"Let's go back to candles"

Your answer would be "No".

And if you lighted your home with candles
tonight as you will light it by Edison
Mazda Lamps, your lighting bill would
be 100 times greater.

Electric light is the cheapest light human-
ity ever had. It costs even less than
before the war and the average family
now pays less for electric light than for
cream for breakfast coffee.

MOSIER

Earl Bailey went to Portland Mon-
day to remain for a few days.

H. G. Keeney, superintendent of the
Parkdale schools, visited the Mosier
schools Monday.

Mrs. J. O. Beldin, Harold and Ev-
elyn, and Lucella Nielsen were in Hood
River Tuesday.

Miss Thelma Johnson arrived home
Tuesday to spend her Thanksgiving
vacation with her mother, Mrs. Bertha
Johnson.

Mrs. Kate Petersen, accompanied by
her nephew, Bert Johnson, arrived in
Mosier Tuesday to visit with her sis-
ter, Mrs. Bertha Johnson.

Darrell Allington and Leslie Camp,
O. A. C. students, arrived home Wed-
nesday evening to spend Thanksgiving
holidays at their respective homes.

Forrest Evans, a student at Eugene,
came home Wednesday to visit his pa-
rents, returning Sunday.

Mr. and Mrs. W. A. Clark spent
Thanksgiving at Heppner with Mr.
and Mrs. Wheeler Clark.

Quite a number of our young people
attended the dance in Hood River last
Thursday evening, among them Misses
Harriette and Dorothy Strauss, Nedra
Evans, Irene Horn, Evelyn Beldin, Lu-
ella Nielsen and Alice Shogren; Mr.
and Mrs. Taggessell, Mr. and Mrs. J.
R. Wilcox, James Wilson, Forrest
Evans, Lee Evans, Ferdinand Strauss,
Harold Beldin, George Forst, Roscoe
Davidhiser and Gerald Horn.

Harry Watson, of Eugene, was a
caller at the Nielsen home Friday.

School was dismissed Wednesday
for the remainder of the week. Most
of the teachers left town that after-
noon. Miss McClure went to her home
in Portland; Miss V. Gribokov visited
her parents at Junction City; Mrs.
Marshall going to Albany to visit rela-
tives and friends; Miss Clark to Dufur
and Mrs. Mobley going to The Dalles.
She and Mr. Mobley spent Thanksgiving
at Goldendale, Wash.

Miss Mildred Nichol spent Thank-
sgiving with her parents, returning as
far as Portland Saturday with Miss
Thelma Johnson.

Mr. and Mrs. H. M. Searce, of Hood
River, were guests at the Harding
home Thanksgiving.

The Odd Fellows gave a very enjoy-
able dancing party at their hall last
Wednesday evening. The music con-
sisted of a three-piece orchestra.
Claude Rowland played the violin and
Mr. and Mrs. Walter Ford, of Hood
River, handled the drum and piano.
All had a delightful time.

Hal Blanchard was home to spend
Thanksgiving.

Miss Lucella Nielsen was in Hood
River Friday afternoon.

The Card club met with Mrs. H. H.
Nielsen Saturday afternoon. All mem-
bers were present except Mrs. Mar-
shall. Mrs. E. A. Race won the prize.

We are glad to hear that Little Jeffer-
son Mosier is much improved.

The basketball game played at Mosier
between our home team and a
team from The Dalles resulted in a
"victory for Mosier."

Mrs. F. A. Allington has been con-
fined to her home the past few days on
account of sickness.

WHITE SALMON

Cooperative weather report for 24-
hour period ending at 5 p. m. Satur-
day: Maximum temperature 31; mini-
mum 27; cloudy; east wind; no precipi-
tation during that period. Sunday, 12
M.: Maximum temperature 30; mini-
mum 28 above zero; cloudy; gentle
southeast wind; precipitation trace of
rain; fruit trees heavily laden with
wet snow and ice; some damage by
split trunks reported, not serious yet.

Eugene Glader, commissioned cadet
officer, 11th Military Academy, Port-
land, spent his Thanksgiving vacation
at his home on Burdell mountain, re-
turning Sunday afternoon.

The orchards and timbered districts
resemble fairyland; a really beautiful
and glorious sight, awe-inspiring until
one is showered with an avalanche of
"the beautiful" which finds its way
down his or her neck. Even then it
might do some good, however uncon-
fortable. We used to play in it. Why
not enjoy it while we are at it?

Floyd Brown and Winton Robinson
returned to Trout Lake Saturday. The
former has decided to locate in Port-
land this winter, where he will engage
in cement work.

Tom Brown (not he of Oxford fame)
of North White Salmon, is laid up with
a leg infection, the result of strenuous
duties performed in slashing brush for
Abe Boyle, Burdell-Highlands district.

Bill Brown, of North White Salmon,
has contracted to cut 100 cords of wood
on the Cecil Miller tract.

The Gilliam family enjoyed Thank-
sgiving dinner fit for a king at Mr. and
Mrs. I. H. Evans' home in the Major
Creek district.

The Glader family were dinner
guests at the Burdell home Thank-
sgiving day. The best ever, according
to report.

The only turkey the correspondent
had Thanksgiving was on the radio.
We awakened at 4 a. m. and while
listening to New York city send code
stuff across the Atlantic, heard an
announcer state that his station was
located at Constantinople and that all
radio bugs in the United States who
were in on it could have all the tur-
key they wished on the all important
day, Thanksgiving. The program as
presented was excellent; no jazz, no
harem-sarem stuff.

If you radio bugs tune in more care-
fully, using head phones and operate
the detector filament as low as possi-
ble, turning your geared dials more
slowly, you will pick up stations you
have never heard of before. Get in on
the low wave lengths and surprise
yourself. We set our Watson watch
Saturday at 7 p. m. by Arlington, Va.,
naval time signals, relayed through
Pittsburgh, Pa.; on a hay wire outfit
at that.

Friday evening we were treated to
a musical thrill; the voice of a hun-
gry little grizzly bear broadcast from
station KSL, Salt Lake, following a
Teddy bear story broadcast for the
kiddies by a Salt Lake department
store. Get busy, you farmers and
ranchers, who have not purchased acts
You do not know what you are miss-
ing. The educational features alone
are well worth the small outlay in-
volved. Sets are cheaper than at this
time last year. They have reached the
limit. No radical changes will be
made in the near future, although lab-
oratory engineers are constantly work-
ing toward simplification and reducing
the number of controls. Do not be de-
ceived by expensive cabinets. They
are not the heart of the set.

Alec Miller, of the Pine Flat district,
is reported as being slightly improved
in health.

The negro minstrel show given by
the community chorus members Tues-
day evening was a big success. The

show was given under the direction of
Miss Laura Soper, who wrote the li-
bretto, arranged the music and handled
a star role in the production. Mrs.
Fred N. Thomas was accompanist. A
group of tiny tots, who added much to
the success of the program by their
splendid dancing, were Elizabeth Crow,
Mildred Suksdorf and Jane Putney.

The White Salmon Woman's club is
meeting with gratifying success in lin-
ing up historical relics of by-gone days
for their exposition to be put on De-
cember 8.

The annual municipal caucus is
called to convene at Legion hall Wed-
nesday evening, December 2, for the
purpose of nominating a town treas-
urer and three councilmen.

Horn Bros., formerly of the Hood
River district, who are establishing a
saw mill in the Glider district, are
building a dam for a mill pond with a
capacity of 600,000 feet of logs. Some
work has also been started on the mill
foundation, according to M. J. Palmer,
who was in town recently. The plant
is located on the H. A. Palmer tract,
close to the village of Glider.

B. J. Parriott, formerly of Hood
River, has purchased a fine lot on
Grandview boulevard from Mr. and
Mrs. A. Harry Jewett, of the Jewett
Farm Resort, and will build a modern
bungalow early in the spring. Mr. Par-
riott has purchased the interests of
W. L. Upson in the White Salmon
Machine Shop.

Mrs. K. H. Putney was called to
Portland recently to see her father, Mr.
Wasson, who sustained injuries in an
automobile accident. Mr. Wasson is 74
years of age, but in spite of his ad-
vanced age, is progressing favorably.

Mr. and Mrs. Sidney Thompson were
the lucky winners of the silver loving
cup at the Merry Widow ball given by
C. T. Dewey, of the Dewey movies,
recently.

Rev. L. W. Finner preached a fine
sermon at the Congregational church
here Sunday morning.

A. L. Sutherland and family, of Mon-
tana, have established residence here.
Their daughter will attend school. In
fact our excellent schools in White
Salmon have been a drawing card for
several families who have taken up
their abode in the little city beautiful.

Earl Sutherland, a son, and his friend,
Walter Lewis, who are on furlough
from the U. S. Navy, returned to Brem-
erton to board ship, the U. S. S. Cal-
ifornia.

Rainier Park Most Popular
The popularity and tourist merit of
Rainier national park was settled this
year by the public. The government
three-year record of visitors in three
Pacific Northwest national parks, gives
Rainier National park the lead for the
past two years. The record for 1923,
1924 and 1925, for Glacier, Yellowstone
and Rainier parks, respectively, is:
23,988, 33,372, 46,093; 138,352, 144,158,
154,282; 123,708, 161,473, 173,000.

Rainier's annual visitors' list has
grown rapidly simply because the story
of the merit of this park has been
passed along from friend to friend.

Cascade Locks Wins
The basketball season for Cascade
Locks school opened here Saturday
night with three games between Cas-
cade Locks and the Corbett
schools. The scores for the different
games were: Cascade Locks grade
school boys 10, Corbett grade school
boys 8; Cascade Locks high school
girls 22, Corbett high school girls 23,
and Cascade Locks high school boys
20, Corbett high school boys 17.
