### SCHOOL NEWS

(Marguerite Harms)

Mrs. Alta Lewis Stevens, head of the Social Hygiene Lecture Service, gave four very interesting talks to the girls in the high school auditorium Monday and Tuesday. She works among many different types of girls, including those of factories, schools and even the country girls. Although she explained many perplexing problems, her chief stress was placed on health and the ways of securing it.—Audra Cooper.

Next week the city schools will be in session only Monday. The last of the week will be vacation time for the pupils, the teachers, however, attending the county institute at the high school building November 24 and 25 under County Superintendent Critze. They will be dismissed for the Thanksgiving vacation Thursday and Friday.

Several pupils were absent Friday, presumably on their way to Eugene to attend the football game of Saturday. Coach Garber left the seventh period, accompanied by some of the football team.

The last scheduled football game of the season was played on Gibson field Armistice Day between the teams of Camas high school and Hood River high school. The teams were rather evenly matched. The only score was made by Hood River in the last few minutes of play, a touchdown, the final score being 6-0 in favor of the home team. A share of the playing, however, was done in Camas territory. The ball for the Hood River touchdown was carried over the goal by L. Woodford, who was put in as a substitute for Mendenhall. The field was muddy on account of the rain.

This annual Education Week, sponsored by the American Legion, the National Education Association and the U. S. Bureau of Education. Its purpose is to bring to the attention of the American people the educational systems used in the respective schools and to determine all possible means of improvement. In Hood River each day is given some observance along such lines as a series of bulletins by Supp. Cannon.

The Lunch club dined Tuesday in the high school, where they were served by girls of the cooking class. Following the lunch a special assembly was held in the auditorium by Principal Gibson at which the business men were the guests. The orchestra and glee club were directed by Mrs. Hennessy.

The days of the week are listed in both the national and state bulletins as follows: Monday, Constitution Day; Tuesday, Patriotism Day; Wednesday, School and Teacher Day; Thursday, Conservation and Thrift Day; Friday, Know Your School Day; Saturday, Community and Health Day; Sunday, For God and Country Day. The Hood River schools will have "Know Your School Day" this Friday as the annual visitors' day when all parents and patrons of the school are invited to visit as many rooms in each school as many schools as their time will permit. Visitors are requested to go into the school rooms during the day Friday and inspect the work and listen to the recitations, leaving at any time. The teachers are instructed to go on with their regular programs without any formalities. Last year we had several hundred visitors in our schools and the number this year is expected to be greater than that of last year.

The Junior Vandeville, under the direction of Miss Ruth Richards, held last Friday at the high school auditorium was a great success. Aside from the glee club and the orchestra, the main events were: "Father Rough on Robert," "Where But in America," "When the Lights Went Out," and a

solo by Joyce Nye. The money made from the entertainment will be put in the Junior banquet fund.

Amusing debates were given in assembly Friday. They were directed by Miss Esther Hettlinger, debate coach. The first one was: "Resolved that 'Over' is rather than 'Around.'" The speakers for the affirmative were Juliet Farden and Carlisle Roberts and for the negative, Aune Wuest and Gordon Manser. Florence Oxford acted as chairman. The negative side won. The second one was: "Resolved that Eskimo Dies are a Sane Confection." Bernard Carlos and Leure Woodcock

were on the affirmative side and Lorene West and Ruth Carter on the negative. Vergie Oxford acted as chairman. The affirmative side won. It was probably because the judges liked Eskimo Pies.—Anita Spatzer.

**Junior High School News**

The basketball team of Junior high played a practice game with the Freshmen of Odell high. The final score was 10 to 9 in favor of Odell. Coach Babbit said it was a very good game.—Ruth McClain.
