CLOUD CAP INN For 37 years Cloud Cap has been known to world travelers. In those geologists and widely known botanists and other educators. The old Cloud Cap, with its comparatively meagre accommodations, was all sufficient for the final game, yelling their heads off.

Get out to the game Sunday and get the habit.

Over in Washington D. C. the great control of the league this summer's end, with an augmented lot of fans present for the final game, yelling their heads off. road that passed from the open Upper Valley through the magnificent mountainside stand of conifers.

Today we are living amidst a nev era. Already that old toll road is but a relic of the past, left the monument to builders of past decades. A new highway, a motor road, with wide and branches off from the Mount Hood Loop highway, and skirting the open places of the great northeast ridges of Hood and passes through growths of Inspiringly lofty timber, will be com-

for the nature-loving motorist. It must go, and coon will. Indeed, we of Hood River joined with Portland folk year before last in a pledge to the United States Forestry Service that funds would be made available for construction of a magnificent mountain hostelry on the new Coopers Spur lateral of the Mount Hood loop. The time has the Beavers rambled to a 10 to 5 vicpledge. Next week the Hood River Chamber of Commerce will launch a campaign to raise \$10,000 here for financing the new Cloud Cap hestelry. a new hotel that will be a source of oride to everyone in the state of Oregon. It will be, architecturally and in every way, in keeping with its setting at the snowline of the "Most Beautiful

The spirit of Hood River, really aroused to determination, will, we know, result in success in the coming campaign. Hood River's portion of the fund is comparatively small. The re-mainder of the money will be forth-coming in Portland. Soon we will wit-Fork of Hood river. Guests may hear far down there in the gash-like gorge the murmer of the water, freshly released from glacier and mowfield.

My Rivings is by far the second will result to the head will result to the hea

Washington, and yet has not volved in political activities of

The to the fig. We are going to atch with interest the progress of upport of the home team here this year. Hood River's nine is made up of virile, red blooded young men, fellows who know baseball. They are playing more for the love of the sport than anything else. Some of the business folk of the city are doing their level best to put new ginger into the summer series of minor league games scheduled for Hood River. And we scheduled for Hood River. And we will have a scheduled for the description of the first fall with a low and the second by a he would be summer's end, early days, when visitors journeyed to summer series of minor league games the mountain hostelry, where clouds capped the juncture of snows and timberline and glacial snout, Cloud Cap to see Hood River come out at the head of the league this summer's end, with an automated lot of fans present.

Over in Washington, D. C., the great discussion over the merits of prohibition and modification is energetically under way. There is and will continue to be much of taking and little of giving in that interesting scrap. The contestants on both sides are of the "ultra" type. The interest in the batgraceful curves, with grades that in the for modification will lie in the subno place exceed six and seven per cent, branches off from the Mount Hood minded populace scattered about over the nation.

Have you forwarded an Air Mail letter to the folks back East? The Pacific northwest is now served by speedy aerial postal service. The first mail too small to furnish temporary abode plane, carrying a near capacity cargo took off from Pasco Monday. Time is, not far distant when mail planes will be seen carrying precious and valuable messages up and down the Columbia

And what do you think of this Rain Tuesday stopped three baseball

Mark Weygandt's Mother Passes
