The party reported that they reached the summit of the peak, said Mr. Weygant, here Monday night.

"They were observed through glasses while on the peak, and they lacked a long haul pull of several hundred feet of gaining the summit. They passed over portions of the snowfields that are very dangerous, and it is only a miracle that someone was not badly hurt. Their return with the boasts that they climbed Mount Hood without a guide is setting a precedent that should not be tolerated. Such action is liable to bring about a tragedy on our mountain and give it a black eye among recreationists. We should not permit inexperienced climbers to take such risks."

SCHOOL NEWS

(Marguerite Harms)
Last week new laurels were added to previous achievements of pupils in the Hood River high school. One was in debate and the other was in athletics.

The Hood River high school debaters, under the coaching of Miss Esther Hettinger, after defeating all school in central Oregon, went to Pendleton Friday and defeated the debating team from Union in the semifinals. The Union high school debaters had won everything in eastern Oregon. Our team, now composed of Juliet Forman and Cecile Roberts, will go to Eugene in about two weeks to debate with the state champions, where they will meet the high school debaters from Warrenton. This team is the champion of western and northern Oregon, having defeated Grants Pass last week. This is the first time since debating was resumed in the high school five years ago that Hood River has succeeded in getting into the finals.

In the other event Hood River boys carried off the honors at the mid-Columbia track meet held last Saturday on Gibson field under the direction of Coach Weber. Teams were present from the following schools in the mid-Columbia region: The Dalles, Dufur,

Wasco, Bismarck, Goldendale and Grand Valley. Hood River led with 60 points; The Dalles, 45; Goldendale, 35, and Wasco, 19 points. By winning this track meet Hood River won again the annual cup. This is the sixth time consecutively that Hood River has won the mid-Columbia track and field meet.

The Hood River high school auditorium was well filled last Friday evening to hear the concert, "The American Girl," by the freshmen and sophomore girls, under the direction of Mrs. Chas. Henney. They were assisted by the high school orchestra and the boys' glee club. Some of the dances were prepared by Miss Ethel Swartz and Mrs. Bessie Murphy. The leading characters in the order printed on the program were Lucile Young, Mary Campbell, Nellie Nesbit, Inez Young, Wilma Murphy, Helen Garrett, Jane Carson and Joyce Nye. All of the girls, both leaders and those in the chorus, are to be commended for the excellence of their work. This program was significant because Mrs. Henney, the director, has resigned to accept a position in the Portland schools. The Hood River public will greatly miss Mrs. Henney because through the long term of years she has directed sporadic time and time again to the delight of the local people. Mrs. Henney will be succeeded by Miss Frances Sherwood, now music supervisor of Crook county and for several years supervisor of music in Medford. Miss Sherwood comes to us with the highest recommendations for successful work where she has been. In accepting the resignation of Mrs. Henney the school board passed a resolution thanking her for her many years of successful experience here and wishing her well in her new undertaking.

Supt. Cannon was in Portland Saturday attending a state meeting. T. A. Mr. Cannon was appointed a member on the committee of adequate revenue and the equalization of taxes for education in Oregon by Pres. J. S. Landers. The committee has directed to Mr. Cannon the task of compiling a set of forms and a system of accounting to be used in districts of the first, second and third class in Oregon in order that the school affairs in those districts may be carried on in a businesslike way and that reliable statistics and information might be had concerning expenditures.

Coach Weber will take his track team to Forest Grove Saturday to compete in the state track meet.

The usual Tuesday morning assembly program was given by the members of the girls' league, under the direction of Miss Iva Howey. Marjorie Miller sang a song and Juliet Forden, president of the league, welcomed the teachers. The response was given by Mrs. Shurellif, after which Marjorie Miller sang another song. Lorena West gave a violin solo, accompanied by her sister, Phyllis West. A short play was given. The girls taking part were: Dorothy House, the mother, called Margaret; Elmore Derby, the hard-to-handle daughter; Pearl Mohr, the disbelieving son from junior high; Lorena Woodcock, the aunt, writing a thesis on scientific child training. The play was true to life and both the girls and Miss Howey are to be commended. Joyce Nye sang a song. The assembly was one of the best given this year and was enjoyed by all.

Junior High Notes

(Bobby Vaughan)
At a special assembly last Friday those who had earned letters in track, baseball and basketball received them from Mr. Babbitt. A letter was also given to May Smith for her efficiency in the declamatory contest.

The proceeds of the candy sale at the county grade school track meet totaled \$16.

Park street pupils were delighted this week to learn from the A. N. Palmer Penmanship Co., of Portland, that they had earned 188 penmanship awards during the second semester. Their record for the first semester was 113 awards, making a total of approximately 300 for the year and over 90 per cent of the total attendance.

The Hunderup Evangelistic Campaign Evangelist Hunderup is a meeting with such good success, and the Baptist church is pleased with the work done, that it was decided last week to continue the campaign one week more. It will close, however, next Sunday night, May 16.

Last Sunday 12 members were added to the church; others confessed Christ who were not ready to apply for church membership. Evangelist Hunderup lives up to his reputation to speak the truth without fear. He hits sin wherever he finds it.

There will be services Saturday evening as well as the other evenings of the week. Everybody is welcome, and you will find yourselves perfectly at home if you come, that is if you are lovers of righteousness and truth.

Rhododendron Week Approaches

Residents of the Loop highway district south of Mount Hood will celebrate rhododendron week May 16 to 23, inclusive, according to word received from Boyd Summers, of Swin. "The rhododendros will be at their best that week," writes Mr. Summers. "Due to the early spring and mild winter, the blossoms of these beautiful mountain shrubs will be open two weeks earlier than usual and the Loop trip will be especially appealing when the copes are dotted with the flaming blossoms."

Marshall Hart will go to Springfield today to attend funeral services for his brother.

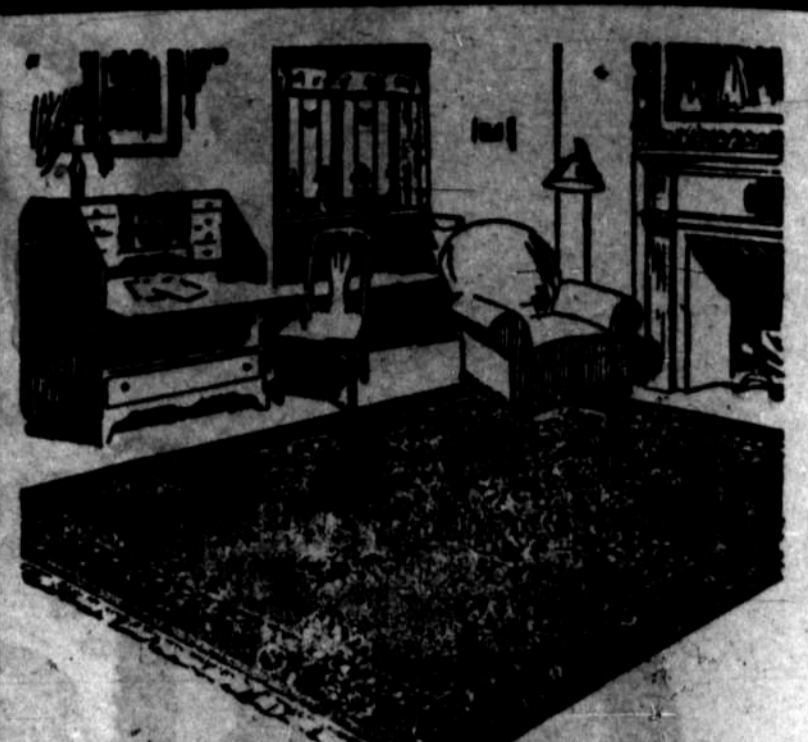

Erroy Gray Thanks

Erroy Gray, of the Salvation Army, after a week's absence in the interest of the Home Service fund, left Tuesday for Portland. Mrs. Gray said she had met with a hearty response from Hood River folk.

"Contributions from Hood River people have been liberal," said the Army worker, "and everywhere I was received cordially by Hood River people."

Mr. Crozier Visits Dr. McVay

Robert H. Crozier, general passenger agent of the S. P. & S. R. E. Co., was here Sunday from Portland calling on his old friend, Dr. J. E. McVay. Mr. Crozier was taken on a tour of the orchard districts and to the golf links of the Hood River country club by Dr. H. D. W. Pines. Mr. Crozier and Dr. McVay were schoolmates at Lake Forest Academy near Chicago where boys.
