
 Thousands have found new health and
 strength by helping the weakened
 kidneys with Doan's Pills—a stimu-
 lant diuretic. This Hood River case
 is one of many.
 Mrs. W. C. Wheeler, 1216 Eugene
 St., says: "My kidneys were weak
 and I had attacks of backache. If I
 overworked or took cold, I felt dull
 and languid and had no energy. My
 work was often neglected. Dizzy,
 nervous headaches were frequent and
 my kidneys didn't act right, either.
 I used Doan's Pills and they soon
 gave me relief from these ailments
 and benefited me in every way."
 Price 60c. at all dealers. Don't
 simply ask for a kidney remedy—get
 Doan's Pills—the same that Mrs.
 Wheeler had. Foster-Milburn Co.,

HOOD RIVER ORTLEY WIN PRIZE
 The following letter was received
 by the American Fruit Growers Assn.,
 from A. Marten, of the American Pro-
 duce Commission Co., of Laredo, Tex.,
 complimenting on Hood River Ortley
 apples:
 "We have your letter of the 18th
 inst. at hand, relative to the pack
 and satisfaction that we received
 from the Hood River Ortley apples
 we purchased from you people this
 past season, and wish to say that
 in our many years dealing in apples
 we have never received a better pack
 of apples from anyone, and only hope
 that the pack of this coming season
 will measure up to the high quality
 and standard that was established
 this last season. We hope that you
 will keep us posted from time to time
 as to crop conditions, prices, etc."
