News of the Golfers

The most enjoyable and pleasant tournament ever held on the Country club course—such was the verdict of those who took part in the first monthly two-ball mixed foursome Sunday afternoon. Thirty couples were entered in the event and some mighty fine golf was displayed. Some surprises were in store when the scores were announced. Half the combined handicaps of the partners were deducted from the gross score. E. E. House and Mrs. Adams turned the best score for 36 holes with a gross of 90 which gave them a net 71. In the nine-hole match Sam Banks and Mrs. Fred Johnson were tied with Fred Johnson and Mrs. E. Cobb with

a net 32. Stewart Moore and Gen Sken won second honors with a net 34.

The event was such a success that it will be made a regular monthly affair from now on. The second Sunday of the month with a starting time of 3 o'clock has been made for the two-ball mixed foursome. Pairing and starting times will be posted on the bulletin board.

The Rose City golf club, of Portland, brought the strongest 18-man team yet to invade Hood River last Sunday and walked away with the match to the tune of 26 to 17. Rose City has a very finely balanced team of young fellows and their scores proved too much for the local team. The visitors were long with their praise of the course and all left with a memory of a very pleasant day.

W. L. Nichols led the field in the qualifying round of the Class B tournament. His gross score of 91 made him low medalist by two strokes. The pairings for the match play which starts this week follows. The first round matches must be over by Sunday night. There will be three flights of eight.

Championship flight—W. L. Nichols vs. McMillan; John Annala vs. C. Heribert; C. N. Baylin vs. C. H. Jenkins; J. Culbertson vs. G. Green.
