

Get the Red Crown Mileage Card any time. It will save you money. Use it and see your mileage increase!

"Made 12.5 gallons go as far as 20 did before!"

It's no trick getting extra miles out of "Red Crown" because extra miles are in there. Here's what one motorist discovered:

"I checked my mileage last month and was getting only 8.9 miles per gallon. My Red Crown Mileage Card set me right and on my last trip I did 14.4 miles per gallon. In fact I made 14.4 gallons go for the 20 that before!"

Get a Red Crown Mileage Card, fill the tank to the brim with "Red Crown," follow the instructions in the Mileage Card and watch your mileage increase!

Why didn't somebody think of it before?

The Great Monarch Electric Range

with COAL and WOOD Fire Section.

Here's the answer to the objections to all ordinary Electric Ranges:

How will I heat the kitchen?
How dispose of rubbish?
How heat water economically?

MONARCH not only solves these; there are other startlingly new features that appeal to every one interested in electric cooking.

Pure Aluminum Oven - Non-Rusting - Non-Corroding.
Automatic Heat Control - Almost Human in Operation.
Large Capacity - Takes up Less Space Than Others, Even with the Coal and Wood Section.

We are rushing shipments from the factory to fill orders. Samples now on display.

Announcement

After the freeze of 1919 we began the study of HARDY AND DISEASE RESISTANT APPLE AND PEAR TREES in order to secure permanent replacements in our own orchards. Now, after having tested out a large variety of trees we have developed and are able to offer stock which will survive the severe winters of the Mid-Columbia District.

Our M. A. N. apple trees and our HARDY PEAR STOCK have immense vitality and are extremely rapid growers. We are offering Hood River growers a very moderate supply of this stock. Do not delay in investigating the merits of this stock. Our available supply of trees is being rapidly taken. Send for descriptive literature.

MOUNT HOOD

now 75 Horse Power

Buick Performance steps further ahead in World Leadership

The Valve-in-Head engine in the Better Buick Master models delivers more than 75 horsepower! Extra power has been added to the extra power always a feature of Buick's famous engine.

Even drivers of previous Buicks will be amazed at the performance the Better Buick now places at their command. The higher efficiency of the engine in the Better Buick includes the same economical consumption of gasoline and oil that has distinguished all past Buicks.

And the Better Buick now leads the world in protection for engine and driving units. Three new seals have been added to Buick's famous Sealed Chassis. An air cleaner, a gasoline filter, and an oil filter now insure clean air, oil and gasoline for the engine.

Drive one of the Better Buicks. Know how much the new 75 horsepower Standard of Performance adds to the pleasure of Buick's ownership.

You never again will be satisfied with the power and performance of the ordinary motor car.

[When Better Automobiles Are Built] BUICK Will Build Them.
