The offerings from the children to preserve "Old Ironsides" amounted to almost \$5. Mrs. Jasper Wickham entertained the Four Leaf Clover club last Thursday, a good number being present. However, some of the ladies are still busy in the apple harvest. Among the many good things to eat in the lunch was pumpkin pie, the kind Mrs. Wickham is famous in the making. SCHOOL NEWS

(Marguerite Harms) The city teaching staff now is 100 per cent in membership in the National Teachers association and also 100 per cent in the Oregon State Teachers association. To date it has 90 per cent in the County Teachers association and expects to have 100 per cent before the county institute next month. This is the second time in successive years and the only times in the history of the city schools that the teachers have 100 per cent in membership in both national and state organizations.

For the first time in four years Hood River downed the Goldendale team at 10-6. The Hood River team outweighted the visitors and were a good deal larger but Goldendale put up good games.

The next game of the season will be played Friday afternoon on Gibson field, when the White Salmon high school will meet Coach Garber's Huskies in the annual football game. There will probably be a large crowd to witness this game, which is the last until The Dalles meet. This last game is the biggest annual game in local football circles and will be on The Dalles field Friday, November 6. It is expected that a large crowd will accompany the team to the neighboring city.

Last Friday Supt. Cannon showed "Uncle Tom's Cabin" in five reels at the Park street assembly hall in both matinee and evening shows. The children were particularly delighted at the characters in this drama and a large number were in attendance. The small charge of five cents was necessary to cover the rental. There will be other pictures shown from time to time.

The seniors will give the first of the high school class parties Friday night from 8 to 11 o'clock in a high school auditorium. All high school students and their parents are invited.

Miss A. Sawyers, of the commercial department, and R. Probstel, of Park street school, were both out last week on account of illness. The positions were filled by Miss Florence Clark and Mrs. Janet Jackson.

A special assembly in honor of "Old Ironsides" week was held last week in both the high school and junior high. In the former Capt. G. R. Wilbur was the speaker and the latter, State Representative Hadden. The collection pign was explained by Supt. Cannon.

In the Park Street school talks were made in each room by the principal, Dora D. Overton, and in the Coe school by the teachers. Collections were taken in all schools which resulted as follows: Coe primary, \$238; Park Street, \$122; High, \$345; and high school, \$138. This made a total of \$1333 or an average of about three cents per student.

Thursday evening previous to the H. R. H. Goldendale game Friday afternoon a great number of high school students turned out for a rally. They met on Gibson field then went in cars down town where they paraded up one street and down another yelling "H. R." After returning to the field a huge bonfire was lighted around which the students practiced yelling some new school yells.—Janita Glaze.

The Hood River high school has started a campaign for the purpose of making the serpentine better. As a general rule there has not been much unity or system in the serpentine. Last Thursday afternoon an assembly was held and one of the features was a serpentine practice under direction of Miss Ethel Swartz. As a result of this a noticeable improvement was made which showed itself at the Hood River-Goldendale game the next day.—Anita Spencer.

Junior High School

(By Ruth McClain) In last Friday's assembly a program was given on the preservation of "Old Ironsides." Representative Wilbur gave a talk and essays on this subject were read by Marnie Crites, Lucille Tomlinson and Ray Steubing. A poem was recited and several songs were sung.

Condon Folk Hurt in Wreck

Mr. and Mrs. Albert Rose, returning from Portland to their home in Condon, were both painfully bruised Monday night when their automobile went off the Columbia River highway near Shell Rock mountain, 12 miles west of here. Their small baby was uninjured. The car, skidding on wet pavement, turned completely around and turned over in a heap of rocks at the roadside.

Mr. and Mrs. Rose were brought to the Hood River hospital for treatment.
