"SOFT and GOOD"
It's a "Star Brand"
"Soft and Good," and it is true to its name.
The soles are flexible oak, Goodyear welt sewed. There's no tacks or threads to hurt your feet. The uppers are soft and pliable, yet strong and sturdy, and will stand lots of hard service.
"Soft and Good" shoes are put out by the makers of "Star Brand" shoes—and that means they are solid leather and cost you less per month.
