Mr. and Mrs. Harry G. Moe, of Dayton, Wash., were here the first of the week visiting Mr. Moe's brother, A. D. Moe, and wife. Mrs. Moe, who had been visiting in Portland, came here by train, and Mr. Moe motored down from Dayton to meet her.

Members of the "H" club, an organization effected to boost high school athletics, will hold a dance tomorrow evening at the K. P. hall, beginning promptly at 9 o'clock. The proceeds will go toward financing athletic affairs. An orchestra from The Dalles will furnish music for the dance.

One of the biggest salmon trout landed on Hood river this season was hooked and landed yesterday by Commodore and landed yesterday by Commodore and landed yesterday by Commodore.

Mrs. G. A. Molden has returned from a three-week visit with relatives of Mr. Molden, at Tacoma. Mr. Molden motored up for her the latter part of last week. Accompanied by Mr. Molden's sister, Miss Clara Molden, Mr. and Mrs. Molden motored via the Hood's canal route to Port Townsend, for a visit with Mr. Molden's sister, Mrs. Floyd Sather, and his mother.

Dr. John S. Lundy and wife, and mother, Mrs. Lida Lundy, who are spending a month at various Pacific coast points, lunched at the Columbia George hotel last Thursday, where they were joined by Mr. and Mrs. E. E. Lundy, who is a member of the Mayo Bros. staff at Rochester, Minn.

Dr. John S. Lundy and wife, and mother, Mrs. Lida Lundy, who are spending a month at various Pacific coast points, lunched at the Columbia George hotel last Thursday, where they were joined by Mr. and Mrs. E. E. Lundy, who is a member of the Mayo Bros. staff at Rochester, Minn.

"I don't know much about the oyster business," confessed E. M. Chandler, of Olympia, Wash., registered at the Benson hotel in Portland, late week, "but I know that the Olympia oysters are all right. There is a big signboard at the entrance to the city on the Pacific highway calling the attention of tourists to the fact that the Olympia oyster is a native of that vicinity." Mr. Chandler, who promoted the Columbia Interstate bridge between Hood River and White Salmon, is most interested at present in securing a franchise for the construction of a toll road which will provide a short cut between Tillamook and Portland. The application for the franchise has received favorable consideration from the courts of Washington and Tillamook counties and is to be talked over by the state highway commission at the regular meeting next week. Mr. Chandler contends that his proposition should be considered on its economic merits and he does not believe that granting this franchise will be a forerunner of toll roads in other parts of Oregon.—Oregonian.

for the football team, which was held at the close of the student body meeting—Ethel Pyles.

The junior class had a hot dog stand last Saturday at the Hood River-Franklin game. Several junior girls were in the stand selling hot dogs to the large group of people attending.—Kenneth Larson.

Friday afternoon of this week at 3 o'clock the Hood River high school griders will meet Roosevelt high of Portland on the home field. Although Hood River lost their first game to Franklin high last Saturday, it is expected that they will make a much better showing against the Rough Riders.—Harry Weber.

An assembly for boys only was held during the noon hour last Friday. Talks were given by Coaches Garber and Weber on "Sportsmanship." They held a rally and closed the assembly with the school song.—Erakine Sandys.

The Hood River high school football team was defeated here last Saturday afternoon by the Franklin high school team, of Portland, in the first game on the local field. Though Hood River played hard, the Franklin eleven made a score of three in the first quarter of the game. No score was made by either team in the next two quarters but Franklin made two touchdowns and two goal kicks in the last quarter, making the final score 17 to 0. This was the first time the Hood River high team has even been defeated by Franklin high school.—Florence Stranahan.

One of the features of last week was a verb and pronoun test, given Wednesday. The test was made up of a set of 20 sentences, which contained either an improper verb or pronoun. The entire school took part in the test. Fifty-one seniors made 39 mistakes, 91 juniors made 109 mistakes, 77 sophomores made 114 mistakes, and 103 freshmen made 251 mistakes.—Charlotte Clapp.

The following letter has just been received from Edward Naumes, now at Stanford University: "My trip was uneventful but since I have arrived it has been one thing after the other. There is always something to do and usually a good many things which might be done.

"I reached here the afternoon of the 15th and had time to get my equipment and practice. Huskey Hunt is the freshman coach now. He is not more than five feet, six inches tall but he can make a squad work. He is not harsh, but easy going as is his assistant, who seems to be a fine fellow, too. There are two practices each day but after school starts there will only be one. Tomorrow the varsity plays the Olympic club, of San Francisco. The frosh will play a preliminary. This is the first game of the season for the varsity and it will be a hard one. I haven't seen the varsity scrimmage. It certainly is a fast outfit. According to San Francisco newspapers the Bears will probably win the coast and national championships. Only two of the veterans of last year's team are missing. No doubt we will have a strong team but Pop Warner knows his stuff and Stanford is not losing any sleep over the situation. The game tomorrow will be held at the stadium. The freshman squad is lacking in backfield material but there are a lot of good men here and I think the Cubs are due for another triumph. That is only a very small part of the football news, but it must suffice for the present.

"I am staying at Encina, as you may see from the heading. This morning I moved to my regular room. I had been staying on the main or ground floor. All the football men were there so it would not be so much trouble for the janitor. I have been eating at the training table, which is at the Breakers club house. There certainly is a ravenous bunch here."

Weather Prophets are at it. Although furnace fires were not started here until Monday mid-Columbia prognosticators of the weather have already announced the approach of an early and hard winter. They declare that the flight last Friday night of a large flock of wild geese toward the south indicated early storms with a drop in the temperature.

An elderly Japanese of the White Salmon district, has old neighbors that his observations justify predictions for severe winter weather. The Nipponese orchardist says he bases his prognostication on the abundance of yellow jackets this summer and fall. He declares he has never seen a heavy crop of these variegated wasps fall to bring a hard winter.

Minstrels Please Audience. Hood River theatre patrons enjoyed many good laughs at the Rialto Tuesday night when Richards and Pringle's minstrels were presented. It was a good show from beginning to the final number. The negro singers possess voices that are appealing. Their repertory of songs called for repeated encores.

Chick Beeman was billed a destroyer of sorrow. He was all of that. His droll monologues produced a regular orchestration of laughter. Another topline with the minstrels was Julian Costello, in his impersonations. Hood River folk will welcome the return of the minstrel show.

Glady's Lorraine Corbin. Funeral services will be held today at the Anderson chapel, Rev. W. O. Livingston officiating, for Glady Lorraine, three-year-old daughter of Mr. and Mrs. Marshall Corbin, of Dec. Internment will follow at Idlewild cemetery. The death of the little girl occurred Tuesday night at the Hood River hospital.

Miss Elizabeth Peers, of Dec. who is convalescing from an appendicitis operation, has returned from the hospital.

National Grange Lecturer Coming E. O. Martin, of New York, national lecturer of the grange, will deliver an address to members of the farmers' fraternal order at Pine Grove Grange hall next Wednesday evening. While Mr. Martin's subject was not announced, it was stated that he would touch on economic problems that are vital to agricultural interests.

Foods of the Season The best of steer beef in any cut you may wish. Call at the shop or telephone us your order, and you will get what you ordered. Try some of our PURE PORK SAUSAGE these cool Autumn mornings. Mild Cured Salmon. Fancy Cheeses. Fish and Shell Fish. The LAURNELL MARKET "Nothing But The Best"

APPLE SHIPMENTS SHOW AN INCREASE Although Saturday records showed that apple and pear shipments a year ago were greater than on the same date this year, shippers say they expected to see the 1925 shipments by today in excess of those a year ago, in spite of the short crop this season. Apple and pear shipments Saturday aggregated 140 cars, while those for September 26, 1924, reached 205 cars. Bartlett pears were packed and shipped east last year. This year, however, Bartletts were sold to canners. Records of this season show that 734 cars of apples had been sold up to Saturday to the domestic trade in the mid-Columbia district as compared with 1,036 cars on the same date a year ago. No figures are available on the export sales, but they have reached a record figure for so early in the season. W. E. Bathe, formerly of Juneau, Alaska, but who has now selected Walla Walla, Wash., as his home, was here last week visiting the family of his daughter, Mrs. Harry Dobson.

A Customer Of the Radio Shop. Complained That we were seldom in, evenings. We denured. And found they phoned 1234 which is now Gibbs Battery Station. Ann. The Radio Shop is 1264. Besides We are always in, mornings. To serve you in person. And afterwards somebody will serve you as well as possible. Evenings we are usually out demonstrating after 7.30. And we do not need Half page ads. For our Grebe. And Awaiting Kent lines. Speak for themselves. All we ask is a trial, for comparison. Thank you. The Radio Shop of Hood River J. G. Bradford 308 Cascade Ave.
