America Legion Auxiliary Notes
 On account of our regular meeting night for July coming on the 6th, a holiday, the meeting date has been set ahead one week, Monday evening, at 8 o'clock, June 28, at the municipal auto camp. Our hospital chairman has suggested, as the seats will undoubtedly be hard and the Veterans' hospital is calling for pillows, that everyone bring a pillow to use during the evening and afterwards to be turned over to Mrs. Anderson to be sent to the hospital. Everyone who has a car is requested to fill it up and take as many of those who are without transportation as possible to the meeting. This meeting is an important one as the delegates to represent our unit at the state convention are to be elected.
 The Mosier party, which was the home of Mrs. Albert Krier, was well attended and a very enjoyable time was had. We want one more delegate to the convention and the only way we can obtain it is by increasing our membership at least 10 or 15. Have you secured your new member?
