Other Proceedings
 November 2nd, The committee consisting of A. J. Graf, H. L. Shoemaker and F. H. Batten, heretofore appointed to investigate and recommend a site for an Experiment Farm, reported that all offers for sale, received after two advertisements, had been investigated

by the committee with Messrs. Childs and Brown, and recommended the purchase of the tract offered by the Caldwell, Durham Investment Co., 35 acres, \$23,000. The Court agreed to purchase this tract provided a way could be found to finance the deal.
 \$10,000 4% Mt. Hood Loop Highway Bonds which had been advertised for sale were sold to Pierce, Fair & Co., of Portland, for \$10,912.
 November 4th a committee from Dee, Summit, Odell and Chamber of Commerce appeared before the court asking for Market Road money for the year 1926. The Court decided to ask for a meeting with J. H. Scott, Market Road Engineer, as required by the Market Road Law.
 The Budget Committee, composed of R. J. McIsaac, John Mohr, H. S. Galligan, L. M. Baldwin and I. R. Achesson, with the County Court, are to meet Thursday, November 12, at 10 o'clock in the Assessor's office at the Court House to prepare the tentative budget for 1926.

MAY ROBSON AT DALLES TONIGHT

Everyone will hail with delight the good news of the arrival of the best loved dramatic star on the stage today, May Robson, and she has a whole company of players, who have never been here, and whose support is more than commendable to the star. May Robson will appear tonight in "The Dalles at the Auditorium in "Helena's Boys" which has had a most successful run of three months at the Henry Miller theatre, in New York.
 Augustus Pilon is the helmsman of the tour, and he is gratified beyond measure at the success of the new venture.
 May Robson is a name which has stood for nothing but the best, ever since she made up her mind to become an actress. Name would ever think of her in a role that was in any way risque, or double entendre, but to keep up to the times in "show business" you have got to grasp all the new ideas and if possible give a public demonstration of the most radical of them.
 "Helena's Boys" is the Saturday Evening Post story, "The Boys," by Mary Brecht Falter, and it is an up to date subject, which is on everyone's tongue; namely, the modern era, and the pros and cons are being the most talked of subject in the social and scientific world today.
 "Helena" is only one of the many mothers of this big world whose children are her idols, and the sun rises and sets in them. The boys are at college and in their absence "Helena" has at last consented to become the wife of James Trusdell, and has it all arranged to inform the boys at once, but they come home with their heads full of a widely accepted theory, which is staggering truth to "Helena," but which, when thoroughly dissected, gives her the golden opportunity to let them see themselves as others see them.
 Miss Robson was never more magnetic than in the scene with the boys, when she declares she will not be married the old fashioned way, but will be one of the pioneers of this great and wonderful theatrical movement.
Jury Acquits Father
 An unusual case came up in the Skamania county court in Washington recently when, on a complaint of the directors of the Underwood district, G. W. Collins was arrested on the charge of failing to send his children to school. At his trial he testified that the roads were in such condition that the school bus could not transport his children, and that they were too small to walk. The jury acquitted him.
St. Helens Man Has Gin
 H. W. Adams, St. Helens man, was

and held here Saturday night on a liquor charge. The officer relieved the visitor of a quart of gin. Adams forfeited \$25 bail.

HELP FOR OLD FOLKS

Old Age Should Be Happy—Not a Time of Sickness and Suffering
 Too many people begin to suffer at middle age with constant backache, urinary ills and rheumatic pains and aches. Weak kidneys are usually the cause and, if neglected, there is danger of hardened arteries, dropsy, gravel or Bright's disease. Help your weakened kidneys with a stimulant diuretic before kidney disease gets a firm hold! Use Doan's Pills. Thousands of old folks recommend Doan's. Here is Hood River proof:
 Franklin Miller, 810 June St., says: "I have used Doan's Pills and can recommend them from experience. My kidneys were weak and I had a dull ache in the small of my back which made it hard for me to stoop. My kidneys didn't act right but Doan's Pills helped me by strengthening my kidneys and back."
 Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Miller had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. n12-26
