CHEVROLET

New Measure of Value

Chevrolet represents the highest type of quality car selling at a low price. Public acknowledgment of this fact has been evidenced by a greatly increased demand for Chevrolet cars. This increased demand has resulted in increased production

making possible decreased prices on closed models and improved quality on all the models. Now Chevrolet provides "Quality at Low Cost" to greater degree than ever before. Now Chevrolet presents to automobile buyers everywhere a new measure of value.

We are now making a special showing of these new cars and would be glad to have you call and see them.
