

MR. CLAGSTONE GIVES ADDRESS NATIONAL CHAMBER WORK LAUDER Western Manager of United States Body Speaks at Local Chamber Forum Members of the local Chamber of Commerce Tuesday learned from Paul Clagstone, manager of the western di-vision of the United States Chamber of Commerce, of the Important part that organization has played in affairs of the nation during the past 10 years. Mr. Clagstone at a chamber luncheon forum at the Columbia Gorge botel cited how the national chamber has sponsored the budget law and was one of the instrumentalities that brought about the Dawes business commission, which stabilized German currency and restored business to more of a normal which stabilized German currency and restored business to more of a normal state in Europe. The Dawes commis-sion's work was characterized by President Coolidge, Mr. Clagstone said, as the most constructive action taking place since the armistice was signed. Mr. Clagstone's talk was an instruc-tive one. He told how the Hood River chamber, which is affiliated with the national body, participates in referenda of the central chamber when action is desired on some question of vital im-portance. Mr. Clagstone and that no national chamber action is ever of the rubber stamp type. Committees gather ubber stamp type. Committees gather Il available data both for and against all available data both for and against any proposed measure, he said. The Pacific coast business man until recently, he said, was characterized by the old pioneer ideal of the individu-alist. Steadily, however, he said, it has been seen that a coordination of action is necessary for the accomplish-ment of the most good to all. Individ-ual action is giving way to national and international cooperation. The effect of the world war and the results of its European experiments, many of of its European experiments, many of which were fatal to benefits that might 300.00 cerued from the concerted action of In addition to the various chambers of all states, the United States Cham-ber of Commerce has affiliated with it various American chambers of com-merce in the Orient, South America and Europe. Mr. Classione declared that one of primary works of the national and vice press mber is to be constantly on guard & Light Co., w inst legislation that is fundamental-

the hearts of the editorial delegates, when she rendered numbers Saturday evening at the annual banquet at the Ochoco inn. Mr. and Mrs. Davidson are now living in Prineville, Mr. Da-vidson and his brother, Frank David-son, operating a sawmill there. Lester Price, well Enown to Hood River folk, a brother of Mrs. Davidson, was visit-ing in Prineville the past week. While there many of the editorial party heard Mr. Davidson in special organ numbers at the Lyric theatre. Mr. Davidson is an organist and composer of note. Among the sumbers rendered were some of his own compositions. Saturday afternoon women of the Prineville community held their annual flower show at the Ochoco inn. Mrs. A. D. Moc was one of the judges at the floral exhibit, which filled the big jobby of the hotel. The flowers were varied and beautiful. Of especial in-terest was the exhibit of wild flowers collected by children. M. Moe was a member of the nomi-mations committee. The following of-facers yere named for the ensuing year; A. L. Maltery, Tillamook Headlight, and Hal E. Hoas, Oregon City Enterprise, re-elected respectively president and secretary, and B. W. Bates, Roseburg Review; Geo. Alken, Ontario Argus; Ralph Cronise, Albany Herald-Demo-orat; R. H. Jonnas, Primeville Central Oregonian, and Lionel Gordon, Marsh-field News, regional directors. Mr. Hoss was elected Oregon director of the International Press foundation. T. Raynond Conway, Mazama and director of the Columbia Motor Stages orporation, who has addressed Hood River audiences, gave a talk, illus-trated with motion pictures, on the Columbia River highway, emphasising how Oregon mewspaper folk may add to the lure of scenic points by reciting their legendary significance. Mr. Con-way's address was **5** appeating that he was asked to give a second talk Friday

Beach Talk!

This introduces our patrons to the Guard and instructor for Koberg Beach this season, Mr. Perry Davis, a U. of O. graduate and assistant teacher in swimming and life saving. We were fortunate in getting a man of high standing and ability and while there is a yast difference between teaching in a University and managing a public enterprise, we hope that when the season closes, we can put our Nonpareil stamp on Mr. Davis.

With 80 boys and girls on the Beach Monday, not a single one over 8 years old that was not perfectly at home and able to take care of not perfectly at home and able to take care of himself in the water—a record that we are proud to have made possible with the assis-tance of parents and public sentiment. It is our intention to continue this good work and to do so we may be compelled to make changes for our own protection. We hope our stand-ing and good intentions will not be questioned.

Recollect the biggest Fourth of July Cele-branion Hood River ever had? It was last year on our Beach and we are going to hold another one and try to make it even better this year. Come!

Koberg Beach

We Make The Cash Sales

We have been working for years to broaden our market for apples and pears on a cash basis. Cash customers are desirable and cannot be secured at will. We are keeping and adding to our trade by shipping high class fruit under government inspection. Our Trade Mark is registered in the United States and Great Britain.

We will be in the market this year for a very con-siderable tonnage of fruit. We specialize in placing large blocks of fruit, both domestic and export sizes.

Wasco Folk are Guests

Wasco Folk are Guests A delegation from The Dalles-Wasco county chamber of commerce spent Tuesday investigating irrigation sys-tems of the Hood River valley. The visitom stated they were planing on de-velopment of irrigation from wells in the frült and vegetable sections around The Dalles. All were guests at the Columbia Gorge hotel at the luncheon of the local chamber, which was ad-dressed by Paul Clagstone. The Wasco county visitors were: J. G. Odell, J. H. Weiss, L. Barnum, E. M. Williams, M. Z. Donnell, G. E. Man-chester, L. A. Schanno, T. A. Sammis, Jr., C. R. Ellis, H. G. Miller, E. L. Cur-tis, Carl Curtis, J. E. Thorndike, W. W. Starkey, Ralph Hazen and W. S. Nel-son.

Chamber Sponsors Koherg Road The chamber adopted a resolution mrging improvement of a road to Ko-berg beach. A committee was appointed to met with the county court and seek their cooperation with the O.-W. R. & N. R. R. Co. In bettering a grade cross-ing on the road. This constantly crowded with motor part-tes, It was clied by R. O. Blanchar that traffic on the road conecting the Columbia River highway with the in-terstate bridge, a link of one route to Koberg's beach will be interrupted by rew cuting a new grade. The committee appointed to confer with the court consists of R. E. Scott, H. E. Baker, N. H. MacMillan and Mr. Koberg. Musics at the forum luncheon Tues-day included Prof. F. S. Knight, new principal of the high school, and Perry Davis, who will be swimming instruct-or at Koberg beach this summer. B. B. Bartmess announced as new members, Rev. F. Gordon Hart and Rev. Hugh J. Marshall. President Steels appointed as new members of the membership committee R. B. Perl-po and B. B. Scott.
