A brother of Tom Acree arrived from the east with his family and is living on the R. D. Smith place. Mr. Rennington and form have won friends universally here dur-ing the past two years, and indications point to an ovation next Thursday evening.

"Friend Hannah" is a dashing, his torical romance of the periwig period, and a number of the characters in the Sevenin hay avoid to control Sabbath school Saturday at 10 a. m. Preaching service 11.15 a. m. Prayer meeting Wednesday, 7.45 p. m. All are welcome. English Lutheran Church Holy communion will be celebrated. Holy communion will be celebrated. of this fascinating story-book tale. An interesting article in the Seattle Town Crier, the Christmas issue, by Emily G. Carkeek called "Godfathers of the Northwest," telling how the

ountains and lakes and sounds, etc., got their names, gives some interesting historical data about the people in "Friend Hannah." It reads : "His poor pathetic Majesty, George III, stands sponsor for the Gulf of Georgia. A better farmer and worse monarch never lived." According to his lights and limited mentality, he did his duty, but he was a dull man and, as Thackeray remarked, "Dull men are always suspicious of superior people." Unfortunately he had inherited his mother's stubbornness and his father's

"Here lies Fred. Who was alive and is dead.

Had it been his father We had much rather. Had it been his brother Better than any other. Had it been his sister Few would have missed her. Had it been the whole generation Much better for the nation. But since it's only Fred There's no more to be said."

His mother, who had a throat dis-ase from which she eventually died, pies the pulpit Sunday morning and will have for his subject, "The Ques-tion of Immortality." The public is cordially invited to attend.

the homely little German Charlotte as his wife, when he had given her and his ministers some uneasiness by show-ing symptoms of light-mindedness for first and last time in his life. He had been attracted by a lovely Qunker-ess. Hannah Lightfoot ("Friend Han-nah"), and much more seriously by the

dashing Lady Sarah Lennox, so they selected the little princess from the little Mecklenburg Duchy and she effectually prevented any necessity of looking toward the exiled Stuarts for heirs to the crown, by presenting him with fifteen children.

There was much to gratify national The Sunday school session Sunday morning will be characterized by a short tomperate the session and the session of the session
